Letter from the Chair

17 April 2020

Dear Shareholder,

HGL Limited (ASX: HNG) – Retail Entitlement Offer

On behalf of the Board of HGL Limited, I am pleased to invite you to participate in a five for sixteen pro-rata non-renounceable entitlement offer of New Shares at an Offer Price of \$0.20 per New Share to raise approximately \$3.884 million (before costs).

As announced to the ASX on 14 April 2020, this Entitlement Offer replaces the now terminated original offer announced on 30 January 2020 and launched on 5 March 2020 (**Original Offer**). The offer price and offer metrics of the Original Offer were considered no longer appropriate given the impact on financial markets, including on HGL and its share price, from the events linked to the COVID-19 global pandemic.

The proceeds from the Entitlement Offer, less costs, will be used to repay shareholder loans and to replenish general working capital which had been used to make various investments over the last couple of years. The capital raising will also assist the business to continue to trade through the impacts of COVID-19.

We trust that the pricing of the current offer now at a 20% discount to the Original Offer and a 1.7 cents discount to the volume weighted average price of 21.7 cents for the 24 days over which the shares have traded since the announcement of the Original Offer up to 9 April 2020, being the last business day before the announcement of the New Entitlement Offer, will be attractive to encourage all shareholders to participate.

Entitlement Offer

The Entitlement Offer is being structured as an accelerated non-renounceable entitlement offer comprising an accelerated offer for the two largest substantial shareholder groups (**Accelerated Entitlement Offer**), and a retail offer for all remaining shareholders (**Retail Entitlement Offer**).

HGL announced to the ASX on 17 April 2020, that the Accelerated Entitlement Offer was fully subscribed and raised \$2.07M, representing approximately 53.3% of total entitlements available under the Entitlement Offer. If the Retail Entitlement Offer was fully subscribed, it would raise approximately \$3.884M.

Under the Retail Entitlement Offer, Eligible Retail Shareholders are entitled to subscribe for five New Shares at the Offer Price for every sixteen fully paid ordinary Shares held at 7:00pm (Sydney time) on the Record Date of 21 April 2020.

I am pleased to advise that all HGL Limited Directors currently intend to participate for their pro-rata share of the Entitlement Offer under the Retail Entitlement Offer.

Eligible Retail Shareholders may also apply for additional New Shares in excess of their Entitlement (**Additional New Shares**) at the same Offer Price of \$0.20 per New Share, under the Overallotment Facility. The Overallotment Facility provides an opportunity for Eligible Retail Shareholders to apply for Additional New Shares. For more information on the Overallotment Facility, see Section 2.5 of this Retail Offer Booklet. Related parties including Directors of HGL and members of the two largest substantial shareholder groupings cannot apply for Additional New Shares.

New Shares and any Additional New Shares will rank equally with existing Shares in all respects from the date of their quotation.

The Retail Entitlement Offer closes at 5.00pm (Sydney time) on 1 May 2020 (unless extended).

1. take up all or part of your Entitlement (see Section 2.4.1).
2. take up all of your Entitlement and apply for Additional New Shares under the Overallotment Facility (see Section 2.4.2);
3. apply application monies paid under the Original Offer to the current Entitlement Offer (see Section 2.4.3); or
4. do nothing, in which case your Entitlement will lapse and you will receive no value for those lapsed Entitlements (see Section 2.4.4).

Further information is provided below.

2 Offer Details & How to Apply

2.1 Overview of the Retail Entitlement Offer

HGL intends to raise approximately \$3.884 million under the Entitlement Offer, comprising an Accelerated Entitlement Offer for the two largest substantial shareholder groups (which has now closed and was fully subscribed) and a Retail Entitlement Offer for all remaining shareholders. This Entitlement Offer replaces the original entitlement offer which was launched on 5 March 2020 and subsequently terminated on 14 April 2020 (**Original Offer**).

Under the Retail Entitlement Offer, Eligible Retail Shareholders are being offered the opportunity to purchase five New Shares for every sixteen existing Shares held as at the Record Date of 7.00pm (Sydney time) on 21 April 2020, at the Offer Price of \$0.20 per New Share. The Offer Price represents a 20% discount to the Original Offer price and a 1.7 cent discount to the volume weighted average price of HGL's shares of 21.7 cents, for the 24 days over which the shares have traded since the announcement of the Original Offer on 30 January 2020, up to 9 April 2020, being the day before the current Entitlement Offer was announced.

The Retail Entitlement Offer provides Eligible Retail Shareholders with the opportunity to take up all or part of their Entitlement. Entitlements under the Retail Entitlement Offer are non-renounceable. Eligible Retail Shareholders who take up all of their Entitlement can also apply for Additional New Shares under the Overallotment Facility.

Based on the number of Shares on issue as at the date of the Entitlement Offer, up to 19,421,746 New Shares (subject to rounding) will be offered under the Entitlement Offer. This comprises 10,349,331 shares now fully subscribed under the Accelerated Entitlement Offer and a further 9,072,415 shares offered under the Retail Entitlement Offer.

