## QUARTERLY REPORT

For Quarter ended 31 March 2020

(ASX:AHK)

On 25 September 2019 Richard Tucker and Craig Shepard of KordaMentha ("Administrators") were appointed Voluntary Administrators of the Company by Chan. On appointment, the Company's Board of Directors' ("Board") powers were suspended and the Administrators assumed control of the Company's affairs and assets.

On 6 January 2020, the reconvened second meeting of creditors was held. The purpose of this meeting was to consider the Administrators' report to creditors to determine the future of the Company and to approve the Administrators' remuneration. At this meeting:

- The Administrators reported that they had agreed terms for an asset sale agreement ("Asset Sale Agreement") with Ausgold Trading Pty Ltd ("Ausgold") for the sale of the Company's mining tenements and associated assets for \$4.2 million ("Asset Sale"). Under this transaction structure, the Company's mining tenements and associated assets would be sold first and transferred out of the Company, with net proceeds applied to the repayment of secured debt, following which the Company would then be recapitalised via a Deed of Company Arrangement, with part of the proceeds applied to the further repayment of secured debt and unsecured creditors.
- The Administrators tabled the Deed of Company Arrangement proposals received and reported that they considered it in the creditors' interests for the Company to accept the Deed of Company Arrangement ("DOCA") proposed by the Directors of the Company ("Directors") for total consideration of \$663k, as this would result in a better return to creditors in timing, quantum, and certainty, than other DOCA proposals or if the Company was liquidated.
- It was determined by creditor vote that the Company accept and execute the DOCA proposed by the Directors.

Subsequent to the reconvened second meeting of creditors, the following key events have occurred:

On 28 January 2020, the Administrator executed the Asset Sale Agreement with Ausgold.

On 28 January 2020, the Administrator executed the DOCA.

On 7 February 2020, a \$75k deposit procured by the Directors from interested investors, was paid with the expectation that the DOCA would be closed within 60 days.

Under the terms of the DOCA, control of the Company was to be returned to the Directors following satisfaction of the Conditions Precedent by the Due Date ("Due Date"), initially being 31 March 2020.

The Conditions Precedent include execution of the Asset Sale Agreement. Completion of the Asset Sale agreement has been extended by the Administrator several times as noted by the extensions of the Due Date.

The directors requested an extension of the DOCA on the 27<sup>th</sup> of March and this was provided by the Administrator until the 30<sup>th</sup> of April.
