BOSTON and SYDNEY – 30 April 2019 – GI Dynamics® Inc. (ASX:GID), a medical device company that is developing EndoBarrier, today released its Appendix 4C — Quarterly Cash Flow Report for the quarter ending 31 March 2019.

Key Financial Information

Appendix 4C, which has been prepared in U.S. dollars under U.S. GAAP, is attached and the results disclosed in Appendix 4C are unaudited. The Company also plans to file its Quarterly Report on Form 10-Q with the U.S. Securities and Exchange Commission and the Australian Securities Exchange on or before 15 May 2019. Form 10-Q will provide financial statements for the quarterly period ended 31 March 2019, along with management's discussion and analysis of financial condition and results of operations.

As of 31 March 2019, the Company had cash and cash equivalents of \$1.3 million compared to \$3.8 million on 31 December 2018. The change in the cash and cash equivalents balance for the quarter is primarily comprised of \$3.4 million of net cash used in operating activities offset by net cash from financing activities of \$0.9 million.

Forward-Looking Statements

This announcement may contain forward-looking statements. These statements are based on GI Dynamics management's current estimates and expectations of future events as of the date of this announcement. Furthermore, the estimates are subject to several risks and uncertainties that could cause actual results to differ materially and adversely from those indicated in or implied by such forward-looking statements.

These risks and uncertainties include, but are not limited to, risks associated with our ability to continue to operate as a going concern; our ability to raise sufficient additional funds to continue operations and to conduct the planned pivotal trial of EndoBarrier in the United States (GID 18-1); our ability to execute the GID 18-1 under FDA's Investigational Device Exemption; our ability to enlist clinical trial sites and enroll patients in accordance with the GID 18-1; the risk that the FDA stops the GID 18-1 early as a result of the occurrence of certain safety events or does not approve an expansion of the GID 18-1; our ability to maintain compliance with our obligations under our existing convertible note and warrant agreements executed with Crystal Amber Fund Limited, including our obligations to make payment on the relevant note that is due in May 2019; our ability to restructure the terms of the convertible note with Crystal Amber Fund Limited that is due in May 2019 if we are unable to raise sufficient funds to enable us to fully repay such note when due; obtaining and maintaining regulatory approvals required to market and sell our products; the possibility that future clinical trials will not be successful or confirm earlier results; the timing and costs of clinical trials; the timing of regulatory submissions; the timing, receipt and maintenance of regulatory approvals; the timing and amount of other expenses; the timing and extent of third-party reimbursement; intellectual-property risk; risks related to excess inventory; risks related to assumptions regarding the size of the available market; the benefits of our products; product pricing; timing of product launches; future financial results; and other factors, including those described in our filings with the U.S. Securities and Exchange Commission.

Given these uncertainties, one should not place undue reliance on these forward-looking statements. We do not assume any obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or otherwise, unless we are required to do so by law.

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
