ASX approval for Company to delist at the close of business on 18 January 2019

On 18 October 2018 the Company applied to the ASX to be delisted after the close of business on 18 January 2019. The Company has now received approval from the ASX to be removed from the official list of the ASX after the close of business on 18 January 2019.

The reason for the application is that the Company was the subject of a takeover offer by Lakes Oil N.L. and no longer meets the requirements of the ASX in that it no longer has the spread of shareholders required by the ASX rules.

The removal from the official list of the ASX will mean that if shareholders do not dispose of their shares before the close of business on 18 January 2019 they will only be able to sell them off market.
