About Zoono

Zoono Group Limited (ASX:ZNO) is a global biotech company that develops, manufactures and distributes a range of long-lasting and environmentally-friendly antimicrobial solutions.

Zoono produces sprays, wipes and foams suited for skincare, surface sanitisers, and mould remediation treatments. The products are based on the 'zoono molecule', a unique antimicrobial molecule that bonds to any surface and kills pathogens including bacteria, viruses, algae, fungi and mould. Backed by over 100 lab reports, the zoono molecule has proven efficacy and longevity.

Zoono's suite of products is sold to a global network of customers and distributors spread across 42 countries and territories. As the market leader in its field, Zoono continues to develop new products and is currently expanding into new regions as well as the global animal health sector. Through these initiatives, Zoono hopes to continue its mission of improving health and well-being through innovative, safe, non-toxic, and durable germ protection.
