### About 9 Spokes

9 Spokes is a tracking tool designed to help SMEs enhance their performance and be their best business self. It collates and sorts the SME's data, so they can more easily see their progress against the things that matter most to their business.

SMEs can connect their cloud software to 9 Spokes to get a comprehensive picture of their business performance through a single smart dashboard—so it's easier to make the big and small decisions required to manage and grow their business effectively. As well connecting their existing supported software to the dashboard, businesses can choose from a selection of other recommended and accredited apps to suit their industry.

9 Spokes is provided under a direct model to small businesses and as a white labelled platform allowing key Banking Partners to offer 9 Spokes to their SME customers under their own brand.
