¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

The corporate governance framework for PWR Holdings Limited (Company) and its subsidiaries (Group) are set by the Board having regard to the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th Edition) (ASX Principles and Recommendations), corporate best practice and the best interests of all shareholders.

The documents that are described in this Corporate Governance Statement are available on the Company's website at <https://www.pwr.com.au/corporate-governance-policies>

This Corporate Governance Statement is current as at 20 August 2020 and has been approved by the Board.

1

Lay solid foundations for management and oversight

Role of Board and Management

The Board has adopted a Board Charter that details the functions and responsibilities of the Board, Chairman and individual Directors. Responsibility for the day to day management and administration of the Group is delegated to the Managing Director and Chief Executive Officer (MD), assisted by the management team (Executives). The MD manages the Group in accordance with the strategy, business plans and delegations approved by the Board. A formal delegation from the Board to the MD and Executives sets out the limits of that delegation.

The Board is responsible for the overall strategic direction and stewardship of the Group and, in particular for the long-term growth and profitability of the Group, the strategies, policies and financial plans of the Group and for monitoring the implementation of those policies, strategies and financial plans.

The functions reserved for the Board include:

- Appointing the Chairman
- Setting and monitoring strategic objectives
- Implementing funding strategies to support strategic objectives
- Approving and monitoring strategic and financial plans
- Approving and monitoring annual budgets and business plans
- Approving and monitoring major capital expenditure, capital management and all major corporate transactions, including the issue of securities
- Approving financial reports and material external communications and reports in accordance with the Company's Continuous Disclosure Policy
- Overseeing the integrity of accounting and corporate reporting systems, including the external audit
- Appointing, re-appointing and removing the external auditor and approving the auditor's remuneration, upon recommendation from the Audit and Risk Committee, and
- Determining dividend policy.

To assist in performing these duties in the most efficient manner, the Board has established two Board Committees, which comprised the following members during the 2020 financial year:

- Audit and Risk Committee (ARC) - Jeff Forbes (Chairman), Teresa Handicott and Roland Dane, and
- Nomination and Remuneration Committee (NRC) – Teresa Handicott (Chairman), Jeff Forbes and Roland Dane.

Corporate Governance Statement 2020

As at 20 August 2020

There is a Charter for each of these committee setting out its role and responsibilities. Committee Charters are available on the Company's website. Further details about the operation of these Committees is provided in this Corporate Governance Statement.

Details of each of the Directors' relevant qualifications and experience, the number of times that the Board and each of these Committees met during the reporting period, as well as Director attendance at each of the meetings is included in the Directors' Report of the Company's Annual Report for the 2020 financial year (Annual Report). A copy of the Annual Report is available on the Company's website.

The Board invites Executives to attend Board and committee meetings where appropriate. The MD and Executives are required to report regularly to the Board to interact with the Board, contributing to a culture that promotes openness and transparency and facilitating strategic discussion about the industries in which the Company operates.

Directors are entitled to request additional information at any time they consider it appropriate to undertake their role.

Appointment of new Directors

The Nomination and Remuneration Committee is responsible for recommending the appointment of new Directors to the Board. During the Director selection process, potential candidates are subject to appropriate and prudent background and screening checks prior to appointment. These include checks in relation to the person's character, experience and qualifications, criminal history and bankruptcy as well as ensuring that the person is available to provide the appropriate time commitment to serve as a Director on the Board.

A Director appointed to fill a casual vacancy must stand for election at the next Annual General Meeting (AGM) of the Company which is generally held in October each year. Additionally, Directors who have been in office without re-election for three years since their last appointment must retire and seek re-election at the Company's AGM. In each case, the Company provides to shareholders all material information in its possession, concerning the Director standing for appointment or re-election, in the explanatory memorandum to the relevant Notice of Meeting. Directors will also include a recommendation within any Notice of Meeting on the manner in which shareholders are encouraged to vote with respect to any resolutions relating to the election of Directors.

Letters of appointment for Directors

Directors receive formal letters of appointment setting out the arrangements relating to their appointment including:

- Term of appointment
- Anticipated time commitment
- Remuneration
- Requirements to disclose interests which may affect independence
- Requirements to comply with the Company's Constitution, key Company policies including the Code of Conduct and Securities Trading Policy
- Entitlement to seek independent advice at the expense of the Company
- Insurance, indemnity and ongoing rights to access information arrangements, and
- Ongoing confidentiality obligations.

Contracts of employment for MD and Executives

The MD and Executives all have contracts of employment which set out the key terms and conditions of their appointment and include details about their remuneration. These are updated from time to time, as appropriate. Background screening checks are undertaken in respect of all senior Executives prior to appointment.
