## Appointment of Director

ReNu Energy Limited (**ASX: RNE**) is pleased to announce the appointment of Mr Boyd White to its Board of Directors, effective today.

Mr White has an accomplished record in the power (renewable and thermal), transmission, oil, gas and mining sectors. He has over 30 years of business experience and will bring strong strategic, commercial, development and entrepreneurial skills to the ReNu Energy Board. Mr White holds a Bachelor of Business (Accounting) from the Queensland University of Technology and an MBA from the University of Queensland.

Mr White has held executive roles internationally with US multinationals Halliburton Company and KBR Inc, and domestically with Tarong Energy Ltd and Territory Generation. Mr White is the Principal of New Energy Capital, developing amongst other things an integrated bioenergy business in Europe and providing development services for gold and lithium exploration projects in Argentina.

Mr White's appointment comes at a strategic point in the Company's operations as it seeks to pursue corporate combination and future renewable development opportunities with capital market support.

ReNu Energy Chairman, Mr Steve McLean said "We are extremely happy to welcome an industry leader of Boyd's experience to the Board of ReNu Energy. Boyd's strong commercial and technical experience in the energy sector will be of substantial value to the Company. I am confident Boyd will make a significant contribution to the Company and we look forward to working with him."
