## **Notes to the Financial Statements**

For the Half-Year Ended 31 December 2017

---

### **1. BASIS OF PREPARATION AND ACCOUNTING POLICIES**

The half-year financial report is a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 Interim Financial Reporting.

The half-year financial report does not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the consolidated entity as the annual financial report.

The half-year financial report should be read in conjunction with the Annual Financial Report of Kairiki Energy Limited as at 30 June 2017. It is also recommended that the half-year financial report be considered together with any public announcements made by Kairiki Energy Limited during the half-year ended 31 December 2017 in accordance with the continuous disclosure obligations arising under the ASX Listing Rules.

The half-year financial report has been prepared in accordance with the historical cost basis.

The half-year consolidated financial statements comprise the financial statements of Kairiki Energy Limited and its subsidiaries ("the Group") as at 31 December 2017.

#### **Going Concern**

The financial report has been prepared on the basis of accounting principles applicable to a going concern, which assumes the commercial realisation of the future potential of the Company's assets and the discharge of its liabilities in the normal course of business.

As at 31 December 2017, the Company had cash and cash equivalents of \$183,700, a loss for the half year from continuing operations of \$88,223 and a net cash outflow from operating and investing activities of \$80,104. The Company has a working capital deficiency of \$27,345.

The ability of the Group to continue as a going concern is principally dependent upon raising additional capital to fund the Group's ongoing working capital requirements, as and when required.

The Directors believe it is appropriate to prepare the financial statements on a going concern basis.

Although the Directors believe they will be successful in raising additional capital to fund working capital requirements, if they are not, there is a material uncertainty that the Group may be unable to continue as a going concern and therefore may be unable to realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

---

### 1. BASIS OF PREPARATION AND ACCOUNTING POLICIES (CONTINUED)

#### Accounting Policies

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the company's annual financial report for the year ended 30 June 2017, except as stated below.

#### *New Accounting Standards and Interpretations*

Since 1 July 2017 the Group has adopted all Australian Accounting Standards and Interpretations mandatory for reporting periods beginning on or after 1 July 2017. These standards did not have a material effect on the financial position or performance of the Group.

The Group has not elected to early adopt any new standards or amendments.

An entity related to director Robert Downey provided consulting services totalling \$Nil during the half-year ended 31 December 2017 (half-year ended 31 December 2016: \$Nil). Amounts remained in trade creditors as at 31 December 2017 for services provided in previous years.

An entity related to director Scott Brown provided consulting services totalling \$10,000 during the half-year ended 31 December 2017 ( half-year ended 31 December 2016:\$nil).

### **Independent Review Report to the Members of Kairiki Energy Ltd**

#### **The financial report and directors' responsibility**

The interim consolidated financial report comprises the statement of financial position, statement of comprehensive income, statement of changes in equity, cashflow statement, accompanying notes to the financial statements, and the directors' declaration for Kairiki Energy Ltd for the half-year ended 31 December 2017.

The Company's directors are responsible for the preparation and fair presentation of the consolidated financial report in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

#### **Review approach**

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the interim consolidated financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated financial position as at 31 December 2017 and the performance for the half year ended on that date; and complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As auditor of Kairiki Energy Ltd, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly we do not express an audit opinion.

#### **Independence**

In conducting our review we have complied with the independence requirements of the *Corporations Act 2001*.

#### **Conclusion**

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim consolidated financial report of Kairiki Energy Ltd is not in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the consolidated financial position as at 31 December 2017 and of the performance for the half-year ended on that date; and
- complying with Australian Accounting Standard AASB134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**Emphasis of Matter regarding Continuation as a Going Concern**

Without qualifying our conclusion, we draw attention to Note 1 in the financial report which indicates the basis for preparing the accounts on a going concern basis.

As stated in Note 1 in the event the consolidated entity is unable to raise additional funds there is a material uncertainty as to whether the consolidated entity could continue as a going concern and therefore may be unable to realise its assets and extinguish its liabilities in the normal course of business and for the amounts stated in the financial report.
