About Spacetalk Ltd.

Spacetalk Ltd. (ASX: SPA) is a global technology provider of secure communication solutions for families to stay connected and protected.

Spacetalk's range of all-in-one smartphone GPS watches for children (Spacetalk Kids and Spacetalk Adventurer) and seniors (Spacetalk Life) are purpose built with tailored features, design qualities and best practice data encryption, security and privacy technologies, for families to stay confidently connected. Fun, fashionable, secure and technologically advanced, Spacetalk devices deliver confidence for the child and senior wearer, enhanced controls for the guardian, and engaging functionalities for the whole family to stay connected.

The Spacetalk App is designed to provide a family environment for fun, engaging and secure media consumption beyond its device control functionalities for the guardian. Every linked contact – parents, grandparents, extended family members and friends – regardless of whether they are Android or iOS users, can interact with linked Spacetalk devices and each other through the Spacetalk App.

Spacetalk was founded in 2001 and listed on the ASX in 2003 as MGM Wireless Limited, which developed the world's first SMS student absence notification platform for schools and went on to become Australia's most successful school messaging company. On 12 November 2020 the Company changed its name to Spacetalk Ltd.
