## **About MoneyMe**

MoneyMe is a digital consumer credit business leveraging our technology platform (the Horizon Technology Platform) and big data analytics to deliver an innovative loan offering to tech-savvy consumers.

Founded in 2013, we originate consumer loans through our risk-based lending platform to tech-savvy consumers who are seeking fast, convenient and simple access to credit direct from their mobile devices.

Our technology platform allows applications to be completed within approximately five minutes and funds to be disbursed, or credit limits to be available, to the customer shortly after approval.