You have a number of decisions to make in respect of your Entitlement. You should read this Retail Offer Booklet carefully before making any decisions in relation to your Entitlement.

The Retail Entitlement Offer opens on 22 April 2020 and will close at 5.00pm (Sydney time) on 1 May 2020 (unless extended).

All HGL Limited Directors with direct or indirect shareholdings have confirmed their current intention to participate fully in the pro rata Entitlement Offer.

Further details on the Retail Entitlement Offer are set out below.

2.2 Your Entitlement

Your Entitlement is set out on the accompanying personalised Entitlement and Acceptance Form and calculated based on five New Shares for every sixteen existing Shares you hold as at the Record Date. If the result is not a whole number, your Entitlement will be rounded up to the nearest whole number of New Shares.

If you have more than one registered holding of Shares, you will be sent more than one personalised Entitlement and Acceptance Form and you will have a separate Entitlement for each separate holding.

New Shares and any Additional New Shares issued under the Entitlement Offer will be fully paid and rank equally in all respects with existing Shares.

2.3 Consider the Retail Entitlement Offer carefully in light of your particular investment objectives and circumstances

The Entitlement Offer is being made pursuant to provisions of the Corporations Act which allow entitlement offers to be made without a prospectus. This Retail Offer Booklet does not contain all of the information which may be required in order to make an informed decision regarding an application for New Shares and any Additional New Shares under the Retail Entitlement Offer.

As a result, it is important for you to read carefully and understand the information on HGL and the Retail Entitlement Offer that has been made publicly available, prior to deciding whether to take up all or part of your Entitlement, apply for any Additional New Shares, or do nothing in respect of your Entitlement. In particular, please refer to this Retail Offer Booklet and other announcements made available on the ASX website relating to HGL.

Please consult with your stockbroker, accountant or other professional adviser if you have any queries or are uncertain about any aspect of the Retail Entitlement Offer. You should also refer to the “Key Risks” section included in Section 4 of this Retail Offer Booklet.

2.4 Options available to you

2.4.1 If you wish to take up all or part of your Entitlement

If you wish to take up all or part of your Entitlement, please either:

- complete and return the personalised Entitlement and Acceptance Form (indicating the number of New Shares) with the requisite Application Monies; or
- pay your Application Monies via BPAY® by following the instructions set out on the personalised Entitlement and Acceptance Form,

in each case, by no later than 5.00pm (Sydney time) on 1 May 2020.

HGL will treat you as applying for as many New Shares as your payment will pay for in full. If you are paying by BPAY®, please make sure to use the specific biller code and unique reference number on your personalised Entitlement and Acceptance Form. If you receive more than one personalised Entitlement and Acceptance Form, please only use the reference number specific to the Entitlement on that Entitlement and Acceptance Form. That is, where you hold your Shares in more than one account, and you intend to participate in the Retail Entitlement Offer, you will need to make multiple payments that each match the details of your various Entitlements (which will have been calculated on an account by account basis).

If you take up and pay for all of your Entitlement before the close of the Retail Entitlement Offer, it is expected that you will be issued New Shares on 7 May 2020.

The Company's decision on the number of New Shares to be issued to you will be final.

HGL also reserves the right (in its absolute discretion) to reduce the number of New Shares issued if the Company believes an applicant's claim to be overstated or if an applicant or their nominees or custodians fail to provide information to substantiate their claims to the Company's satisfaction.

2.4.2 If you wish to take up all of your Entitlement and apply for Additional New Shares

If you wish to take up all of your Entitlement and apply for Additional New Shares, please either:

- complete and return the personalised Entitlement and Acceptance Form (indicating the number of New Shares and Additional New Shares) with the requisite Application Monies; or
- pay your Application Monies via BPAY® by following the instructions set out on the personalised Entitlement and Acceptance Form,

in each case, by no later than 5.00pm (Sydney time) on 1 May 2020.

HGL will treat you as applying for as many New Shares and Additional New Shares as your payment will pay for in full.

Additional New Shares will only be available to the extent that there are Entitlements which are not taken up by other Eligible Retail Shareholders. For further details on the allocation of any Additional New Shares, please see Section 2.5.

If you take up and pay for all of your Entitlement (and apply and pay for your Additional New Shares) before the close of the Retail Entitlement Offer, it is expected that you will be issued New Shares and any Additional New Shares on 7 May 2020.

2.4.3 If you wish to apply application monies paid under the Original Offer to the current Entitlement Offer

Shareholders who paid application monies towards the Original Offer may apply some or all of these funds to the current Entitlement Offer, together with any additional monies, if they so elect. Shareholders can confirm this either in the Entitlement and Acceptance Form to be mailed to all eligible retail shareholders for the Retail Entitlement Offer, or alternatively by contact with the Share Registry (contact details for which can be found at the end of this Retail Offer Booklet). Any application monies under the Original Offer not applied towards the Retail Entitlement Offer will be returned on close of the Retail Entitlement Offer, or sooner by contacting the Share Registry.

