Appendix 4C monthly and quarterly cash flow report and business update – September 2020

Smiles Inclusive Limited (ASX: SIL) today releases its Appendix 4C cash flow report for the month and quarter ended 30 September 2020.

Receipts from customers for the month were \$2.3 million and \$7.2 million for the quarter. Whilst the impact of COVID-19 remains (including the forced closures of Victorian practices) cash receipts were \$3.2 million higher than the previous quarter, showing a pleasing return to more positive trading conditions.

In addition to cash receipts from customers, the Company received \$869k for the month from the Australian Federal Government's JobKeeper incentive program, bringing total JobKeeper receipts to \$2.2 million for the quarter.

Cash payments for the month relating to operating activities were \$2.7 million and included approximately \$220k of one-off expenses for capital raising costs, statutory compliance and EGM related expenditure. Total operating cash payments were \$9.4 million for the quarter, including \$71k paid to Directors of the Company.

The Directors note that the positive operating cash flow result for the month of \$460k (and \$58k net cash operating outflow for the quarter) included a high proportion of catch up payments which resulted in trade creditors reducing by approximately \$800k. Interest payments have been deferred with the approval of the Company's financiers.

In addition, the Company raised \$229k of funds through a placement of shares at \$0.025 per share. A further \$28k was raised at the start of October 2020, resulting in the issue of 10,271,000 ordinary shares.

The Company continues to progress the capital raising and refinancing arrangements with NAB and will provide a further update shortly.

This announcement has been approved for release by the Board.
