## **ASX announcement**

29 September 2020

### **Appendix 4C monthly cash flow report and business update – August 2020**

Smiles Inclusive Limited (ASX: SIL) releases its Appendix 4C cash flow report for the month ended August 2020.

Receipts from customers totalled \$2.1 million, materially impacted by the associated declared State of Disaster COVID-19 pandemic in Victoria due to some practice closures in the affected areas of Victoria during the month. The practices that remained open were impacted by varying levels of restrictions placed by the Victorian Dental Association and subsequently supported by the Australian Health Protection Principle Committee (AHPPC).

In addition to cash receipts from customers the Company received \$671k in Government support through the JobKeeper Program. Cash payments from operating activities were \$2.3 million (including \$14k paid to the CEO & Managing Director).

As previously announced on 20 August 2020, the Company continues with the divestment of non-core practices, with the sale of the Yarram practice resulting in net proceeds of \$214k (after expenses and leased assets from Macquarie Bank) which was paid against the Company's NAB debt on the 17<sup>th</sup> of August 2020.

The Company is continuing to progress its options in capital raising and look forward to providing and update in due course.

The Company continues to be in advanced discussions with a professional underwriter to raise capital with a target completion date by the end of September 2020. The Company expects the capital raise to be fully underwritten. The Company has also entered into a deed of release with its financier as announced on 20 August 2020.
