Santos and Oil Search combine to create a regional champion of scale with a diversified portfolio of long-life and low-cost oil and gas assets

- Santos and Oil Search have entered into a definitive agreement to merge the two companies in an all-scrip transaction
- Oil Search shareholders are to receive 0.6275 new Santos shares for each Oil Search share held
- Upon completion of the Merger, Oil Search shareholders will own approximately 38.5 per cent of the merged entity and Santos shareholders will own approximately 61.5 per cent
- The Merger creates a regional champion of size and scale, with a pro-forma market capitalisation of approximately A\$21 billion¹
- Santos expects the Merger to unlock pre-tax synergies of US\$90-115 million per annum (excluding integration and other one-off costs) which is expected to benefit both sets of shareholders
- The Oil Search Board has unanimously approved the transaction and recommends that shareholders vote in favour of the Merger in the absence of a Superior Proposal, and subject to an Independent Expert concluding that the Merger is in the best interests of Oil Search shareholders
- The Merger is subject to a limited number of customary conditions including Oil Search shareholder approval, regulatory approvals and Papua New Guinea court approval

Santos Limited ("**Santos**") and Oil Search Limited ("**Oil Search**") are pleased to announce that they have entered into a Merger Implementation Deed ("**MID**"), under which the two companies will combine via an Oil Search Scheme of Arrangement ("**the Merger**"). This follows both companies successfully completing reciprocal confirmatory due diligence, which commenced on 6 August 2021.

Under the terms of the Merger, Oil Search shareholders will receive 0.6275 new Santos shares for each Oil Search share held on the record date of the Scheme of Arrangement (as per merger terms agreed and released to the ASX on 2 August 2021). Upon implementation of the Merger, Oil Search shareholders will own approximately 38.5 per cent of the merged entity and Santos shareholders will own approximately 61.5 per cent.

The Oil Search Board of Directors unanimously recommends that Oil Search shareholders vote in favour of the Merger and each Oil Search Director intends to vote all the shares they hold or control in Oil Search in favour of the Merger (in the absence of a superior proposal and subject to an Independent Expert concluding that the Merger is in the best interests of the Oil Search shareholders).

The combination of Santos and Oil Search will create a regional champion of size and scale with the following features:

- Diversified portfolio of high quality, long-life, low-cost assets across Australia, Timor-Leste, Papua New Guinea and North America with significant growth optionality

- Pro-forma market capitalisation of approximately A\$21 billion which would position the merged entity in the top-20 ASX-listed companies and the 20 largest global oil and gas companies¹
- Pro-forma 2021 production of approximately 116 million barrels of oil equivalent²
- Pro-forma 2P+2C resource base of 4,867 million barrels of oil equivalent³
- Investment grade balance sheet with more than US\$5.5 billion⁴ of liquidity to self-fund development projects, whilst maintaining further optionality and flexibility to optimise the portfolio
- Target gearing of less than 30 per cent
- Strong ESG credentials including maintaining Santos' net-zero emissions target by 2040, focus on carbon capture and storage projects and Oil Search's social and community investment in Papua New Guinea and North America
- Santos expects the Merger to unlock pre-tax synergies of US\$90-115 million per annum (excluding integration and other one-off costs) creating value for both sets of shareholders. Santos has an excellent track record of integration and recently merged Quadrant Energy's WA and ConocoPhillips' NT business units into Santos, delivering more than US\$160 million in annual synergies
- The Merger is expected to create greater alignment in Papua New Guinea supporting the development of key projects including Papua LNG, delivering new jobs, helping to support the local economy, and continuing to support the development of and investment in PNG

Oil Search Chairman Rick Lee said: "Put simply, this merger provides Oil Search shareholders with a compelling opportunity to participate in a larger entity with significant scale, product mix, ESG and geographic diversity, and access to capital. The combined entity will have the capacity to deliver on an exciting pipeline of organic growth opportunities."

Santos Chairman Keith Spence said: "The merger represents an attractive combination of two industry leaders to create a regional champion of quality, size and scale with a unique and diversified portfolio of long-life, low-cost oil and gas assets."

"The merged entity will be well positioned for success in the new era of oil and gas, with strong cashflow generation from a diverse range of assets providing a platform to self-fund growth and deliver shareholder returns."

"We look forward to integrating our businesses to create one high performing team – with a vision of becoming a global leader in the energy transition," Mr Spence said.

Oil Search Acting Chief Executive Officer Peter Fredricson said: "We see significant benefits for our shareholders in this merger, not least in the access that Santos brings to a broader range of more liquid global debt capital markets to fund growth projects."

The combined Santos and Oil Search will be led by Santos Managing Director and Chief Executive Officer Kevin Gallagher, who said: "Santos and Oil Search will be stronger together and will have increased scale and capacity to drive a combined disciplined, low-cost operating model and unrivaled growth opportunities over the next decade."

"The merger will create a company with a balance sheet and strong cashflows necessary to successfully navigate the transition to a lower carbon future with the combination of Santos'

leading CCS capability combining with Oil Search's ESG programs in PNG and Alaska to provide a strong foundation."

Following the completion of the Merger, three non-executive directors from Oil Search will join the Santos Board. Santos' head office will remain in Adelaide.

This release contains forward looking statements that are subject to risk factors associated with the oil and gas industry. It is believed that the expectations reflected in these statements are reasonable, but they may be affected by a range of variables which could cause actual results or trends to differ materially, including but not limited to: price fluctuations, actual demand, currency fluctuations, geotechnical factors, drilling and production results, gas commercialisation, development progress, operating results, engineering estimates, reserve estimates, loss of market, industry competition, environmental risks, physical risks, legislative, fiscal and regulatory developments, economic and financial markets conditions in various countries, approvals and cost estimates.

The estimates of petroleum reserves and contingent resources contained in this release are as at 31 December 2020. Unless otherwise stated, the pro-forma petroleum reserve and resource estimates in this release are expressed as a combination of (by arithmetic summation): a) Santos' petroleum resource estimates sourced from, and quoted as at the balance date (i.e. 31 December) of the Reserves Statement in Santos' most recent Annual Report released to the Australian Securities Exchange (ASX). b) Oil Search resource estimates sourced from, and quoted as at the balance date (i.e. 31 December) of the Reserves Statement in Oil Search's most recent Annual Report released to ASX. Santos is not aware of any new information or data that materially affects the estimates of reserves and contingent resources, and the material assumptions and technical parameters underpinning the estimates continue to apply and have not materially changed.

Santos has conducted due diligence in relation to Oil Search's petroleum estimates but has not independently verified all such information and expressly disclaims any responsibility for it, to the maximum extent permitted by law. No representation or warranty, express or implied, is made as to the fairness, currency, accuracy, adequacy, reliability or completeness of Oil Search's petroleum estimates. Given Santos has not independently validated Oil Search's petroleum estimates, it should not be regarded as reporting, adopting or otherwise endorsing those estimates.

Santos prepares its petroleum reserves and contingent resources estimates in accordance with the 2018 Petroleum Resources Management System (PRMS) sponsored by the Society of Petroleum Engineers (SPE). Unless otherwise stated, all references to petroleum reserves and contingent resources quantities in this release are net share. Reference points for Santos' petroleum reserves and production are defined points within Santos' operations where normal exploration and production business ceases, and quantities of produced product are measured under defined conditions prior to custody transfer. Fuel, flare and vent consumed to the reference points are excluded. Petroleum reserves are aggregated by arithmetic summation by category and as a result, proved reserves may be a very conservative estimate due to the portfolio effects of arithmetic summation. Petroleum reserves are typically prepared by deterministic methods with support from probabilistic methods. Petroleum reserves replacement ratio is the ratio of the change in petroleum reserves (excluding production) divided by production. Organic reserves replacement ratio excludes net acquisitions and divestments. Conversion factors: 1PJ of sales gas and ethane equals 171,937 boe; 1 tonne of LPG equals 8.458 boe; 1 barrel of condensate equals 0.935 boe; 1 barrel of crude oil equals 1 boe.

The estimates of Santos' petroleum reserves in this release are based on and fairly represent information and supporting documentation prepared by, or under the supervision of Mr Paul Lyford who is a full-time employee of Santos and a member of the SPE. Mr. Lyford meets the requirements of QPRRE as defined in Chapter 19 and rule 5.41 of the ASX Listing Rules and consents to the inclusion of this information in the form and context in which they appear in this release.

This announcement contains forward-looking statements, including in relation to synergy estimates. By their nature, such statements, including in relation to synergy estimates and such forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will or may occur in the future and are outside the control of Oil Search. Actual outcomes may differ materially from those expressed in such statements, due to a variety of factors, including: oil and gas prices; the extent and duration of the impact of current market conditions including but not limited to currency fluctuations; the demand for oil; the impact of COVID-19; overall global economic and business conditions impacting our business; development and use of new technology; drilling results; field performance; the timing of field development; reserves depletion; progress on gas commercialisation; the actions of third parties including our competitors, partners, contractors, subcontractors, and others; regulatory and governmental issues and approvals; and other factors.