2.4.4 If you wish to do nothing, your Entitlement will lapse and you will receive no value for those lapsed Entitlements

The Retail Entitlement Offer is non-renounceable. If you take no action you will not be allocated New Shares and your Entitlement will lapse. Shareholders who do not take up their Entitlements will not receive any payment or value for those Entitlements they do not take up.

Eligible Retail Shareholders who do not participate fully in the Retail Entitlement Offer will have their percentage holding in HGL diluted.

2.5 Overallotment Facility

The Directors of HGL reserve the right to issue all or part of the shortfall from New Shares that relate to Entitlements which have not been taken up under the Retail Entitlement Offer in their absolute discretion (subject to the Corporations Act and the ASX Listing Rules) through an Overallotment Facility of Additional New Shares. Eligible Retail Shareholders may therefore apply for Additional New Shares in excess of their Entitlement at the same Offer Price of \$0.20 per New Share under the Overallotment Facility.

Additional New Shares will be drawn from New Shares that relate to Entitlements which have not been taken up under the Retail Entitlement Offer. There is no guarantee regarding the number of Additional New Shares (if any) that will be made available to Eligible Retail Shareholders under the Overallotment Facility, in addition to their Entitlement under the Retail Entitlement Offer.

An Eligible Retail Shareholder will not be issued any Additional New Shares under the Overallotment Facility if the issue of such Additional New Shares would cause HGL or that Eligible Retail Shareholder to breach any applicable law, including Section 606 of the Corporations Act. Related parties, which include Directors of HGL and members of the two largest substantial shareholder groups will not be entitled to participate in the Overallotment Facility.

Decisions regarding the operation of the Overallotment Facility, including the acceptance of an application for Additional New Shares, and the allocation and the issue of any Additional New Shares, will be made by the Directors in their absolute discretion.

2.6 Ineligible Retail Shareholders

All retail Shareholders who are not Eligible Retail Shareholders are Ineligible Retail Shareholders. Ineligible Retail Shareholders will not be entitled to participate in the Retail Entitlement Offer.

HGL has determined that it is unreasonable to make offers under the Retail Entitlement Offer to shareholders who have registered addresses outside Australia, New Zealand, the United Kingdom (as described in the "Selling Restrictions" section included in Section 5.17 of this Retail Offer Booklet) and certain other foreign jurisdictions determined by the Directors, having regard to the number of such holders in those places and the number and value of the New Shares that they would be offered, and the cost of complying with the relevant legal and regulatory requirements in those places.

HGL reserves the right (in its absolute discretion) to extend the Retail Entitlement Offer to shareholders who have registered addresses outside of the above jurisdictions in accordance with applicable law.

HGL has obtained modification of Section 611 item 10(b) of the Corporations Act that means it is not required to comply with the provisions of Section 615 of the Corporations Act and appoint a nominee to sell New Shares on behalf of Ineligible Retail Shareholders.

2.7 Payment

You can pay in the following ways:

- by BPAY®; or
- by cheque or bank draft.

Cash payments will not be accepted. Receipts for payment will not be issued.

HGL will treat you as applying for as many New Shares (up to your Entitlement) or Additional New Shares as your payment will pay for in full.

Any Application Monies received for more than your final allocation of New Shares and any Additional New Shares will be refunded as soon as practicable after the close of the Retail Entitlement Offer. No interest will be paid to applicants on any Application Monies received or refunded.

2.7.1 Payment by BPAY®

For payment by BPAY®, please follow the instructions on your personalised Entitlement and Acceptance Form. You can only make payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions.

If you are paying by BPAY®, please make sure you use the specific Biller Code and your unique Customer Reference Number (**CRN**) on your personalised Entitlement and Acceptance Form. If you have multiple holdings and consequently receive more than one personalised Entitlement and Acceptance Form, when taking up your Entitlement in respect of one of those holdings only use the CRN specific to that holding. **If you do not use the correct CRN specific to that holding your application will not be recognised as valid.**

Please note that should you choose to pay by BPAY®:

- you do not need to submit your personalised Entitlement and Acceptance Form but are taken to make the declarations, representations and warranties on that Entitlement and Acceptance Form; and
- if you do not pay for your full Entitlement, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares which is covered in full by your Application Monies.

It is your responsibility to ensure that your BPAY® payment is received by the Share Registry by no later than 5.00pm (Sydney time) on 1 May 2020. You should be aware that your financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration in the timing of when you make payment.

2.7.2 Payment by cheque or bank draft

For payment by cheque or bank draft, you should complete your personalised Entitlement and Acceptance Form in accordance with the instructions on the form and return it accompanied by a cheque or bank draft in Australian currency for the amount of the Application Monies, payable to “HGL Limited” and crossed “Not Negotiable”.

Your cheque or bank draft must be:

- for an amount equal to \$0.20 multiplied by the number of New Shares and any Additional New Shares that you are applying for; and
- in Australian currency drawn on an Australian branch of a financial institution.

