About Pushpay

Pushpay provides a donor management system, including donor tools, finance tools and a custom community app, to the faith sector, non-profit organisations and education providers in the US, Canada, Australia and New Zealand. Our leading solutions simplify engagement, payments and administration, enabling our Customers to increase participation and build stronger relationships with their communities.

Church Community Builder is a subsidiary of Pushpay Holdings Limited and is a Software as a Service (SaaS) church management system solution in the US. Church Community Builder provides a platform that churches use to connect and communicate with their community members, record member service history, track online giving and perform a range of administrative functions. Combined, Pushpay and Church Community Builder deliver a best-in-class, fully integrated ChMS, custom community app and giving solution for customers in the US faith sector.

Pushpay receives co-funding from Callaghan Innovation, New Zealand's innovation agency, to support innovation through research and development.

Pushpay is an award-winning company. For more information visit www.pushpay.com/investors/awards.
