Partnership Signed with US Based Greenhouse Software

intelliHR Holdings Limited (ASX:IHR) has executed a mutual revenue share agreement with Greenhouse a leading Recruiting Software and Applicant Tracking System based in the US.

intelliHR has been actively pursuing relationships both within Australia and abroad for potential integrations that may support new customer lead generation opportunities and fast track the building of an ecosystem of integrated best in class HR tools, centred around intelliHR as the essential core people management platform for business.

Greenhouse is an excellent technology to be partnering with intelliHR as its mission is to help companies become great at hiring with their leading Talent Acquisition Suite. Conversely, intelliHR provides companies leading people management tools to look after people from the minute they are hired, delivering improved performance, culture and staff retention.

In addition to being complementary technologies, Greenhouse and intelliHR share the same ideal customer profile, both target the mid to enterprise segment and have a global growth orientation.

Greenhouse is the fastest-growing provider of enterprise talent acquisition software winning numerous awards including #1 Best Place to Work by Glassdoor, Forbes Cloud 100, and Talent Acquisition FrontRunner leader by Software Advice. With offices in New York, Denver and San Francisco, Greenhouse employs over 350 staff and has in excess of 3,000 customers worldwide including some of the most successful companies like Hubspot, Pinterest, Cisco Meraki, Time Inc., and Airbnb.

In time, intelliHR will become available in Greenhouse's App Marketplace increasing intelliHR's third party online lead generation capabilities as well as helping intelliHR become a key consideration in a global marketplace.
