LifeHealthcare Group Limited & K2M Group Holdings, Inc. Announce New Distribution Agreement for Australia & New Zealand

LifeHealthcare Group Limited (ASX:LHC) ("LifeHealthcare"), a leading independent provider of medical devices and healthcare solutions in Australia and New Zealand (ANZ) and K2M Group Holdings, Inc. (NASDAQ:KTWO) ("K2M"), a global leader of complex spine and minimally invasive solutions focused on achieving three-dimensional Total Body Balance™, today announced that the two companies entered into a new supply agreement for the distribution of K2M's innovative spinal technologies.

The LifeHealthcare/K2M distribution partnership, which dates back to 2010, has yielded strong growth and a significant spine market position in ANZ. Looking to build on this success, LifeHealthcare and K2M have entered into a new five-year agreement with the shared goal of establishing a number one spine market position in ANZ.

Matt Muscio, LifeHealthcare's CEO, stated, "I am very pleased to announce our new five-year contract with K2M through 2021. K2M is a globally recognised innovator in complex spine, having led the way in deformity and now minimally invasive and 3D-printed spine solutions. Through our partnership, we have delivered highly successful product initiatives, such as the EVEREST® MI XT and MESA® platforms, and market leading education forums, such as Deformity Down Under, to address the needs of Australian and New Zealand clinicians and their patients. We look forward to working with Eric Major and the K2M team over the coming years to reach our shared aspiration of the number one market share position in the Australian and New Zealand spine market."

Eric Major, K2M's President and CEO, stated, "LifeHealthcare has been an important strategic partner of ours for many years and their established distribution presence and strong surgeon relationships have been instrumental in K2M's strong market share growth in Australia and New Zealand. We are happy to announce our new agreement and look forward to offering innovative spinal technologies, such as our EVEREST MI XT Spinal System, our industry-leading 3D-printed CASCADIA™ Lateral Interbody System, and our comprehensive Balance ACS™ platform focused on achieving three-dimensional spinal balance, to surgeons in this important international spine market."
