## Sirtex Complies with ASIC Infringement Notice

### Sydney, Australia

Sirtex Medical Limited (ASX:SRX) today announces that it has complied with an Infringement Notice issued by ASIC related to an alleged contravention of its disclosure obligations in connection with the Trading Update released by the Company on 9 December 2016.

The Infringement Notice alleged that certain information contained in the Trading Update should have been released by the Company on 21 November 2016.

Sirtex denies that allegation. Nevertheless, Sirtex considered that it was in the best interests of the Company to pay the Infringement Notice penalty of \$100,000, given the anticipated cost of contesting the Infringement Notice, and the Company's other more important business priorities at this time.

The issue of the Infringement Notice, and the Company's compliance with it, does not comprise a finding that the Company breached its disclosure obligations, nor is it an admission of liability by the Company with respect to the allegations.