The estimates of Oil Search's petroleum reserves and contingent resources contained in this release are as at 31 December 2020. Unless otherwise stated, the pro-forma petroleum reserve and resource estimates in this release are expressed as a combination of (by arithmetic summation): a) Oil Search's petroleum resource estimates sourced from, and quoted as at the balance date (i.e. 31 December 2020) of the Reserves Statement in Oil Search's most recent Annual Report released to the ASX and PNGX. b) Santos resource estimates sourced from, and quoted as at the balance date (i.e. 31 December) of the Reserves Statement in Santos' most recent Annual Report released to ASX. Oil Search is not aware of any new information or data that materially affects the estimates of reserves and contingent resources, and the material assumptions and technical parameters underpinning the estimates continue to apply and have not materially changed.

Oil Search has conducted due diligence in relation to Santos' petroleum estimates but has not independently verified all such information and expressly disclaims any responsibility for it, to the maximum extent permitted by law. No representation or warranty, express or implied, is made as to the fairness, currency, accuracy, adequacy, reliability or completeness of Santos' petroleum estimates. Given Oil Search has not independently validated Santos' petroleum estimates, it should not be regarded as reporting, adopting or otherwise endorsing those estimates.

Oil Search prepares its petroleum reserves and contingent resources estimates in accordance with the 2007 Petroleum Resources Management System (PRMS) sponsored by the Society of Petroleum Engineers (SPE). Unless otherwise stated, all references to petroleum reserves and contingent resources quantities in this release are net share. The following reference points for Oil Search's petroleum reserves and production are assumed: (i) Oil volumes, include both oil and condensate recovered by lease processing, where reference point is at the outlet of the relevant process facility. Volumes are adjusted to stock-tank using field standard conditions; (ii) Hides GTE, the custody transfer point at the wellhead; (iii) PNG LNG Project, the outlet to the LNG plant; (iv) SE Gobe gas, the outlet to the Gobe facility; and (v) fuel, flare and shrinkage upstream of the reference points have been excluded. Petroleum reserves are aggregated by arithmetic summation by category and as a result, proved reserves may be a very conservative estimate due to the portfolio effects of arithmetic summation. Petroleum reserves are typically estimated by deterministic methods with support from probabilistic methods. Conversion factors: Oil Search converts gas reserves to boe at the PNG LNG-specific ratio of 5100 scf/boe. Contingent resource gas converted to boe at 6000 scf/boe.

The estimates of Oil Search's petroleum reserves in this release are based on and fairly represent information and supporting documentation prepared by, or under the supervision of Mr Andrei Judzewitsch who is a full-time employee of Oil Search and a member of the SPE. Mr. Judzewitsch meets the requirements of QPRRE as defined in Chapter 19 and rule 5.41 of the ASX Listing Rules and consents to the inclusion of this information in the form and context in which they appear in this release.

This ASX announcement was approved and authorised for release by Kevin Gallagher, Managing Director and Chief Executive Officer of Santos, and Peter Fredricson, Acting Chief Executive Officer of Oil Search.

3.2 Best endeavours and co-operation

Without prejudice to any other obligations of the parties under this Deed:

- (a) STO must, to the extent it is within its power to do so, use its best endeavours to:
 - (i) satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(h) (ASX Listing Rule 7.1 Waiver), 3.1(i) (Quotation approval for New STO Shares), 3.1(n) (No STO Prescribed Occurrence), 3.1(o) (No STO Material Adverse Change) and 3.1(p) (No STO Regulated Event) as soon as practicable after the date of this Deed; and
 - (ii) ensure that such Conditions Precedent referred to in clause 3.2(a)(i) continue to be satisfied at all times until the last time that the relevant clause provides that they are to be satisfied;
- (b) OSH must, to the extent it is within its power to do so, use its best endeavours to:
 - (i) satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(a) (OSH Shareholder approval), 3.1(b) (Court approval), 3.1(j) (No OSH Prescribed Occurrence), 3.1(k) (No OSH Material Adverse Change), 3.1(l) (No OSH Regulated Event) and 3.1(m) (Independent Expert's Report), as soon as practicable after the date of this Deed; and
 - (ii) ensure that such Conditions Precedent referred to in clause 3.2(b)(i) continue to be satisfied at all times until the last time that the relevant clause provides that they are to be satisfied;
- (c) each party must, to the extent that it is within their respective control and power to do so, use its best endeavours to:
 - (i) as soon as practicable after the date of this Deed agree in writing (each acting reasonably) any other Regulatory Approvals which they consider are necessary or desirable to implement the Merger;
 - (ii) satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(d) (PNG Securities Commission), 3.1(e) (ICCC Clearance), 3.1(f) (CFIUS Approval) and 3.1(g) (Other regulatory approvals) as soon as practicable after the date of this Deed;
 - (iii) ensure that such Conditions Precedent referred to in clause 3.2(c)(i) continue to be satisfied at all times until the last time that the relevant clause provides that they are to be satisfied; and

- (iv) ensure that the Condition Precedent in clause 3.1(c) (No restraints) is not triggered; and
- (d) neither party will, and will procure that each of its Controlled Entities does not, take any action that will or is likely to hinder or prevent the satisfaction of any Condition Precedent (or hinder or prevent any Condition Precedent from remaining satisfied), except to the extent that such action is expressly required to be done or procured under the Transaction Documents, or is required by law, provided that STO is not required to accept or agree to any actual, potential or proposed condition by a Governmental Agency with respect to a Regulatory Approval in clause 3.1(d) (PNG Securities Commission), 3.1(e) (ICCC Clearance), 3.1(f) (CFIUS Approval) or 3.1(g) (Other regulatory approvals), or in respect of clause 3.1(f) (CFIUS Approval), any request from CFIUS to enter into a mitigation agreement, as a condition of CFIUS Approval, in each case which is not acceptable to STO (acting reasonably).

3.3 Benefit and waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a) to 3.1(i) (inclusive) are for the benefit of each party, and (except in the cases of the Conditions Precedent in clauses 3.1(a), 3.1(b), 3.1(d), 3.1(e), 3.1(f), 3.1(g) and 3.1(i), which cannot be waived) any breach or non-fulfilment of any of those Conditions Precedent may only be waived with the written consent of both parties.
- (b) The Conditions Precedent in clauses 3.1(j) to 3.1(l) (inclusive) are for the sole benefit of STO, and any breach or non-fulfilment of any of those Conditions Precedent may only be waived by STO giving its written consent.
- (c) The Conditions Precedent in clauses 3.1(m) to 3.1(p) (inclusive) are for the sole benefit of OSH, and any breach or non-fulfilment of any of those Conditions Precedent may only be waived by OSH giving its written consent.
- (d) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.3 may do so in its absolute discretion.
- (e) If a waiver by a party of a Condition Precedent is itself expressed to be conditional and the other party accepts the conditions, the terms of the conditions apply accordingly. If the other party does not accept the conditions, the relevant Condition Precedent has not been waived.
- (f) If a party waives the breach or non-fulfilment of a Condition Precedent, that waiver will not preclude it from suing the other party for any breach of this Deed constituted by the same event that gave rise to the breach or non-fulfilment of the Condition Precedent.
- (g) Waiver of a breach or non-fulfilment in respect of one Condition Precedent does not constitute:
 - (i) a waiver of breach or non-fulfilment of any other Condition Precedent resulting from the same events or circumstances; or
 - (ii) a waiver of breach or non-fulfilment of that Condition Precedent resulting from any other event or circumstance.

3.4 Failure of Conditions Precedent

- (a) Subject to clause 3.9, if:
 - (i) there is a breach or non-fulfilment of a Condition Precedent that is not waived in accordance with clause 3.3 by the time or date specified in this Deed for the satisfaction of the Condition Precedent;

- (ii) there is an act, failure to act or occurrence which does or will prevent a Condition Precedent being satisfied by the time or date specified in this Deed for the satisfaction of the Condition Precedent; or
- (iii) a Condition Precedent will not be, or is not, satisfied by the earlier of the time and date specified in this Deed for the satisfaction of that Condition Precedent and the End Date,

then either party may give the other party written notice (**Consultation Notice**) requiring the parties to promptly consult in good faith with a view to determining whether:

- (iv) the Transaction may proceed by way of alternative means or methods;
 - (v) to extend the relevant time or date for satisfaction of the Condition Precedent;
 - (vi) to change the First Court Date or to adjourn the application for the First Court Order to another date agreed by the parties;
 - (vii) to change the Second Court Date or to adjourn the application for the Second Court Order to another date agreed by the parties;
 - (viii) to extend the End Date; or
 - (ix) do any combination of the matters listed in clauses 3.4(a)(iv) to 3.4(a)(viii) (inclusive).
- (b) If the parties are unable to reach agreement under clauses 3.4(a)(iv), 3.4(a)(v), 3.4(a)(vi), 3.4(a)(vii), 3.4(a)(viii), or 3.4(a)(ix) within the earlier of five Business Days after the date on which a Consultation Notice is given or by the End Date, then (unless the relevant Condition Precedent has been waived in accordance with clause 3.3 or the party entitled to waive the relevant Condition Precedent in accordance with clause 3.3 confirms in writing to the other party that it will not rely on the event or occurrence that would or does prevent the relevant Condition Precedent from being satisfied, or would mean the relevant Condition Precedent would or will not otherwise be satisfied) either party may terminate this Deed by notice in writing to the other party without liability to the other party because of that termination, unless the relevant occurrence or the failure of the Condition Precedent to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach by the terminating party of this Deed (for the avoidance of doubt, in such circumstances, the party which is not the terminating party of this Deed may still terminate this Deed if it is entitled to do so under the terms of this Deed) or the relevant Condition Precedent is stated in clause 3.3 to be for the sole benefit of the other party.
- (c) If at any time before the End Date either party advises the other that they consider that any of the Conditions Precedent will be unable to be satisfied before the End Date, then the parties agree to meet and discuss in good faith. If both parties agree that any Condition Precedent is unable to be satisfied before the End Date, then this Deed can be terminated by agreement by both parties in writing.
- (d) For the avoidance of doubt, nothing in this clause 3.4(b) or clause 3.4(c) affects the obligation of OSH to pay the OSH Break Fee, or the obligation of STO to pay the STO Break Fee, if it is required to do so under this Deed.

