

Distribution Reinvestment Plan Booklet

1. Summary of the Distribution Reinvestment Plan

The Distribution Reinvestment Plan (**Plan**) offers Unitholders the opportunity to purchase additional Units in EFF by reinvesting part or all of their periodic Cash Distributions. It also sets out how any Unit Distribution will be reinvested.

Walsh & Company Investments Limited (ACN 152 367 649) in its capacity as responsible entity (**Responsible Entity**) of the Evans & Partners Australian Flagship Fund (**EFF**) considers it important that the Plan operates to the advantage of all Unitholders, not only those that participate in the Plan. Therefore, the Responsible Entity will operate the Plan where they have formed the view that the benefits derived from the capital raised through the Plan will exceed the costs associated with the Plan.

Accordingly, under the terms of the Plan, the Responsible Entity has the ability to:

- a) determine the portion of each Distribution that will be a Cash Distribution and the portion that will be a Unit Distribution;
- b) determine the amount of capital that the Plan will raise by limiting the number of Units in EFF that can be issued under the Plan at each Distribution;
- c) suspend the Plan; and
- d) determine that the Plan will be underwritten.

The following sections outline the way the Plan works and should be read in conjunction with the Plan rules (attached to this booklet as Annexure A) (**Plan Rules**). If you are interested in participating in the Plan you are encouraged to read the Plan Rules in full.

Any capitalised terms used in this booklet which are undefined have the same meaning as given in the Plan Rules.

2. Participation in the Plan

Participation in the Plan is optional for any Cash Distribution and mandatory for any Unit Distribution.

3. Eligibility to Participate

Participation in the Plan is open to Unitholders resident in Australia. The Plan is not registered under the securities laws of any other jurisdiction. Consequently, Unitholders of the Fund whose registered address is not in Australia may not be able to participate in the Plan.

At its discretion and subject to the Corporations Act and the Fund Constitution, the Responsible Entity may refuse to accept or reject any election to participate in the Plan or may determine not to reinvest a Unit Distribution in accordance with this Plan.

Where the Responsible Entity elects not to reinvest a Unit Distribution, the Responsible Entity at its discretion will either:

- a) pay the Unit Distribution entitlement in cash; or
- b) have any Unit Distribution entitlement issued in the name of a nominee determined by the Responsible Entity, with the Units sold on the ASX and the net proceeds paid to the Responsible Entity who will arrange for the payment to be remitted to the relevant Unitholder.

4. How to Participate

To participate, vary a previous election or terminate participation, a Unitholder must lodge a Distribution Election Notice with EFF's Registry. If a Unitholder has multiple security holding accounts in EFF, a separate Distribution Election Notice will be required for each account.

The Responsible Entity will determine what portion of a Distribution is to comprise a Cash Distribution and what portion is to comprise a Unit Distribution. The Responsible Entity will notify all participating Unitholders of such determination. Unitholders may elect to participate for all or part of their Cash Distribution. All Unit Distributions are required to be reinvested in accordance with this Plan.

The Plan has no minimum participation requirement in respect of a Cash Distribution. In addition, Unitholders may vary or terminate their participation in the Plan in respect of a Cash Distribution at any time.

A Distribution Election Notice may be lodged with EFF's registry at any time. A Distribution Election Notice received before the Notification Date will take effect for that and subsequent distribution periods. A Distribution Election Notice to participate, vary or terminate participation received after a Notification Date will apply only to subsequent Distribution periods.

5. How the Plan Operates

For each Distribution period, the Responsible Entity will announce on EFF's website, and, if EFF is Listed, on the ASX announcements platform the:

- a) Distribution entitlement for each Unit;
- b) proportion (if any) of the Distribution that is a Unit Distribution;
- c) proportion of the Distribution that is a Cash Distribution;
- d) maximum number of fully paid Units in EFF which can be issued under the Plan (**Maximum Plan Amount**) (if any);
- e) price at which Units will be issued under the Plan (**Reinvestment Price**) and the method by which the Reinvestment Price is to be determined, including the amount of any Discount;
- f) Record Date;
- g) Notification Date; and
- h) Payment Date of the Distribution and the issue date for Units issued under the Plan (**Distribution Date**).

The Responsible Entity will determine each Unitholder's Distribution entitlement.

6. Reinvestment Price

The Reinvestment Price will be a price determined by the Responsible Entity in accordance with the Fund Constitution and the Plan.

7. Brokerage and Commission

Units acquired through the Plan will be issued free of brokerage and commission.

8. Plan Underwriting

Where the Responsible Entity considers it appropriate, the Plan may be partly or fully underwritten.

9. Ranking for Distributions

Units created through the Plan will rank equally in all respects with existing issued Units from the date of issue.

10. Taxation

The Responsible Entity takes no responsibility for the taxation liabilities of Unitholders and suggest you obtain independent advice concerning your taxation position.
