About Updater:

Updater, the US leader in ReloTech, makes moving easier for the millions of American households that relocate every year. With Updater, users seamlessly transfer utilities, update accounts and records, forward mail, and much more. Hundreds of the most prominent real estate companies in the US (from real estate brokerages to property management companies) rely on Updater's real estate products to save clients hours with a branded and personalised Updater moving experience. With significant market penetration of all US household moves, Updater enables contextual and personalised communication between relocating consumers and the US businesses spending billions of dollars trying to reach them.

Updater is headquartered in New York City, and prior to listing on the ASX, Updater received significant investments from leading US venture capital firms including SoftBank Capital, IA Ventures, and Second Century Ventures (the strategic investment division of the National Association of REALTORS®).