3.5 Certain notices

- (a) If a party becomes aware that any Condition Precedent has been satisfied or of any material progress towards such satisfaction, it must promptly notify the other in writing of that fact.

- (b) If a party becomes aware of a breach or non-fulfilment of a Condition Precedent, or that an event has occurred that will or would be reasonably likely to prevent a Condition Precedent from being satisfied (or mean that any Condition Precedent will not otherwise be satisfied) before the time and date specified for its satisfaction (or being satisfied prior to the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date, it must notify the other in writing of that fact as soon as possible and in any event within 2 Business Days.
- (c) Without limiting clause 3.4(b) or clause 3.4(c), if a Condition Precedent is not satisfied by the time and date specified, the parties agree that (unless there is not a reasonable prospect that the Condition Precedent will be satisfied before the End Date) STO may request that OSH must make an application to defer the Second Court Date until such time (not later than the Business Day before the End Date) as reasonably required to enable the relevant Condition Precedent to be satisfied and OSH must comply with any such request from STO.
- (d) Each party must promptly advise each other orally and in writing of any change, circumstance, fact, matter or event causing, which has caused, or which, so far as can reasonably be foreseen, would or would be reasonably likely to cause:
 - (i) a breach or non-fulfilment of any of the Conditions Precedent;
 - (ii) a representation or warranty provided in this Deed by the relevant party to be inaccurate; or
 - (iii) a material breach of this deed by the relevant party.

3.6 Certificates in relation to Conditions Precedent

- (a) On the Second Court Date, each party must provide to the Court a certificate signed by that party (or such other evidence as the Court may request) confirming (in respect of matters within its knowledge) whether or not as at 8:00am on the Second Court Date the Conditions Precedent (other than the Condition Precedent in clause 3.1(b)) have been satisfied or waived in accordance with this Deed.
- (b) Each party must provide to the other party a draft of the relevant certificate to be provided by it under clause 3.6(a) by 5:00pm on the day that is two Business Days prior to the Second Court Date, and must provide to the other party on the Second Court Date a copy of the final certificate or other evidence provided to the Court.

3.7 Court approval

If the Court's approval of the Scheme in accordance with section 250(1) of the PNG Companies Act would impose any terms or conditions other than those set out in the Scheme, then each such term or condition must be approved in writing by STO and OSH (both acting reasonably) prior to the Court granting the final orders and if not so agreed, the Condition in clause 3.1(b) will not be satisfied.

3.8 Receipt of Regulatory Approvals

Without limiting clause 3.2:

- (a) both parties must apply for the Regulatory Approval in clause 3.1(d) (PNG Securities Commission) as soon as practicable (and in any event within 5 Business Days after the date of this Deed);
- (b) in respect of the Regulatory Approval in clause 3.1(f) (CFIUS Approval), both parties must:

- (i) prepare and file the Declaration as soon as practicable (and in any event within 20 Business Days after the date of this Deed) unless the parties otherwise mutually agree to another time period;
 - (ii) if the parties receive written notification from CFIUS requesting that the parties file a Joint Voluntary Notice, promptly prepare and file the Joint Voluntary Notice and, in any event, not later than 10 Business Days after the receipt of such written notice from CFIUS, unless the parties otherwise mutually agree to another time period or CFIUS provides a submission deadline; and
 - (iii) negotiate in good faith and promptly respond to any request from CFIUS to enter into a mitigation agreement, as a condition of CFIUS Approval, to the extent acceptable to STO;
- (c) in respect of any Regulatory Approval in clause 3.1(g) (Other regulatory approvals), the parties must, or the relevant party required to make the relevant Regulatory Approval application must, apply for that Regulatory Approval as soon as practicable;
- (d) in respect of the Regulatory Approvals in clauses 3.1(d) (PNG Securities Commission), 3.1(f) (CFIUS Approval) and 3.1(g) (Other regulatory approvals), the parties must:
 - (i) provide such assistance and information to the other party in respect of any relevant Regulatory Approval application as the other party may reasonably request;
 - (ii) take all reasonable steps required as part of the approval process in respect of any such application, including promptly responding to reasonable requests for information, documents or other materials from the other party or a Governmental Agency at the earliest practicable time or otherwise within the timeframe set forth by the relevant Governmental Agency (including after filing of the Declaration and if necessary a Joint Voluntary Notice), provided that STO is not required to accept or agree to any actual, potential or proposed condition by a Governmental Agency with respect to a Regulatory Approval in clause 3.1(d) (PNG Securities Commission), 3.1(f) (CFIUS Approval) or 3.1(g) (Other regulatory approvals), or in respect of clause 3.1(f) (CFIUS Approval), any request from CFIUS to enter into a mitigation agreement, as a condition of CFIUS Approval, in each case which is not acceptable to STO (acting reasonably);
 - (iii) in respect of the relevant Regulatory Approval application, provide the other party with:
 - (A) drafts of any material written communications to be sent to a Governmental Agency and, to the extent practicable, allow the other party a reasonable opportunity to review the draft and take into account all reasonable comments from the other party on the draft prior to them being sent; and
 - (B) reasonable notice of any approach, contact or discussions with a Governmental Agency and a reasonable opportunity to attend and participate in any discussions with Governmental Agencies in respect of the relevant Regulatory Approval (other than to the extent, or for any part of such discussion during which, any confidential or commercially sensitive information of the other party or its Controlled Entities is to be discussed). For the avoidance of doubt, this clause 3.8(d)(iii)(B) does not apply to any approach, contact or discussions with a Governmental Agency in the ordinary course of the relevant party's business (provided

that the relevant party does not engage in any discussion regarding a relevant Regulatory Approval as part of any such approach, contact or discussion); and

- (iv) keep the other party informed of any material discussions or correspondence with Governmental Agencies and promptly provide the other party with copies of any material written communications received from Governmental Agencies, in each case to the extent they relate to the Regulatory Approvals in clauses 3.1(d) (PNG Securities Commission), 3.1(f) (CFIUS Approval) or 3.1(g) (Other regulatory approvals),

provided that a party may withhold or redact information or documents from the other party, if and to the extent that they are either confidential to a third party (or are required by a Governmental Agency, including CFIUS, to remain confidential from the other party) or commercially sensitive and confidential to the first-mentioned party. A party is not prevented from taking any step (including communicating with a Governmental Agency) in respect of the Regulatory Approvals in clauses 3.1(d) (PNG Securities Commission), 3.1(f) (CFIUS Approval) or 3.1(g) (Other regulatory approvals) if the other party has not responded within a reasonable period to any communication under this clause 3.8(d), provided it notifies the other party in writing prior to doing so; and

- (e) STO must:
 - (i) apply for the Regulatory Approval in clause 3.1(e) (ICCC Clearance) as soon as practicable (and in any event within 20 Business Days after the date of this Deed) and OSH must provide such assistance and information in respect of any such application as STO may reasonably request, and each party must take all reasonable steps required as part of the approval process in respect of any such application, including promptly responding to reasonable requests for information, documents or other materials from the other party or a Governmental Agency at the earliest practicable time or otherwise within the timeframe set forth by the relevant Governmental Agency, provided that STO is not required to accept or agree to any actual, potential or proposed condition by a Governmental Agency with respect to a Regulatory Approval in clause 3.1(e) (ICCC Clearance) which is not acceptable to STO (acting reasonably);
 - (ii) in respect of the Regulatory Approval application in clause 3.1(e) (ICCC Clearance), provide:
 - (A) OSH with drafts of any material written communications to be sent to a Governmental Agency and, to the extent practicable, allow OSH a reasonable opportunity to review the draft and take into account all reasonable comments from OSH on the draft prior to them being sent; and
 - (B) reasonable notice of any approach, contact or discussions with a Governmental Agency and provide OSH with a reasonable opportunity to attend and participate in any discussions with Governmental Agencies in Papua New Guinea in respect of the Regulatory Approval in clause 3.1(e) (ICCC Clearance) (other than to the extent, or for any part of such discussion during which, any confidential or commercially sensitive information of the STO Group is to be discussed). For the avoidance of doubt, this clause 3.8(e)(ii)(B) does not apply to any approach, contact or discussions with a Governmental Agency in the ordinary course of STO's business (provided that STO does not engage in any discussion

regarding the Regulatory Approval in clause 3.1(e) (ICCC Clearance) as part of any such approach, contact or discussion); and

- (iii) keep OSH informed of any material discussions or correspondence with Governmental Agencies and promptly provide OSH with copies of any material written communications received from a Governmental Agencies, in each case to the extent they relate to the Regulatory Approval in clause 3.1(e) (ICCC Clearance); and

- (f) This clause 3.8 prevails to the extent of any inconsistency with the Confidentiality Deed.

