Resolution 1 - Amendment to the Constitution

To insert into our company's Constitution beneath 'Business of Annual and Other General Meetings' the following new sub-clause 32(c): "The company in general meeting may by ordinary resolution express an opinion or request information about the way in which a power of the company partially or exclusively vested in the Directors has been or should be exercised. However, such a resolution must relate to an issue of material financial relevance and cannot either advocate action which would violate any law or relate to any personal claim or grievance. Such a resolution is advisory only and does not bind the Directors or the company."

Resolution 2 - Climate Risk Management

Shareholders request the company disclose, in subsequent annual reporting, short, medium and long-term targets and plans to reduce investment and underwriting exposure to oil and gas assets, along with progress against the targets set. The targets should be consistent with the climate goals of the Paris Agreement.
