

ASX Announcement  
7 July 2020

## COMPLETION OF UNMARKETABLE PARCEL SHARE SALE

RPM Automotive Group Limited (ASX: RPM) (“RPM” or the “Company”) is pleased to advise that it has completed the Unmarketable Parcel Share sale as announced to the ASX on 12 May 2020.

The Company provided the facility to holders of Unmarketable Parcels to sell their shares without incurring any brokerage or handling costs that could otherwise make a sale of their shares uneconomic or difficult.

As at market close on 11 May 2020 there were 512,850 ordinary shares in the company, held by 2,127 shareholders (representing approximately 0.6% of the total issued capital) in parcels that had a market value of less than A\$500(Unmarketable Parcels).

After holders of unmarketable parcels were given the opportunity to top up their holdings or elect to continue to hold their unmarketable parcels, the number of shares to be sold under the facility was 419,831 ordinary shares from 1,954 shareholders.

The Company arranged for Sequoia Wealth Management Pty Ltd to sell these shares at a price of \$0.13 per share by a crossing and proceeds will be remitted to shareholders when received.

The share sale will reduce ongoing administrative and corporate costs moving forward.

This announcement was approved, and authorised for release, by Mr Clive Finkelstein Chief Executive Officer.
