Industry Proposed Government Stimulus Package's

Tamawood confirms that the recent easing to Government restrictions created a positive effect on appointments and enquiries. In recent days appointments and enquiries were trending up to levels witnessed prior to the start of the Covid-19 pandemic.

Unfortunately, the recent \$40,000 - \$50,000 home owner grant proposals from the Property Council and Master Builders Association, have caused a significant pause in the signing of new construction contracts and some customers have also indicated they may cancel their contracts if proposals are approved, in anticipation of receiving the grant.
