Overview of results

Revenue for the half increased 23% to \$218,437,000 (2019: \$178,198,000) due to the continuing increased market demand for recreation and leisure products and the addition of new franchises and expanded product ranges.

Underlying earnings before interest, tax and depreciation (EBITDA) increased 167% to \$26,752,000 (2019: \$10,025,000) while net profit after tax (NPAT) increased 257% to \$17,205,000 (2019: \$4,816,000). Earnings per share increased 258% from 7.8 cents to 27.9 cents.

Underlying EBITDA includes interest and amortisation on leased properties as an expense to enable comparison to prior periods when lease expense was included.

The underlying EBITDA margin on sales achieved was 12.2% for the period (2019: 5.6%).

The improved trading conditions enabled the company to retire all debt as at December 2020 with \$7,433,000 at bank.

Overall motorcycle sales, including both new and used motorcycles, increased 12% to 11,467 units for the half year to 31 December 2020 (2019: 10,198 units).

New motorcycle sales increased 30% to 6,770 units (2019: 5,206 units), compared with the national market increase in new motorcycle sales of approximately 20%. The company secured approximately 12.1% of national new bike sales during the six months, compared with 11.1% for the corresponding period last year.

Used motorcycle sales decreased 6% to 4,697 units (2019: 4,992 units) due to tightening stock availability resulting in improved margins and gross profit.

Online accessory sales increased 75% with major projects underway to improve e-commerce systems to deliver further growth.

Retail accessories and parts revenue increased 19% and servicing and repair revenue increased 33%. Retail finance, insurance and mechanical protection plan income increased 6%.

Wholesale accessory sales increased 23% with divisional gross profit increasing 30% with demand expected to remain high in the second half. Stock supply has been subdued but is gradually improving and margins are expected to increase as benefits of a lower US dollar are realised.

The wholesale finance joint venture performed to budget delivering \$410,000 net profit after tax for the period with these results expected to improve as the portfolio matures.

The Harley-Davidson dealerships performed above expectations, despite unit sales not increasing.

The Indian Motorcycles and Polaris products added to existing stores contributed strongly to the results.

The half year results reflected the continuing increased market demand for recreation and leisure products which combined with the introduction of new franchises and expanded product ranges, lower overheads and a disciplined approach to ongoing expenses resulted in margin growth.

The company's growth strategy of expanding the business by adding new ranges and products to existing sites without increasing the company's cost base is delivering sustainable growth and profit.

The company expects the increased market demand and trading conditions to remain strong and consistent for the balance of the financial year.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. Auditor's Responsibilities for the Review of the Interim Financial Report

Our responsibility is to express a conclusion on the Interim Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Interim Financial Report does not comply with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2020 and its performance for the half-year ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

Accordingly, we do not express an audit opinion.