3.9 OSH Regulated Events and STO Regulated Events

In respect of the Conditions Precedent in clauses 3.1(l) and 3.1(p), if:

- (a) an OSH Regulated Event occurs between (and including) the date of this Deed and 8:00am on the Second Court Date, the Condition Precedent in clause 3.1(l) will not be taken to be breached, not fulfilled or not satisfied as a result of the occurrence of the relevant OSH Regulated Event, unless:
 - (i) STO has given written notice to OSH in accordance with clause 3.5(b), and such notice also sets out the relevant circumstances of the breach, non-fulfilment or non-satisfaction; and
 - (ii) the relevant circumstances continue to exist for five Business Days from the time the notice is given under clause 3.5(b) (or any shorter period ending at 8:00am on the Second Court Date); or
- (b) an STO Regulated Event occurs between (and including) the date of this Deed and 8:00am on the Second Court Date, the Condition Precedent in clause 3.1(p) will not be taken to be breached, not fulfilled or not satisfied as a result of the occurrence of the relevant STO Regulated Event, unless:
 - (i) OSH has given written notice to STO in accordance with clause 3.5(b), and such notice also sets out the relevant circumstances of the breach, non-fulfilment or non-satisfaction; and
 - (ii) the relevant circumstances continue to exist for five Business Days from the time the notice is given under clause 3.5(b) (or any shorter period ending at 8:00am on the Second Court Date).

4 Scheme Structure

4.1 Outline of the Scheme

Subject to the Scheme becoming Effective, as part of the implementation of the Scheme and in accordance with the terms of this Deed and the Scheme:

- (a) all Scheme Shares will be transferred to STO (or its nominee); and
- (b) in exchange, each Scheme Shareholder will receive the Scheme Consideration.

4.2 Scheme Consideration

Subject to the terms and conditions of this Deed and the Scheme becoming Effective, STO must on the Implementation Date:

- (a) allot and issue the New STO Shares to Scheme Shareholders in accordance with the Scheme on terms such that each New STO Share will rank equally in all respects with each existing STO Share;
- (b) do everything reasonably necessary to ensure that the STO Shares (including the New STO Shares) are approved for official quotation on ASX and that trading in the New STO Shares commences by the first Business Day after the Implementation Date; and
- (c) ensure that on issue, each New STO Share will be fully paid and free from any Encumbrance or other security interest.

4.3 Fractional Entitlements

- (a) Where the calculation of the aggregate number of New STO Shares to be issued to a particular Scheme Shareholder would result in the issue of a fraction of a New STO Share, the number will be rounded down to the nearest whole number of New STO Shares with fractions of 0.5 or more being rounded up.
- (b) If STO and OSH are of the opinion (formed reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with clause 4.3(a)) have, before the Record Date, been party to shareholding splitting or division in an attempt to obtain an advantage by reference to such rounding, then OSH and STO must consult in good faith to determine whether such matters have arisen and if agreement is reached between OSH and STO following such consultation, OSH must give notice to those Scheme Shareholders:
 - (i) setting out their names and registered addresses;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the OSH Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice will, for the purposes of the Scheme, be taken to hold all of those OSH Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme, be taken to hold no OSH Shares.

4.4 Treatment of Ineligible Foreign Shareholders

- (a) STO has no obligation to allot or issue New STO Shares to an Ineligible Foreign Shareholder under the Scheme and, instead (subject to the terms of the Scheme):
 - (i) STO must issue the New STO Shares attributable to, and which would otherwise be required to be provided to, the Ineligible Foreign Shareholder under the Scheme to the Sale Agent;
 - (ii) STO must procure that, as soon as reasonably practicable after the Implementation Date, the Sale Agent sells or procures the sale (including on an aggregated or partially aggregated basis) of all the New STO Shares issued to the Sale Agent in the manner, and on the terms the Sale Agent determines in good faith. For the purpose of this clause 4.4, the **Proceeds** will be the proceeds of such sale by the Sale Agent of all of the New STO Shares contemplated by

this clause 4.4 after deduction of any applicable brokerage, stamp duty and other costs, taxes and charges incurred in connection with the sale of the New STO Shares; and

- (iii) STO must procure that the Sale Agent pay, or procure the payment, to each Ineligible Foreign Shareholder of the amount calculated in accordance with the following formula and rounded down to the nearest cent:

$$A=(B/C) \times D$$

where:

- A** is the amount to be paid to the Ineligible Foreign Shareholder;

 - (iv) provide information to the other party concerning the OSH or STO (as applicable) directors' and management's consideration of the Scheme or any actual or potential Competing Proposal in respect of that party, but this proviso does not limit a party's obligations under clause 12; or
 - (v) provide any confidential, competitively sensitive or privileged information where the provision of such information is reasonably likely to cause prejudice to the commercial or legal interests of the OSH Group or STO Group (as applicable) taken as a whole, or would be reasonably likely to jeopardise any attorney-client, work product or other legal privilege,
- provided that the parties agree to discuss in good faith the approach to disclosure of any information which would otherwise be required to be provided under this clause 7.3 or 7.4 if an exception in this clause 7.3(c) did not apply.
- (d) **(Protocols):** As soon as practicable after the date of this deed, the parties agree to negotiate in good faith any necessary amendments to any applicable protocols to enable each party to comply with its obligations under this clause 7.

7.4 Integration planning

- (a) On and from the date of this Deed, the parties agree to establish a committee (**Integration Committee**) comprised of an equal number of representatives from OSH and STO as notified by each party to the other from time to time.
- (b) Without limiting clause 7.3, the role of the Integration Committee will be to oversee implementation of the Scheme and to act as a forum for discussion and planning and sharing of information in respect of the following:
- (i) matters related to integration planning, including employee retention and incentivisation, employee performance and costs, stakeholder engagement and communications, business operations (including in relation to the PNG and Australian operations of the OSH Group) and functions or processes;
 - (ii) the supporting information used to prepare, or contained in, the quarterly reports of both parties released to ASX and/or PNGX (as applicable);
 - (iii) who the senior management of STO following implementation of the Merger will be (other than the Chief Executive Officer) based on the principle that the best executive for the job will be offered the relevant role having regard to the skills, experience, knowledge and expertise required to manage STO and its assets (including relevant employee records);
 - (iv) the process referred to in clause 7.5;

- (v) any actions restricted by clause 7.1 which a party wishes to undertake with the agreement of the other party (or which otherwise require consultation and discussion with the other party); and
 - (vi) any other matters as the parties may agree from time to time.
- (c) Each party must ensure that its representatives on the Integration Committee act in good faith in their capacity as members of the Integration Committee with a view to fulfilling the role and objectives of such committee (to the extent within their power).
- (d) The Integration Committee will meet at such times and places as agreed between the members of the Integration Committee from time to time but will meet no less than fortnightly or as otherwise agreed between the members of the Integration Committee. Meetings may be held via telephone or other forms of technology that provide representatives with an opportunity to participate.
- (e) The members of the Integration Committee may agree to invite other persons to attend meetings of the Integration Committee from time to time.
- (f) From time to time, certain members of the Integration Committee or other representatives of the parties (as agreed between the parties) will meet separately to meetings of the Integration Committee to discuss and progress matters considered or plans developed by the Integration Committee.
- (g) The parties acknowledge and agree that:
 - (i) the Integration Committee is a discussion and planning forum only, and the members of the Integration Committee do not have power to bind the other party or to give any consent, approval or waiver on behalf of such other party;
 - (ii) nothing in this clause 7.4 or elsewhere in this Deed requires a party to:
 - (A) act at the direction of the other party or is intended to create a relationship of partnership, joint venture or similar between the parties;
 - (B) disclose information which would waive legal professional privilege or is commercial in confidence or commercially sensitive information; or
 - (C) take any action that would reasonably be expected to conflict with or violate the party's constituent documents or any law;
 - (iii) nothing in this clause 7.4 or elsewhere in this Deed gives a party a right to undertake further due diligence;
 - (iv) the respective businesses of the OSH Group and STO Group are to continue to operate independently until (and subject to) implementation of the Scheme; and
 - (v) nothing in this clause 7.4 requires:
 - (A) any of OSH's representatives on the Integration Committee to do anything which would unduly interfere with their responsibilities to OSH and the ongoing conduct of OSH's business; and
 - (B) any of STO's representatives on the Integration Committee to do anything which would unduly interfere with their responsibilities to STO and the ongoing conduct of STO's business.