You should ensure that sufficient funds are held in relevant account(s) to cover the Application Monies, as your cheque will be processed on the day of receipt. If the amount of your cheque for Application Monies (or the amount for which the cheque clears in time for allocation) is insufficient to pay in full for the number of New Shares and any Additional New Shares you have applied for in your personalised Entitlement and Acceptance Form, you will be taken to have applied for such lower whole number of New Shares and any Additional New Shares as your cleared Application Monies will pay for (and to have specified that number of New Shares and any Additional New

Shares on your personalised Entitlement and Acceptance Form). Alternatively, HGL reserves the right to consider void any applications where cheques do not clear, and your application may not be accepted.

2.8 Mail

To participate in the Retail Entitlement Offer, your payment must be received no later than the close of the Retail Entitlement Offer, being 5.00pm (Sydney time) on 1 May 2020. If you make payment via cheque or bank draft, you should mail your completed personalised Entitlement and Acceptance Form together with Application Monies to:

Mailing Address

HGL Limited – Entitlement Offer
C/- Computershare Investor Services Pty Limited
GPO Box 52
Melbourne VIC 3001

Personalised Entitlement and Acceptance Forms and Application Monies will not be accepted at other offices of the Share Registry or if mailed to the Company's registered or corporate offices.

2.9 Representations by acceptance

By completing and returning your personalised Entitlement and Acceptance Form or making a payment by BPAY®, you will be deemed to have represented to HGL that you are an Eligible Retail Shareholder and:

- acknowledge that you have read and understand this Retail Offer Booklet and your personalised Entitlement and Acceptance Form in their entirety;
- agree to be bound by the terms of the Retail Entitlement Offer, the provisions of this Retail Offer Booklet (including Section 5.1), and HGL's Constitution;

ACCELERATED NON-RENOUCEABLE ENTITLEMENT OFFER AND HEAD OFFICE REMUNERATION CHANGES

Launch of New Accelerated Non-Renounceable Entitlement Offer

HGL Limited ACN 009 657 961 (ASX: HNG) (HGL) announces the formal launch of a 5 for 16 accelerated pro-rata non-renounceable entitlement offer of new shares at an offer price of \$0.20 per new share (**New Entitlement Offer**), first announced on 14 April 2020.

The New Entitlement Offer replaces the original offer which was a 1 for 4 entitlement offer at \$0.25 per new share first announced on 30 January 2020 and terminated on 14 March 2020 (**Original Offer**).

The New Entitlement Offer comprises an **Accelerated Entitlement Offer** for the two largest substantial shareholder groupings representing 53.3% of HGL's current shares and a **Retail Entitlement Offer** for remaining shareholders as at the record date for the issue.

The Offer Price for the New Entitlement Offer represents a 20% reduction to the offer price in the Original Offer and a 1.7 cent discount to the volume weighted average price of HGL's shares of 21.7 cents, for the 24 days over which the shares have traded since the announcement of the Original Offer on 30 January 2020, up to 9 April 2020, being the last business day before the announcement of the New Entitlement Offer.

The proceeds from the New Entitlement Offer, less costs, will be used to repay the shareholder loans announced on 30 January 2020 and to replenish general working capital. The capital raising will also assist the business to continue to trade through the impacts of COVID-19.

Details of the results of the Accelerated Entitlement Offer

HGL is pleased to confirm the successful completion of the accelerated component of the New Entitlement Offer (**Accelerated Entitlement Offer**), under which the two largest substantial shareholder groupings subscribed for their full 53.3% pro-rata entitlements, resulting in the issue of 10,349,331 shares, raising \$2.070M. New shares issued under the Accelerated Entitlement Offer will rank equally with existing shares and are expected to be issued on 22 April 2020. Trading will commence on a normal settlement basis on the Australian Securities Exchange (ASX) on the same day. Following the issue of new shares under the Accelerated Entitlement Offer, the two largest substantial shareholder groupings together will account for 60.0% of HGL's issued shares.

Details of commencement of the Retail Entitlement Offer

The retail component of the New Entitlement Offer (**Retail Entitlement Offer**) first announced on 14 April 2020 seeks to raise a further \$1.81M through a 5 for 16 pro-rata non-renounceable entitlement offer of 9,072,415 new shares at an offer price of \$0.20 per new share.

The New Entitlement Offer is non-renounceable and therefore entitlements are not tradeable on the ASX or any other exchange, or otherwise transferable. This means that existing retail shareholders who do not take up their entitlement will not receive any value for their entitlement, and their proportionate interest in HGL will be diluted. Eligible retail shareholders may also apply for additional new shares (**Additional New Shares**) under an Overallotment Facility.

The Retail Entitlement Offer is open to all eligible retail shareholders on the record date of 7.00pm 21 April 2020 who have a registered address within Australia, New Zealand and the United Kingdom (or other jurisdictions as agreed by the Company). Eligible retail shareholders will receive a Retail Offer Booklet with more details, including the timetable and the terms and conditions under which eligible retail shareholders may apply under the Retail Entitlement Offer. The Retail Offer Booklet will also be available on the ASX website and the Offer website at <https://HGLEntitlementOffer.thereachagency.com>.

