BrainChip Presents Year End Company Update and Webinar

Sydney – 30 December 2019: BrainChip Holdings Ltd (ASX:BRN), a leading provider of ultra-low power, high performance edge AI technology, is pleased to announce that it will provide its year-end update Thursday, January 2, 2020 at 9:00 AM (AEDT) with a webinar to follow Friday January 3 at 9:00 AM (AEDT)

Interested investors can register for the webinar on the Company's website at <https://ir.brainchipinc.com/quarterly-update> and may submit questions in advance to brainchipupdate@brainchipinc.com.

This announcement is authorised for release by the BRN Board of Directors.

About BrainChip Holdings Ltd (ASX:BRN)

BrainChip Holdings Ltd is a leading provider of neuromorphic computing solutions, a type of artificial intelligence that is inspired by the biology of the human neuron. The Company's revolutionary new spiking neural network technology can learn autonomously, evolve and associate information just like the human brain. The proprietary technology is fast, completely digital and consumes very low power. The Company provides software and hardware solutions that address the high-performance requirements in civil surveillance, gaming, financial technology, cybersecurity, ADAS, autonomous vehicles, and other advanced vision systems. www.brainchip.com
