
Namoi Cotton Limited
Namcott Investments Pty Limited - Lodges Pre -Discovery Application in Court

Namoi Cotton today confirmed it's 100% owned subsidiary Namcott Investments Pty Limited ("Namcott") has filed a pre-discovery application with the Federal Court of Australia for the purpose of seeking access to documents and accounting information from Cargill Australia Limited relating to an ongoing commercial dispute surrounding the financial performance of the Cargill Oilseeds Australia Partnership ("COA") and Cargill Processing Limited ("CPL"), in which Namoi Cotton has a 15% equity interest.

This action is required following numerous requests from Namcott to Cargill Australia Limited for this information. The Board of Namoi Cotton believes this course of action is in the best interests of Namoi Cotton's shareholders in order to preserve the value of Namoi Cotton's investment and interests. The Board will keep the market informed of new developments when appropriate.