Shareholders who paid application monies towards the Original Offer may apply some or all of these funds to the current Entitlement Offer, together with any additional application monies, if they so elect. Shareholders can confirm this either in the Entitlement and Acceptance Form to be mailed to all eligible retail shareholders for the New Entitlement Offer, or alternatively by contacting the Share Registry. Any application monies under the Original Offer not applied towards the New Entitlement Offer will be returned on close of the New Entitlement Offer, or sooner by contacting the Share Registry.

All HGL Limited Directors with direct or indirect shareholdings have also confirmed they intend to participate fully in the pro rata Retail Entitlement Offer. The two largest substantial shareholder groups and Directors of HGL are unable however to participate in the Overallotment Facility.

HGL's board and management encourage all shareholders to participate in the Retail Entitlement Offer, after considering the contents of the Retail Offer Booklet.

TERMINATION OF EXISTING ENTITLEMENT OFFER, ANNOUNCEMENT OF A PROPOSED NEW ACCELERATED PRO-RATA NON-RENOUNCABLE ENTITLEMENT OFFER WITH SUPPORT OF SUBSTANTIAL SHAREHOLDERS AND TRADING UPDATE FOR IMPACT OF COVID-19

Termination of existing Entitlement Offer

HGL Limited ACN 009 657 961 (ASX: HNG) (HGL) today announces that it is immediately terminating its 1 for 4 entitlement offer at \$0.25 per new share first announced on 30 January 2020 and launched on 5 March 2020 (the Original Offer), which was intending to raise approximately \$3.884 million (before costs). The board of HGL noted that the price and metrics of this offer were considered no longer appropriate, given the impact on financial markets, including on HGL and its share price, from the events linked to the COVID-19 global pandemic.

Details of the proposed new Entitlement Offer

In lieu of the Original Offer, HGL Limited announces that it is seeking to raise approximately \$3.884 million (before costs) through a proposed 5 for 16 accelerated pro-rata non-renounceable entitlement offer of new shares at an offer price of \$0.20 per new share (Offer Price) (the New Offer).

The proposed New Offer will comprise an Accelerated Entitlement Offer for the two largest substantial shareholder groupings representing 53.3% of HGL's current shares and a Retail Entitlement Offer for remaining shareholders as at the record date for the issue.

The Offer Price for the proposed New Offer represents a 20% reduction to the offer price in the Original Offer and a 1.7 cent discount to the volume weighted average price of HGL's shares of 21.7 cents, for the 24 days over which the shares have traded since the announcement of the Original Offer on 30 January 2020, up to 9 April 2020.

The two largest substantial shareholder groupings have confirmed they will accept their full entitlements under the Accelerated Entitlement Offer, which will raise \$2.1M.

The proceeds from the proposed New Offer, less costs, will be used to repay the shareholder loans announced on 30 January 2020 and also to replenish general working capital. The capital raising will also assist the business to continue to trade through the impacts of COVID-19.

The proposed New Offer is non-renounceable and therefore entitlements are not tradeable on the ASX or any other exchange, or otherwise transferable. This means that existing shareholders who do not take up their entitlement will not receive any value for their entitlement, and their proportionate interest in HGL will be diluted. Eligible retail shareholders may also apply for additional new shares under an Overallotment Facility.

The proposed New Offer, when launched, will be open to all eligible shareholders who have a registered address within Australia, New Zealand and the United Kingdom (or other jurisdictions as agreed by the Company). The launch of the New Offer and its timetable is subject to the usual regulatory approvals from the ASX and ASIC. Upon launch of the New Offer, eligible retail shareholders will receive a Retail Offer Booklet with more details, including the timetable and how to subscribe under the Retail Entitlement Offer, which is expected to occur shortly. The timetable will contain the record date for participation, which will fall after the formal launch of the New Offer.

All HGL Limited Directors with direct or indirect shareholdings have also confirmed they intend to participate fully in the pro rata Retail Entitlement Offer. The substantial shareholder groups and Directors are unable however to participate in the Overallotment Facility.

Subscription funds received by the Company under the Original Offer will be refunded to shareholders unless the relevant shareholder otherwise directs the Company's share registry to apply some or all of the funds subscribed under the Original Offer to the New Offer.

HGL's board and management encourage all shareholders to participate in the Retail Entitlement Offer, after considering the contents of the Retail Offer Booklet.

Trading Update for Impact of COVID-19

Preparation of half yearly reports has commenced, though these are not sufficiently advanced to allow further guidance on consolidated financial results for the first half of this financial year.

The demand for products in each of HGL's businesses are currently being impacted to some extent by government restrictions imposed in our key markets of Australia and New Zealand due to COVID-19 and a general decrease in consumer confidence. This will likely lead to a reduction in year-on-year revenues in each of HGL's businesses.

- SPOS, HGL's retail merchandising business, has maintained revenues as a minor drop off in business-as-usual orders has been replaced with specialised protective product sales to its customers;
- BLC, our beauty and wellness business and smallest business by revenue, has seen its core spa and salon customer base closed by government direction, although this has been partially offset through an increase in internet-based sales;
- JSB, HGL's lighting solutions business, has seen some softening in the market for its products although a number of major projects remain ongoing;
- Pegasus, the 70% owned healthcare solutions business, has experienced minimal impact on its rental income, however has seen a decline in over the counter sales of rehab equipment; and

- Mountcastle, 45% owned schoolwear, headwear and corporate wear business, including the newly acquired LW Reid, was not materially impacted in the traditional peak “back-to-school” season, although with the majority of students now undertaking home based learning, demand has subsequently slowed.

