Laneway Resources Limited (ASX: LNY – **Laneway** or the **Company**) is pleased to advise of the completion of the placement component of the capital raising program that was announced on 4 January 2022.

The Company has now settled the final tranche of the share placement raising a further approximately \$0.4 million through the issue of 80.5 million ordinary fully paid shares at an issue price of 0.5 cents per share.

The current capital raising program consists of:

- A placement raising now completed that has raised approximately \$3.1 million in total (**Placement**); and

The Placement tranche completed today has been made to a small number of sophisticated and professional investors, and has been made under the Company's existing ASX listing rule 7.1 placement capacity.

For every two (2) New Shares issued to a holder as part of the Placement, the holder will also receive one (1) attaching option exercisable at 0.8 cents and expiring 30 September 2022 (**New Option**). The New Options for participants in the Placement will be issued subject to Laneway shareholder approval, at an Extraordinary General Meeting to be convened following the completion of the Entitlement Offer. The Company intends to apply to the ASX for quotation of the New Options.

The funds raised in the Placement together with funds to be raised in the Entitlement Offer will be used for the purposes of:

- near term exploration program expenditure including the current drilling program at the Agate Creek Gold project following up targets from the recently completed multi-element regional study;
- expenditure on current mining activities at Agate Creek;

- Georgetown gold processing plant refurbishment and restart costs;
- part repayment of short-term borrowings; and
- the costs of the offers and general working capital.

The proposed Entitlement Offer is intended to be made to all shareholders who hold shares at the record date with registered addresses in Australia and New Zealand (**Eligible Shareholders**). The Entitlement Offer is now expected to be made on the basis of 1 new fully paid ordinary share for every 3 shares held at the same issue price as the Placement and Placement (that is, an issue price of 0.5 cents per share with one free attaching option exercisable at 0.8 cents and expiring 30 September 2022).

Further details of the proposed Entitlement Offer including the issue timetable will be provided in due course.

A Prospectus for the Entitlement Offer will be lodged by the Company with ASIC and ASX in the coming week. The Prospectus together with personalised entitlement and acceptance forms will be dispatched to all Eligible Shareholders. It is important to note that this will include via electronic distribution for those Eligible Shareholders who have previously supplied the registry with their email address.

- (b) An Option must be exercised (if at all) not later than 5.00pm on 30 September 2022.
- (c) The Options will become exercisable on issue.
- (d) Each Option entitles the holder to subscribe for and be allotted one fully paid ordinary shares (**Share**) in the capital of the Company upon exercise of the Option and payment to the Company of the exercise price.
- (e) The exercise of some Options only does not affect the holder's right to exercise other Options at a later time.
- (f) An Option is exercisable by the holder lodging with the Company's secretary a notice of exercise, accompanied by payment of the required exercise price of each Share to be issued on the exercise of that Option.
- (g) The Company shall allot Shares on exercise of Options in accordance with the Company's Constitution.
- (h) Shares issued on the exercise of Options will rank pari passu with all existing Shares in the capital of the Company from the date of issue of those Shares.
- (i) Upon the issue of the Options, the Company is to apply to the ASX for the Options to be listed as a tradeable security on the ASX. At all times (pending the listing and upon listing), the Options may be transferred in the same manner as shares unless classified as restricted securities under the ASX Listing Rules and may be exercised by any other person or body corporate.
- (j) In relation to new issues, there are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. The bonus Shares will be paid by the Company out of profits or reserves (as the case may be) in the same manner as was applied in relation to the bonus issue and upon issue rank pari passu in all respects with the other Shares allotted upon exercise of the Options.
- (l) In the event of any reorganisation (including consolidation, subdivision, reduction, cancellation or return) of the issued capital of the Company before the expiry of any Options, all rights of the option holder will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