7.5 Change of control consents

As soon as practicable after the date of this Deed, OSH and STO must seek to identify any change of control or unilateral termination rights in material contracts to which OSH or another

OSH Group Member is party which may be triggered by or exercised in response to the implementation of the Transaction. In respect of those contracts:

- (a) OSH and STO will use reasonable endeavours to agree a proposed course of action (which, among other things, will have due regard to applicable legal restrictions) and then OSH will initiate contact, including joint discussions if required, with the relevant counterparties and request that they provide any consents or confirmations required or appropriate;
- (b) OSH must use reasonable endeavours to obtain, prior to 7:00am on the Second Court Date, any required consents or confirmations. A failure by an OSH Group Member to obtain any required consents or confirmations, or the exercise of a termination right by a relevant counterparty, will not constitute a breach of this Deed by OSH and, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this Deed;
- (c) STO must not contact any counterparties in relation to the process set out in this clause 7.5 without OSH present or without OSH's prior written consent and must cooperate with, and provide reasonable assistance to, OSH to obtain such consents or confirmations as expeditiously as possible; and
- (d) STO and OSH must each use its best endeavours to comply with any requirements of the counter-parties that are reasonably necessary to obtain the relevant consent or confirmation,

but nothing in this clause requires OSH or STO to incur material expense.

7.6 Confidentiality Deed and Standstill

- (a) The parties acknowledge that all information that is provided under or in connection with this Deed will be provided subject to the terms of the Confidentiality Deed, which continues to have full force and effect subject to this Deed and survives the termination of this Deed.
- (b) The parties acknowledge and agree that the standstill in clause 28 of the Confidentiality Deed continues in full force and effect, in accordance with the terms of the Confidentiality Deed, and that, where the End Date is after 6 May 2022, the term of the obligations in clause 33 of the Confidentiality Deed, and the term of the restrictions in clauses 34, 36 and 38 of the Confidentiality Deed, will be extended until the End Date (subject to clauses 35 and 37 of the Confidentiality Deed, as applicable).

8 OSH Board Recommendation

8.1 Recommendation and Voting Statement

- (a) Subject to clauses 8.2 and 8.3, OSH must procure that:
 - (i) the OSH Board unanimously recommends to OSH Shareholders that they vote in favour of the Scheme in the absence of a Superior Proposal subject to the Independent Expert concluding in the Independent Expert's Report (or any update of, or any revision, amendment or supplement to, that report) that the Merger is in the best interests of OSH Shareholders (the **Recommendation**); and
 - (ii) each OSH Director will vote the voting rights attached to all OSH Shares over which he or she has control in favour of any OSH Shareholder resolutions to implement the Scheme and any related or ancillary transactions (in the absence of a Superior Proposal and subject to the Independent Expert opining that the Merger is in the best interests of OSH Shareholders) (the **Voting Statement**),

and, without limiting clause 11, OSH and STO must include statements to this effect in the ASX and PNGX (as applicable) announcements to be issued following execution of this deed and any subsequent public announcement made to the ASX and PNGX (as applicable) in relation to the Transaction.

- (b) Subject to clauses 8.2 and 8.3, OSH must procure that:
 - (i) each director of OSH does not:
 - (A) adversely change, withdraw or adversely modify or qualify the Recommendation or Voting Statement; or
 - (B) support or endorse a Competing Proposal in respect of OSH or recommend that OSH Shareholders accept or vote in favour of a Competing Proposal in respect of OSH; and
 - (ii) the Scheme Booklet includes a statement by the directors of OSH to the effect that each such director of OSH:
 - (A) recommends to OSH Shareholders that they vote in favour of the Scheme in the absence of a Superior Proposal subject to the Independent Expert concluding (and continuing to conclude) in the Independent Expert's Report (or any update of, or any revision, amendment or supplement to, that report) that the Merger is in the best interests of OSH Shareholders; and
 - (B) will, in the absence of a Superior Proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Merger is in the best interests of OSH Shareholders, vote (or procure the voting of) all OSH Shares held or controlled by him or her in favour of the Scheme at the Scheme Meeting.

8.2 Withdrawal of Recommendation or Voting Statement

The obligations in clause 8.1 cease to apply:

- (a) if the Independent Expert concludes in the Independent Expert's Report (or any update of, or any revision, amendment or supplement to, that report) that the Merger is not in the best interests of Scheme Shareholders;
- (b) if OSH has received a Competing Proposal which is a Superior Proposal;
- (c) in response to a requirement from the Court or a Governmental Agency that any director of OSH abstain from making his or her Recommendation; or
- (d) where a Governmental Agency imposes a condition in connection with the grant of a Regulatory Approval under clauses 3.1(d), 3.1(e), 3.1(f) or 3.1(g) and the OSH Board has determined, acting in good faith, that failing to withdraw, adversely change, modify or qualify their Recommendation or Voting Statement directly as a result of the imposing of such condition constitutes a breach of the fiduciary or statutory duties of the OSH Board.

8.3 Qualification of Recommendation or Voting Statement

For the purposes of clause 8.1 and 15.2, customary qualifications and explanations contained in:

- (a) the Scheme Booklet or any public announcement in relation to a Recommendation or Voting Statement to the effect that the Recommendation or Voting Statement is made:
 - (i) in the absence of a Superior Proposal;

- (ii) in respect of any public announcement issued before the issue of the Scheme Booklet, 'subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Merger is in the best interests of OSH Shareholders'; or
 - (iii) in respect of the Scheme Booklet or any public announcements issued at the time of or after the issue of the Scheme Booklet, 'subject to the Independent Expert continuing to conclude that the Merger is in the best interests of OSH Shareholders'; or
- (b) any public announcement or other statement made by OSH, the OSH Board or any director of OSH:
 - (i) to the effect that no action should be taken by OSH Shareholders pending the assessment of a Competing Proposal in respect of OSH by the OSH Board; or
 - (ii) to the effect that no action should be taken pending the completion of the matching right process set out in clause 12.5,

will not be regarded as a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a Recommendation or Voting Statement, or an endorsement or recommendation of a Competing Proposal, and will not contravene this clause 8 or trigger a right for STO to terminate this Deed under clause 15.2.

8.4 Independent Expert's conclusion

Without limiting the operation of clause 12 or the preceding provisions of this clause 8, if OSH receives or expects to receive an unfavourable report from the Independent Expert (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, that report) which may lead to any one or more members of the OSH Board adversely changing, withdrawing, adversely modifying or adversely qualifying their recommendation to vote in favour of the Scheme:

- (a) OSH must immediately notify STO of this fact; and
- (b) OSH and STO must consult in good faith for two Business Days after the date on which the notice under clause 8.4(a) is given to consider and determine whether there are any steps that can be taken to avoid such a change, withdrawal, modification or qualification (as applicable).

10 Releases

10.1 OSH directors and officers

- (a) Without limiting STO's right under clause 13, STO releases its respective rights, and agrees with OSH that it will not make a Claim, against any OSH Indemnified Party (other than OSH and any other OSH Group Member) as at the date of this Deed in connection with:
 - (i) any breach of any representations, covenants and warranties of OSH or any OSH Group Member in this Deed; or
 - (ii) any disclosures made (at any time) by any OSH Indemnified Party that contains any statement which is false or misleading whether in content or by omission, except to the extent that the relevant OSH Indemnified Party has engaged in wilful misconduct or has acted fraudulently. For the avoidance of doubt, nothing in this clause 10.1(a) limits STO's rights to terminate this Deed under clause 15.
- (b) This clause is subject to any Australian Corporations Act restriction, or any restriction in the law of a jurisdiction in which an entity is incorporated, and will (if and to the extent required) be read down accordingly.

- (c) OSH receives and holds the benefit of this clause to the extent it relates to each OSH Indemnified Party as trustee for each of them.

10.2 STO directors and officers

- (a) Without limiting OSH's right under clause 14, OSH releases its respective rights, and agrees with STO that it will not make a Claim, against any STO Indemnified Party (other than STO and any other STO Group Member) as at the date of this Deed in connection with:
 - (i) any breach of any representations, covenants and warranties of STO or any STO Group Member in this Deed; or
 - (ii) any disclosure made (at any time) by any STO Indemnified Party that contains any statement which is false or misleading whether in content or by omission, except to the extent that the relevant STO Indemnified Party has engaged in wilful misconduct or has acted fraudulently. - (b) This clause is subject to any Australian Corporations Act restriction, or any restriction in the law of a jurisdiction in which an entity is incorporated, and will (if and to the extent required) be read down accordingly.
- (c) STO receives and holds the benefit of this clause to the extent it relates to each STO Indemnified Party as trustee for each of them.

11 Public announcements

11.1 Announcement of the Transaction

Immediately after the execution of this Deed (or as otherwise agreed by STO and OSH), each of STO and OSH must issue a joint public announcement in a form previously agreed to in writing between the parties. The announcement must:

- (a) include the Recommendation and the Voting Statement;
- (b) refer to the execution of this Deed and any other documents relating to the Scheme; and
- (c) attach a copy of this Deed (excluding any commercially sensitive information).

