

ASX RELEASE**13 March 2020****Kleos Launch Team has Departed for India**

Kleos Space S.A (**ASX:KSS, Frankfurt:KS1, Kleos or Company**), a space-powered Radio Frequency Reconnaissance data-as-a-service (DaaS) company, advises that the mission team has departed for the Satish Dhawan Space Centre in Chennai, India ahead of schedule.

The mission team departed yesterday, 12 March to carry out the final preparation steps prior to launch.

Due to the ongoing Coronavirus COVID-19 situation and newly implemented restrictions on travel to India, the Company determined that it would despatch the mission team 1 week earlier than previously advised (ASX 12/03/2020).

Kleos eagerly awaits the Indian Space Research Organisation (ISRO), the launch provider, publicly announcing the upcoming launch date, until then Kleos is bound by contractual confidentiality.

This announcement has been authorised by Andy Bowyer, CEO of Kleos Space S.A.

About Kleos Space S.A.

Kleos Space S.A. (ASX: KSS) is a space enabled, activity-based intelligence, data as a service company based in Luxembourg. Kleos Space aims to guard borders, protect assets and save lives by delivering global activity-based intelligence and geolocation as a service. The first Kleos Space satellite system, known as Kleos Scouting Mission (KSM), will deliver commercially available data and perform as a technology demonstration. KSM will be the keystone for a later global high capacity constellation. The Scouting Mission will deliver targeted daily services with the full constellation delivering near-real time global observation – www.kleos.space.
