2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
Answer: The Company has not taken any steps to raise further cash at this stage. Options for future funding are currently being considered, including strategic partnering and pre-sales, along with Director loans and other debt and equity. The Company has no reason to believe any steps taken in this regard won't be successful.	
3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?	
Answer: The Directors believe there is sufficient cash available for the company to continue operating until further development funding is obtained.