11.2 Other public announcements

Prior to making any public announcement or disclosure of or in relation to the Transaction or any other transaction the subject of this Deed or the Scheme, each party must, to the extent reasonably practicable and lawful, consult with the other party as to the timing, form and content of that announcement or disclosure.

12 OSH and STO Exclusivity

12.1 No current discussions regarding a Competing Proposal

Each party represents and warrants to the other that, as at the time of execution of this Deed, it is not in any negotiations or discussions, and has ceased any negotiations or discussions, in respect of any Competing Proposal in respect of that party with any person.

12.2 No-shop, no talk and no due diligence

During the Exclusivity Period, each party must not, and must ensure that each of its Representatives, does not, directly or indirectly:

- (a) **(no shop):**

- (i) solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any actual, proposed or potential Competing Proposal in respect of that party (or any approach, discussion or inquiry which could reasonably be expected to lead to the same); or
 - (ii) communicate to any person an intention to do anything referred to in clause 12.2(a)(i);
- (b) **(no talk)** subject to clause 12.3:
 - (i) facilitate, participate in or continue any negotiations or discussions with any person with respect to any actual, proposed or potential Competing Proposal in respect of that party;
 - (ii) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding any actual, proposed or potential Competing Proposal in respect of that party; or
 - (iii) communicate to any person an intention to do anything referred to in clauses 12.2(b)(i) to 12.2(b)(ii) (inclusive).
- (c) **(no due diligence)** subject to clause 12.3:
 - (i) disclose or otherwise provide or make available any non-public information about the business or affairs of it or any of its Controlled Entities (**Non-public Party Information**) to a Third Party in connection with, with a view to obtaining, or which would reasonably be expected to encourage or lead to the formulation, development, finalisation, receipt or announcement of any actual, proposed or potential Competing Proposal in respect of that party (including, without limitation, providing such information for the purposes of the conduct of due diligence investigations in respect of it or any of its Controlled Entities) whether by that Third Party or another person; or
 - (ii) communicate to any person an intention to do anything referred to in clause 12.2(c)(i).

12.3 Limitation to no-talk and no due diligence

Clauses 12.2(b) and 12.2(c) do not prohibit or restrict any action or inaction by a party or any of their respective Representatives, in relation to a bona fide actual, proposed or potential Competing Proposal in respect of that party if the OSH Board or STO Board (as applicable), acting in good faith, has determined:

- (a) after consultation with its financial advisers and external legal advisers, that such Competing Proposal is, or may reasonably be expected to lead to a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, that compliance with those clauses would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the directors of OSH or STO (as applicable),

provided that the actual, proposed or potential Competing Proposal was not brought about by a breach of clause 12.2 or clause 12.4.

12.4 Notification

During the Exclusivity Period, each party must as soon as reasonably practicable (and in any event within 24 hours) notify the other party in writing if it, or any of its Representatives:

- (a) has received (whether written or otherwise or whether formal or informal) any actual, proposed or potential Competing Proposal in respect of that party, or any approach or inquiry which could reasonably be expected to lead to any actual, proposed or potential Competing Proposal in respect of that party; or
- (b) any request made by a Third Party for, or provision to a Third Party of, any Non-public Party Information (where such request is, to the knowledge of the OSH Board or the STO Board (as applicable), in connection with such Third Party formulating, developing or finalising, or assisting in the formation, development or finalisation of, any actual, proposed or potential Competing Proposal in respect of that party),

whether direct or indirect, solicited or unsolicited, and in writing or otherwise (each, a **Notifiable Proposal**).

Such notice must include all material terms and conditions of the Notifiable Proposal (including, but not limited to, price, form of consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and conditions precedent and the identity of the Third Party that made, and/or any Third Party stated to be involved in, the Notifiable Proposal) to the extent known by the relevant party and its Representatives.

12.5 STO matching right

- (a) During the Exclusivity Period, OSH must not, and must procure that each OSH Group Member does not, enter into any definitive agreement pursuant to which OSH or another OSH Group Member agrees to undertake or implement or otherwise give effect to an actual, proposed or potential Competing Proposal (and, for the avoidance of doubt, this does not include OSH entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential Competing Proposal that only provides for the provision of information, conduct of due diligence and other matters commonly found in a confidentiality agreement), and must procure that none of its directors (1) withdraws or adversely changes, modifies or qualifies their Recommendation or Voting Statement; or (2) supports or endorses a Competing Proposal in respect of OSH or recommends that OSH Shareholders accept or vote in favour of a Competing Proposal in respect of OSH, unless:
 - (i) the OSH Board acting in good faith and in order to satisfy what the OSH Board consider to be their statutory or fiduciary duties (having received written legal advice from its external legal advisers) determines that the actual, proposed or potential Competing Proposal is, would be or would be reasonably likely to be, a Superior Proposal;
 - (ii) OSH has provided STO with the material details of the actual, proposed or potential Competing Proposal, which will include the information referred to in clause 12.4;
 - (iii) OSH has given STO at least five Business Days after the date of the provision of the information referred to in clause 12.5(a)(ii) to provide a matching or superior proposal (which may include amendments to the terms of the Scheme) to the terms of the actual, proposed or potential Competing Proposal (**STO Counterproposal**); and
 - (iv) STO has not provided to OSH a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal by the expiry of the 5 Business Day period in clause 12.5(a)(iii).
- (b) If STO provides an STO Counterproposal to OSH by the expiry of the 5 Business Day period in clause 12.5(a)(iii), OSH must use reasonable endeavours to procure that the

OSH Board considers the STO Counterproposal and if the OSH Board determines that the STO Counterproposal would provide an equivalent or superior outcome for OSH Shareholders as a whole compared with the Competing Proposal in respect of OSH, taking into account all of the terms and conditions of the STO Counterproposal, then:

- (i) OSH and STO must use their best endeavours to agree the amendments to this Deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to give effect to and implement the STO Counterproposal, in each case as soon as reasonably practicable; and
 - (ii) OSH must procure that each OSH director continues to recommend the Transaction (as modified by the STO Counterproposal) to OSH Shareholders (other than as expressly permitted by this Deed).
- (c) For the purposes of this clause 12.5, each successive material modification of any actual, proposed or potential Competing Proposal in respect of OSH will constitute a new actual, proposed or potential Competing Proposal in respect of OSH, and the procedures set out in this clause 12.5 must again be followed prior to any member of the OSH Group entering into any definitive agreement of the type referred to in the first paragraph of clause 12.5(a) in respect of such actual, proposed or potential Competing Proposal.
- (d) Despite any other provision in this Deed, any public announcement or other statement by OSH, the OSH Board or any director of OSH to the effect that:
- (i) the OSH Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 12.5; or
 - (ii) OSH Shareholders should take no action pending the completion of the matching right process set out in this clause 12.5,
- does not of itself:
- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a Recommendation or Voting Statement or an endorsement of a Competing Proposal;
 - (iv) contravene clause 8 or any other provision of this Deed;
 - (v) give rise to an obligation to pay the OSH Break Fee under clause 13; or
 - (vi) give rise to a termination right under clause 15 or any other provision of this Deed.

12.6 Compliance with law

- (a) If it is finally determined by a court, or the Australian Takeovers Panel (to the extent applicable), that the agreement by the parties under this clause 12 or any part of it:
- (i) constituted, or constitutes, or would constitute a breach of the fiduciary or statutory duties of the OSH Board;
 - (ii) constitutes 'unacceptable circumstances'; or
 - (iii) is unlawful,
- then, to that extent (and only to that extent) OSH will not be obliged to comply with that provision of this clause 12.
- (b) The parties must not make, or cause or permit to be made, any application to a court or the Australian Takeovers Panel (to the extent applicable) for or in relation to a declaration or determination of a kind referred to in clause 12.6(a).

- (c) This clause 12 does not apply to the extent agreed by the parties in writing in the STO Disclosure Letter or OSH Disclosure Letter.

12.7 Normal provision of information

Subject to the other provisions of this Deed and the Confidentiality Deed, nothing in this clause 12 prevents a party from:

- (a) providing information to its Representatives;
- (b) providing information to any Governmental Agency;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;

If an adjustment event occurs in relation to a supply under or in connection with this Deed, the GST Amount will be recalculated in accordance with the GST Law to reflect that adjustment and an appropriate payment will be made between the parties and the Supplier shall issue a credit note or debit note to the recipient within 10 Business Days after becoming aware of the occurrence of the adjustment event.

A waiver is not valid or binding on the party granting that waiver unless made in writing and signed by the party granting the waiver.

