About Decimal

Our purpose is to make financial advice available to all Australians via advice delivery technology, across channels when and where they choose.

We partner with banks, superannuation funds and fund administrators already entrusted with customers' retirement savings, to deliver advice to the community as a whole. To achieve this, we have developed the world's first enterprise-focused omni channel advice delivery technology. Our software provides consistent, fully compliant financial advice to our client organisations' customers across multiple platforms of digital, phone or face-to-face, across numerous topics such as savings, superannuation, insurance and retirement, as well as investments.

Decimal is headquartered in Australia and listed on the ASX under the code DSX. See www.decimal.com