HGL has now made adjustments in employee and overhead costs across its businesses to reflect the changes in operating conditions. We continue to monitor the impacts on revenues from the pandemic and will make further adjustments to our operating costs where required.

We have registered for the various COVID-19 related government assistance schemes in Australia and New Zealand, and where we qualify the impact could have a material bearing on the financial performance of that business.

Conversations with our landlords across our various businesses has also commenced to seek reductions and a rescheduling of rental payments. We have also sought improved terms from our suppliers.

Due to the uncertainties associated with the impact and duration of COVID-19, we are unable to project financial outcomes for the balance of this financial year with any level of certainty.

4 Key Risks

HGL's business is exposed to a variety of commercial and other risks, all of which have some potential to affect the future profitability of HGL, the market price or value of the Shares and HGL's policy with respect to dividends.

There are specific risks which relate directly to HGL's business. In addition, there are general risks to which any investor in the equity capital markets is exposed, many of which are largely beyond the control of HGL and the Directors.

The purpose of this Section 4 is to outline some of the key risk factors that potential investors should have regard in deciding whether to make an investment in HGL, but is not intended to be an exhaustive list of the risks faced by HGL or its shareholders. This Section 4 has been prepared without taking into account your individual financial objectives, financial situation and needs. New Shares offered under the Offer carry no guarantee with respect to the payment of dividends, returns of capital or the market value of the New Shares.

Unless otherwise indicated by the context, the references to HGL in this Section 4 include HGL's subsidiaries and joint venture operations.

The Directors strongly recommend that potential applicants read this Retail Offer Booklet in its entirety (including this Section 4) and consult their professional advisers before deciding whether to apply for New Shares.

Key Risks

Financing risk - Access to funding for working capital and growth initiatives is important for future growth. Transparent and positive relationships with lenders, low debt levels and utilisation of alternative funding sources will provide mitigation of this risk.

Currency risk - Exposure to foreign currency fluctuations (predominantly USD and Euro) is mitigated through the use of hedging structures and adjusting selling prices for drops in exchange rates on key supply contracts. However certain of our products are only able to recoup impacts of adverse currency movements by adjusting the selling prices of goods in a competitive market, which may impact either sales volumes or margins. Certain contracts also provide fixed pricing for a period of time, such that any movement in foreign exchange rates during this period, will directly impact profitability under those contracts.

Supplier risk - Reliance on a small number of key suppliers is managed through the use of distribution agreements for key suppliers, ongoing development of long-term supplier relationships and the use of complimentary product range brands to decrease percentage contribution from important suppliers.

WH&S risk -The HGL Group is committed to ensuring the work health and safety (WH&S) of its employees, customers and the general public. The Group operates a number of warehouse facilities, some of which involve low levels of manual handling of products. Wherever possible manual handling is reduced or eliminated and training is made available to staff on safety related matters. Due to COVID-19, most of the employees of the group's businesses are now working from home. HGL has not been able to assess the suitability of employees' home environments to undertake work. This may give rise to additional risks.

Novel Coronavirus 2019 (COVID-19) – HGL's businesses are highly reliant on international licenced products sourced from various overseas markets, to be sold principally in its key markets of Australia and New Zealand.

We are in regular contact with our suppliers to monitor the impacts from COVID-19 and where possible, prepare contingency plans. A number of our suppliers have indicated that their operations have been adversely affected from the impacts of COVID-19.

Further delays in the ability to ship orders from markets that are or will become impacted by COVID-19, may have various impacts for HGL, including a material amount of deferred sales, or the cancellation, or loss of, expected material orders and as a consequence lost revenue.

A number of HGL's businesses are also currently being impacted in the demand for its products from government restrictions imposed in our key markets of Australia and New Zealand due to COVID-19 and a general decrease in consumer confidence. This is anticipated to lead to a reduction in year-on-year revenues in certain of HGL's businesses.

Due to the uncertainties associated with the impact and duration of COVID-19 we are unable to project financial outcomes with any level of certainty.

Retail Entitlement Offer not underwritten – As the Retail Entitlement Offer is not underwritten, HGL may not receive the full amount of the proceeds sought under the Retail Entitlement Offer, its financial position may change and it may need to take other steps to raise capital.

General Risks

Investment in equity capital – There are general risks associated with investments in equity capital. The trading price of HGL's ordinary shares on the ASX may fluctuate with movements in equity capital markets in Australia and internationally. This may result in the market price for the New Shares or Additional New Shares being less or more than the Offer Price. Generally applicable factors which may affect the market price of HGL's ordinary shares include:

- general movements in Australian and international stock markets;
- investor sentiment;
- Australian and international economic conditions and outlook;
- changes in interest rates and the rate of inflation;
- changes in government regulation and policies or HGL's failure to satisfy existing legal or regulatory requirements;
- announcement of new technologies;
- geo-political instability, including international hostilities and acts of terrorism;
- operating results of HGL that may vary from expectations of securities analysts and investors;
- operating results that may affect the payment of dividends;
- changes in market valuations of other similar companies; and
- future issues of HGL equity securities.