18.13 Severability of provisions

Any provision of this Deed that is prohibited, invalid or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition, invalidity or unenforceability. That does not invalidate the remaining provisions of this Deed nor affect the validity or enforceability of that provision in any other jurisdiction. 5.1 Entitlement to Scheme Consideration

Subject to the terms of the Scheme, on the Implementation Date and in consideration for the transfer to STO of the Scheme Shares, each Scheme Shareholder (other than an Ineligible Foreign Shareholder or an Unmarketable Parcel Shareholder who has not provided an Opt-in Notice by the Opt-in Notice Date) will be entitled to receive as Scheme Consideration 0.6275 New STO Shares for each Scheme Share held by that Scheme Shareholder at the Record Date, as adjusted in accordance with clause 4.7 of the Merger Implementation Deed (if applicable).

Subject to clauses 5.3 to 5.9 (inclusive), STO must:

- (a) on or before the Implementation Date:
 - (i) issue and allot to each Scheme Shareholder such number of New STO Shares (if any) to which that Scheme Shareholder is entitled under this clause 5;
 - (ii) enter into the register of members of STO the name and address of each Scheme Shareholder in respect of the aggregate number of New STO Shares issued to them under clause 5.2(a)(i);
- (b) subject to clause 5.5, as soon as practicable after the Implementation Date and no later than 10 Business Days after the Implementation Date, send or procure the dispatch to each Scheme Shareholder, to their Registered Address as at the Record Date, a share certificate or holding statement (or equivalent document) representing the number of New STO Shares issued to that Scheme Shareholder pursuant to this Scheme.

5.3 Ineligible Foreign Shareholders

- (a) STO will be under no obligation under the Scheme to issue, and will not issue, any New STO Shares under this Scheme to any Ineligible Foreign Shareholder, and instead STO will subject to clauses 5.7 and 5.9 issue to the Sale Agent on or before the Implementation Date the New STO Shares to which each Ineligible Foreign Shareholder, having regard to the operation of clause 5.1, would otherwise have been entitled under this Scheme (if they were a Scheme Shareholder that was not an Ineligible Foreign Shareholder).
- (b) STO will procure that, as soon as reasonably practicable after the Implementation Date, the Sale Agent sells or procures the sale (including on an aggregated or partially aggregated basis), of all the New STO Shares issued to the Sale Agent in the manner, and on the terms the Sale Agent determines in good faith. For the purpose of this clause 5.3, the **Proceeds** will be the proceeds of the sale by the Sale Agent of all of the New STO Shares contemplated by this clause 5.3 (after deduction of any applicable brokerage, stamp duty and other costs, taxes and charges incurred in connection with the sale of the New STO Shares).
- (c) STO will procure that the Sale Agent pay, or procure the payment, to each Ineligible Foreign Shareholder of the amount calculated in accordance with the following formula and rounded down to the nearest cent:

$$A=(B/C) \times D$$

where:

A is the amount to be paid to the Ineligible Foreign Shareholder;

- B** is the number of New STO Shares attributable to, and that would otherwise have been issued to, that Ineligible Foreign Shareholder had it not been a Ineligible Foreign Shareholder and which are instead issued to the Sale Agent;
 - C** is the total number of New STO Shares attributable to, and which would otherwise have been issued to, all Ineligible Foreign Shareholders collectively and which are instead issued to the Sale Agent; and

STO or the Sale Agent must pay any amount so withheld to the relevant taxation authorities within the time permitted by law, and, if requested in writing by the relevant Ineligible Foreign Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Ineligible Foreign Shareholder.

 - (h) Where the issue of New STO Shares to which a Scheme Shareholder would otherwise be entitled under this Scheme would result in a breach of law:
 - (i) STO will issue the maximum possible number of New STO Shares to the Scheme Shareholder without giving rise to such a breach; and
 - (ii) any further New STO Shares to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under the preceding provisions in this clause 5.3, as if a reference to Ineligible Foreign Shareholders also included that Scheme Shareholder and references to that person's New STO Shares in that clause were limited to the New STO Shares issued to the Sale Agent under this clause.

5.4 Election by Unmarketable Parcel Shareholders

- (a) OSH must provide each Unmarketable Parcel Shareholder with, or procure the provision to each Unmarketable Parcel Shareholder of, an Opt-in Notice.

- (c) Unless an Unmarketable Parcel Shareholder provides OSH with a duly completed Opt-in Notice by the Opt-in Notice Date pursuant to clause 5.4(b), STO will be under no obligation under this Scheme or Deed Poll to issue, and will not issue, any New STO Shares to any Unmarketable Parcel Shareholder, and instead, unless STO and OSH otherwise agree, OSH must procure that the New STO Shares that each Unmarketable Parcel Shareholder who would otherwise be entitled to receive as Scheme Consideration are dealt with in accordance with clause 5.3 of this Scheme (as if a reference in that clause to an 'Ineligible Foreign Shareholder' was a reference to an 'Unmarketable Parcel Shareholder').

5.7 Fractional entitlements

- (a) Where the calculation of the number of New STO Shares to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a New STO Share, that fractional entitlement will be rounded down to the nearest whole number of New STO Shares with fractions of 0.5 or more being rounded up.
- (b) If STO and OSH are of the opinion, formed reasonably, that two or more Scheme Shareholders, each of which holds a holding of Scheme Shares which results in rounding in accordance with clause 5.7(a) have, before the Record Date, been party to a shareholding splitting or division in an attempt to obtain an advantage by reference to such rounding, then OSH and STO must consult in good faith to determine whether such matters have arisen and if agreement is reached between OSH and STO following such consultation, OSH must give notice to those Scheme Shareholders:
 - (i) setting out the names and Registered Address for all of them;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after the notice has been so given, the Scheme Shareholder specifically identified in the notice will, for the purposes of the Scheme, be taken to hold all those Scheme Shares and each of the other Scheme Shareholder whose names are set out in the notice shall, for the purposes of the Scheme, be taken to hold no Scheme Shares.

- (c) STO, in complying with the other provisions of this Scheme relating to it in respect of the Scheme Shareholders specifically identified in a notice given under clause 5.7(b) as the deemed holder of all of the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of this Scheme.

5.8 Unclaimed monies

- (a) STO may cancel a cheque issued under this clause 5 if the cheque:
 - (i) is returned to STO; or
 - (ii) has not been presented for payment with 12 months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing from an Ineligible Foreign Shareholder or an Unmarketable Parcel Shareholder who has not provided an Opt-in Notice by the Opt-in Notice Date, STO must, or must procure the Sale Agent, reissue a cheque that was previously cancelled under this clause 5.8.
- (c) The PNG *Unclaimed Monies Act 1963* will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in that Act).

5.9 Orders of a court

- (a) If written notice is given to OSH (or the OSH Share Registry) or STO (or the STO Registry) of an order or direction made by a court that:
 - (i) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by OSH in accordance with this clause 5, then OSH shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (ii) prevents OSH from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibitive by applicable law, OSH shall be entitled to (as applicable):
 - (A) in the case of an Ineligible Foreign Shareholder or an Unmarketable Parcel Shareholder who has not provided an Opt-in Notice by the Opt-in Notice Date, retain an amount, in Australian dollars, equal to the relevant Ineligible Foreign Shareholder's or Unmarketable Parcel Shareholder's share of the Proceeds; and
 - (B) not issue (or, in the case of OSH, direct STO not to issue), or to issue (or, in the case of OSH, direct STO to issue) to a trustee or nominee, any Scheme Consideration that Scheme Shareholder would otherwise be entitled to under clause 5.1,

until such time as payment of the Scheme Consideration in accordance with this clause 5 is permitted by that (or another) court or direction or otherwise by law.

- (b) To the extent that amounts are so deducted or withheld in accordance with clause 5.9(a), such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.
- (c) For the avoidance of doubt, any payment or retention by STO or OSH (as applicable) under clause 5.9(a) will constitute the full discharge of STO's obligations under clause 5.2 with respect to the amount so paid or retained, in the case of clause 5.9(a)(ii), the amount is no longer required to be retained.

6 Dealings in OSH Shares

6.1 Dealings in OSH Shares by Scheme Shareholders

For the purpose of establishing the identity of the persons who are Scheme Shareholders, dealings in OSH Shares or other alterations to the OSH Registry will be only recognised provided that:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the OSH Register as the holder of the relevant OSH Shares by the Record Date; and
- (b) in all other cases, registrable transfers or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received by the OSH Share Registry by 5.00pm on the day which is the Record Date at the place where the OSH Register is located (in which case OSH must register such transfers or transmission applications before 7.00pm on that day),

and OSH will not accept for registration, nor recognise for the purpose of establishing the persons who are Scheme Shareholders nor for any other purpose (other than to transfer to STO pursuant to this Scheme and any subsequent transfers by STO and its successors in title), any transfer or transmission application or other request in respect of OSH Shares received after such times, or received prior to such times but not in actionable or registrable form (as appropriate).

