FWC Decision on Enterprise Agreement 2011

On 7 April 2020, the Fair Work Commission dismissed Wollongong Coal's application under section 225 of the Fair Work Act 2009 (Cth) to terminate the NRE No 1 Colliery Workplace Agreement 2011.

The application was made to the Fair Work Commission to terminate the enterprise agreement after the Russell Vale Colliery was placed in care and maintenance in September 2015, and after the Company ceased to employ employees covered by the enterprise agreement from that time.

Wollongong Coal is reviewing the decision and is considering whether it will lodge an appeal from the Commission's decision.