In particular, the share prices for many companies have in recent times been subject to wide fluctuations, which in many cases may reflect a diverse range of non-company specific influences referred to above, such as the impact of COVID-19, the general state of the economy, investor uncertainty and global hostilities and tensions. Such fluctuations may materially adversely impact the market price of HGL's ordinary shares.

Dilution – If you do not take up all of your entitlements to acquire New Shares under the Retail Entitlement Offer, your percentage shareholding in HGL will be diluted. As a pro-rata offering to all

eligible Shareholders, if you participate for your full Entitlement, your percentage shareholding in HGL will not be diluted.

Illiquidity of Shares – Because of the relatively low volume of trading in HGL’s securities, the market price of Shares may fall or be made more volatile. When trading volume is low, significant price movement can be caused by trading in a relatively small number of Shares. There is no guarantee that an active market in the Shares will develop. If trading in the Shares is illiquid, there is a risk that investors will be unable to realise their investment in HGL.

Inability to access capital markets or refinance debt on attractive terms - HGL may require funding or working capital in the future in order to fund its operations. There is no assurance that any such capital or funding will be available on favourable terms or at all and that HGL will be able to comply with the terms of such facilities. If adequate funds are not available, HGL may not be able to achieve its performance targets or respond to competitive pressures.

Taxation implications - Further changes in tax laws, including changes in interpretation or application of those laws by a court or tax authority may affect the tax treatment of an investment in HGL Shares, or the holdings and disposal of shares. Tax consideration may differ between HGL Shareholders. Therefore, prospective investors are encouraged to seek professional tax advice in connection with any investment in HGL Shares.

Accounting standards - Australian accounting standards are set by the Australian Accounting Standards Board (AASB) and are outside HGL’s control. Changes to accounting standards issued by AASB could materially affect the financial performance and position reported in HGL’s financial statements.

Distributions - Any future dividend levels will be determined by the HGL board, having regard to its operating results and financial position (including profitability, cash flow and capital requirements) at the relevant time. There is no guarantee that any dividend will be paid by HGL or, if paid, that they will be paid at previous levels.

General economic risks - The operating and financial performance of HGL is influenced by a variety of general economic and business conditions, including inflation, interest rates and exchange rates, supply and demand, industrial disruption access to debt and capital markets and government fiscal, monetary and regulatory policies. Changes in general economic conditions could adversely impact the operating and financial performance of HGL.

5.1 Eligible Retail Shareholders

This information contains an offer of New Shares to Eligible Retail Shareholders and has been prepared in accordance with section 708AA of the Corporations Act.

Eligible Retail Shareholders are those persons who:

- are registered as a holder of existing Shares as at 7.00pm on the Record Date;
- have a registered address on the HGL share register in Australia, New Zealand, the United Kingdom (as described in the "Selling Restrictions" included in Section 5.17 of this Retail Offer Booklet) or certain other foreign jurisdictions determined by the Directors, as at the Record Date;
- are not in the United States; and
- are eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer without any requirement for a prospectus or offer document to be lodged or registered.

Shareholders who are not Eligible Retail Shareholders are Ineligible Retail Shareholders.

HGL reserves the right to determine whether a shareholder is an Eligible Retail Shareholder or an Ineligible Retail Shareholder.

By returning a completed personalised Entitlement and Acceptance Form or making a payment by BPAY®, you will be taken to have represented and warranted that you satisfy each of the criteria

listed above to be an Eligible Retail Shareholder. Nominees and custodians are therefore advised to seek independent professional advice as to how to proceed.

HGL has determined that it is unreasonable to make offers under the Retail Entitlement Offer to shareholders who have registered addresses outside Australia, New Zealand, the United Kingdom or certain other foreign jurisdictions determined by the Directors (as described in the "Selling Restrictions" section included in Section 5.17 of this Retail Offer Booklet), having regard to the number of such holders in those places and the number and value of the New Shares that they would be offered, and the cost of complying with the relevant legal and regulatory requirements in those places.

HGL reserves the right (in its absolute discretion) to extend the Retail Entitlement Offer to shareholders who have registered addresses outside of the above jurisdictions in accordance with applicable law.

5.2 ASIC Relief

HGL has sought, and received, from ASIC relief to enable the Company and eligible Shareholders to rely on the exemption in item 10 of section 611 of the Corporations Act, notwithstanding that:

- the Entitlement Offer will not be extended to all foreign Shareholders and the conditions of the exemption in item 10 of Section 611 of the Corporations Act will therefore not be satisfied in relation to certain foreign Shareholders; and
- HGL will not implement the nominee procedure set out in section 615 of the Corporations Act.