6.2 Register

- (a) OSH must register registrable transmission applications or transfers of the Scheme Shares that are received in accordance with clause 6.1(b) before the Record Date provided that, for the avoidance of doubt, nothing in this clause 6.2(a) requires OSH to register a transfer that would result in a OSH Shareholder holding a parcel of OSH Shares that is less than a 'marketable parcel' (for the purposes of this clause 6.2(a) 'marketable parcel' has the meaning given in the operating rules of the ASX).
 - (b) OSH will, until the Scheme Consideration has been provided and the name and address of STO has been entered in the OSH Register as the holder of all of the Scheme Shares, maintain, or procure the maintenance of, the OSH Register in accordance with this clause 6, and the OSH Register in this form and the terms of this Scheme will solely determine entitlements to the Scheme Consideration.
 - (c) As from the Record Date (and other than for STO following the Implementation Date), each entry in the OSH Register as at the Record Date relating to Scheme Shares will cease to have any effect other than as evidence of the entitlements of Scheme Shareholders to the Scheme Consideration in respect of those Scheme Shares.
 - (d) As soon as possible on or after the Record Date, and in any event by 5.00pm on the first Business Day after the Record Date, OSH will ensure that details of the names,
-

Registered Addresses and holdings of OSH Shares for each Scheme Shareholder as shown in the OSH Register are available to STO in the form STO reasonably requires.

6.3 Effect of share certificates and holding statements

As from the Record Date (and other than for STO following the Implementation Date), all share certificates and holding statements for Scheme Shares (other than statements of holding in favour of STO) will cease to have effect as documents of title in respect of those Scheme Shares.

6.4 No disposals after Record Date

If this Scheme becomes Effective, each Scheme Shareholder, and any person claiming through that Scheme Shareholder, must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after 5.00pm on the Record Date (other than to STO in accordance with this Scheme and any subsequent transfers by STO and its successors in title), and any attempt to do so will have no effect and OSH shall be entitled to disregard any such disposal, purported disposal or agreement.

7 Suspension and termination of quotation of OSH Shares

- (a) OSH must apply to the ASX and PNGX to suspend trading in OSH Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by STO, OSH must apply to ASX and PNGX for termination of official quotation of the OSH Shares on ASX and the removal of OSH from the official list of ASX and PNGX.

8 General provisions

8.1 Further assurances

- (a) Each Scheme Shareholder and OSH will do all things and execute all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to the terms of this Scheme and the transactions contemplated by it.
- (b) Without limiting OSH's other powers under this Scheme, OSH has power to do all things that it considers necessary or desirable to give effect to this Scheme and the transactions contemplated by it.

8.2 Scheme Shareholders' agreements and consents

Each Scheme Shareholder (and the Sale Agent on behalf of all Ineligible Foreign Shareholders and Unmarketable Parcel Shareholders who have not provided an Opt-in Notice by the Opt-in Notice Date, as applicable) irrevocably:

- (a) agrees to the transfer of their Scheme Shares, together with all rights and entitlements attaching to those Scheme Shares, to STO in accordance with the terms of this Scheme;
 - (b) agrees to the variation, cancellation or modification of the rights attached to their Scheme Shares constituted by or resulting from this Scheme;
 - (c) agrees to become a member of STO and to be bound by the terms of the constitution of STO and to have their name registered in the STO Register as a holder of STO Shares (in respect of the New STO Shares which they are issued pursuant to the Scheme);
 - (d) acknowledges and agrees that this Scheme binds OSH and all Scheme Shareholders (including those that were excluded from attending and voting at the Scheme Meeting, or who did not attend the Scheme Meeting or did not vote at that meeting or voted against
-

this Scheme at that Scheme Meeting) and, to the extent of any inconsistency, overrides the Constitution; and

- (e) consents to OSH and STO doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to the terms of the Scheme and the transactions contemplated by it,

without the need for any further act by that Scheme Shareholder.

8.3 Appointment of OSH as attorney for implementation of Scheme

- (a) Each Scheme Shareholder, without the need for any further act by that Scheme Shareholder, on the Effective Date, irrevocably appoints OSH and each of its directors and officers (jointly and each of them severally) as that Scheme Shareholder's agent and attorney for the purpose of:
 - (i) doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to the terms of this Scheme and the transactions contemplated by it, including the effecting of a valid transfer or transfers (or the execution and delivery of any Scheme Transfers) under clause 4.2; and
 - (ii) enforcing the Deed Poll against STO,

and OSH accepts such appointment. OSH, as agent and attorney of each Scheme Shareholder, may sub delegate its functions, authorities or powers under this clause 8.3 to all or any of its directors and officers (jointly, severally, or jointly and severally).
- (b) For the avoidance of doubt, nothing in this clause 8.3 shall impact the authorisation under clause 4.3(a).

8.4 Warranty by Scheme Shareholders

Each Scheme Shareholder is deemed to have warranted to STO on the Implementation Date, and, to the extent enforceable, to have appointed and authorised OSH as that Scheme Shareholder's agent and attorney to warrant to STO on the Implementation Date, that all of their Scheme Shares (including all rights and entitlements attaching to those Scheme Shares) will, at the time of the transfer of them to STO pursuant to this Scheme, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and other interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind, and that they have full power and capacity to sell and to transfer their Scheme Shares (together with any rights and entitlements attaching to those Scheme Shares) to STO pursuant to this Scheme, and as at the Record Date, they have no existing right to be issued any other Scheme Shares or any other form of securities in OSH. OSH undertakes in favour of each Scheme Shareholder that it will provide such warranty, to the extent enforceable, to STO on behalf of that Scheme Shareholder.

8.5 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to STO will, at the time of transfer of them to STO, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and other interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind.

- (b) Immediately upon the provision of the Scheme Consideration in the manner contemplated by clause 5, STO will be beneficially entitled to the Scheme Shares transferred to it under this Scheme pending registration by OSH of the name and address of STO in the OSH Register as the holder of the Scheme Shares.
- (c) For the avoidance of doubt, notwithstanding clause 8.5(b), to the extent that clause 5.8(a) applies to any Scheme Shareholder, STO will be beneficially entitled to any Scheme Shares held by that Scheme Shareholders immediately upon compliance with clause 5.8 on the Implementation Date as if STO had provided the Scheme Consideration to that Scheme Shareholder.

8.6 Appointment of STO as sole proxy

- (a) From the time that STO has provided the Scheme Consideration to each Scheme Shareholder in the manner contemplated in clause 5.2 and until STO is registered in the OSH Register as the holder of all Scheme Shares, each OSH Shareholder:
 - (i) without the need for any further act by that OSH Shareholder, is deemed to irrevocably appoint STO as its sole proxy to (and irrevocably appoints STO as its agent and attorney for the purpose of appointing any director or officer of STO as that OSH Shareholder's sole proxy and, where appropriate, its corporate representative to):
 - (A) attend shareholders' meetings of OSH;
 - (B) exercise the votes attaching to the OSH Shares registered in the name of the OSH Shareholder; and
 - (C) sign any OSH Shareholders' resolution or document (whether in person, by proxy or by corporate representative);
 - (ii) must take all other action in the capacity of an OSH Shareholder as STO reasonably directs; and
 - (iii) acknowledges and agrees that in exercising the powers referred to in clause 8.6(a), STO and any person nominated by STO under clause 8.6(a) may act in the best interests of STO as the intended registered holder of the Scheme Shares.
- (b) From the time that STO has provided the Scheme Consideration to each Scheme Shareholder in the manner contemplated in clause 5.2 until STO is registered in the OSH Register as the holder of all Scheme Shares, no OSH Shareholder may attend or vote at any meetings of OSH Shareholders or sign any OSH Shareholders' resolution (whether in person, by proxy or by corporate representative) other than under clause 8.6(a).

8.7 Alterations and conditions to Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) OSH may, by its counsel or solicitors, and with the prior written consent of STO, consent on behalf of all persons concerned, including each OSH Shareholder, to those alterations or conditions; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which OSH has consented to.

8.8 Enforcement of Deed Poll

OSH undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against STO on behalf of and as agent and attorney for the Scheme Shareholders.

8.9 Instructions and Elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Governmental Agency), all instructions, notifications or elections by a Scheme Shareholder to OSH that are binding or deemed binding between the Scheme Shareholder and OSH relating to OSH or OSH Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on OSH Shares; and
- (c) notices or other communications from OSH (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by STO in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to STO and to be a binding instruction, notification or election to, and accepted by, STO in respect of the New STO Shares issued to that Scheme Shareholder until that instruction, notification or election is revoked or amended in writing addressed to STO at its registry.

8.10 Binding effect of Scheme

This Scheme binds OSH and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of OSH.

8.11 Consent

Each of the Scheme Shareholders consents to OSH doing all things necessary or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders, OSH or otherwise.

8.12 Notices

- (a) Where a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to OSH, it will not be deemed to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at OSH's registered office or by the OSH Share Registry, as the case may be.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by an OSH Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

8.13 Duty

STO will pay all duty (including stamp duty and any related fines, penalties and interest) payable on or in connection with the transfer by Scheme Shareholders of the Scheme Shares to STO pursuant to this Scheme.

8.14 Governing law and jurisdiction

This document is governed by the laws of the Independent State of Papua New Guinea. Each party submits to the non-exclusive jurisdiction of courts exercising jurisdiction there and courts of appeal from them in connection with matters concerning this document. The parties irrevocably waive any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

8.15 No liability when acting in good faith

Each Scheme Shareholder agrees that neither OSH, STO nor any director, officer, secretary or any of those companies shall be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.
