

# Doctor Care Anywhere Signs New Channel Agreement with Allianz Partners

- **New channel agreement with Allianz Partners embeds Doctor Care Anywhere into their UK and European international private medical insurance policies from 1 January 2021**

22 December 2020 – Doctor Care Anywhere PLC (“DOC” or “the company”), today announces the signing of a new channel agreement with Allianz Partners international health line of business, one of the world's largest insurance and assistance companies. This marks the company's first international private medical insurance (“iPMI”) agreement in Europe following the expansion of its offering to the Republic of Ireland in October 2020.

This agreement will allow Allianz Partners iPMI policy holders and dependents based in Europe access to Doctor Care Anywhere's digital health services, including teleconsultation.

## **Key Terms of the Agreement:**

- Product launch is targeted to be in January 2021
- Evergreen agreement with no set expiry period
- Fixed price per consultation
- Consultations to be provided by DOC's Irish Medical Council-registered clinicians
- Initial services to include DOC virtual GP consultations

The new agreement will sit alongside DOC's existing channel relationships with other leading global insurers and hospital groups.

## **Dr Bayju Thakar, Founder & CEO of Doctor Care Anywhere, said:**

*“We are thrilled by the opportunity to work with another world leading insurer; this is further recognition of the value that the Doctor Care Anywhere platform brings to patients, payors and providers. Being engaged by Allianz Partners adds to the company's growth trajectory and supports our ability to service patient needs globally. This agreement is integral to our strategic plans for 2021 and beyond, helping us to deliver joined-up, accessible, quality health and disease care in the UK and globally.”*

DOC will provide an update on the channel agreement in its quarterly report in January.