5.3 Ranking of New Shares

New Shares and any Additional New Shares issued under the Entitlement Offer will be fully paid and rank equally in all respects with existing Shares. The rights and liabilities attaching to the New Shares are set out in HGL's Constitution.

5.4 Key Risks

You should refer to the "Key Risks" included in Section 4 of this Retail Offer Booklet. You should consider these factors in light of your personal circumstances, including financial and taxation issues, before making a decision in relation to your Entitlement. You should also consider general risks applicable to all investments in listed securities.

5.5 No cooling off rights

Cooling off rights do not apply to an investment in New Shares and any Additional New Shares. You cannot withdraw your application once it has been accepted.

5.6 No Entitlements trading

Entitlements are non-renounceable and cannot be traded on the ASX or any other exchange, nor can they be privately transferred.

5.7 Rounding of Entitlements

Where fractions arise in the calculation of an Entitlement, they will be rounded up to the nearest whole number of New Shares.

Where fractions arise in the calculation of Additional New Shares for which an Eligible Retail Shareholder may apply (by application of any scale back), the Additional New Shares will be rounded up to the nearest whole number of Additional New Shares.

5.8 Capital structure

After the issue of New Shares under the Retail Entitlement Offer, the capital structure of HGL is expected to be as follows (subject to rounding of fractional Entitlements and assuming all New Shares are issued):

Shares on issue as at the date of launch of the Entitlement Offer	62,149,585
Maximum number of New Shares to be issued under the Entitlement Offer	19,421,746
Total Shares on issue on completion of the Entitlement Offer	81,571,331

5.9 Implications of minority shareholders not taking up their entitlements under the Retail Entitlement Offer

There are various possible scenarios in relation to the Entitlement Offer that may arise each with varying impacts on the control of HGL. The outcome of these scenarios will largely depend on the extent to which Shareholders take up their Entitlement. However, the Entitlement Offer is structured as a pro-rata issue, which reduces the potential effect of the issue of the New Shares and Additional New Shares on the control of HGL.

As announced to the market on 17 April 2020, HGL's two largest substantial shareholder groupings participated in the Accelerated Entitlement Offer so that as at the date the Retail Entitlement offer opens they will hold 60.0% of Shares on issue.

Depending on whether Eligible Retail Shareholders elect to take up their full Entitlements, there are a range of potential ownership outcomes which may eventuate, a number of which are shown below:

- If all Eligible Retail Shareholders take up their full Entitlements and all Additional New Shares are subscribed for, then each Eligible Retail Shareholder who does not subscribe for Additional New Shares' percentage ownership interest (and voting power) in HGL will remain the same, however, Eligible Retail Shareholders who subscribe for Additional New Shares will increase their percentage ownership interest (and voting power) but there will be no effect on the control of HGL;
- If an Eligible Retail Shareholder does not take up all of their Entitlements, their percentage ownership interest (and voting power) in HGL will be diluted; and
- If the only Shareholders to take up their Entitlements are the two largest substantial shareholder groupings who participated in the Accelerated Entitlement Offer, those

substantial shareholder groups will increase their ownership interest in the group to 60.0%.

Ownership of HGL following the Entitlement Offer

The table below illustrates the effect of the Entitlement Offer on the control of HGL where all Shareholders take up their Entitlements.

Shareholder	Number of ordinary HGL shares held (pre-Entitlement Offer)	Number of ordinary HGL shares held (post-Entitlement Offer)	% of total ordinary HGL shares on issue (post-Entitlement Offer)
Sery Group	16,778,304	22,021,524	27.00%
Constable Group	16,339,554	21,445,665	26.29%
Other Shareholders	29,031,727	38,104,142	46.71%
Shares on issue	62,149,585	81,571,331	100.00%

The table below illustrates the effect of the Entitlement Offer on the control of HGL where only the two largest substantial shareholder groupings take up their Entitlements.

Shareholder	Number of ordinary HGL shares held (pre-Entitlement Offer)	Number of ordinary HGL shares held (post-Entitlement Offer)	% of total ordinary HGL shares on issue (post-Entitlement Offer)
Sery Group	16,778,304	22,021,524	30.37%
Constable Group	16,339,554	21,445,665	29.58%
Other Shareholders	29,031,727	29,031,727	40.05%
Shares on issue	62,149,585	72,498,916	100.00%

5.10 Potential dilution if you do not participate

You should note that if you do not participate in the Retail Entitlement Offer, your holdings may be diluted by as much as approximately 24% (as compared to your holdings and number of Shares on issue as at the Record Date).

The following are examples of how any dilution may impact you if you do not participate in the Retail Entitlement Offer, assuming the maximum number of New Shares are issued:

Example Shareholder	Holding as at Record Date	% as at Record Date	Entitlement under the Entitlement Offer	Holdings if Entitlement not taken up	% following allotment of New Shares
Shareholder 1	1,250,000	2.01%	390,625	1,250,000	1.54%
Shareholder 2	250,000	0.40%	78,125	250,000	0.31%
Shareholder 3	50,000	0.08%	15,625	50,000	0.06%
Shareholder 4	10,000	0.02%	3,125	10,000	0.01%
