Background

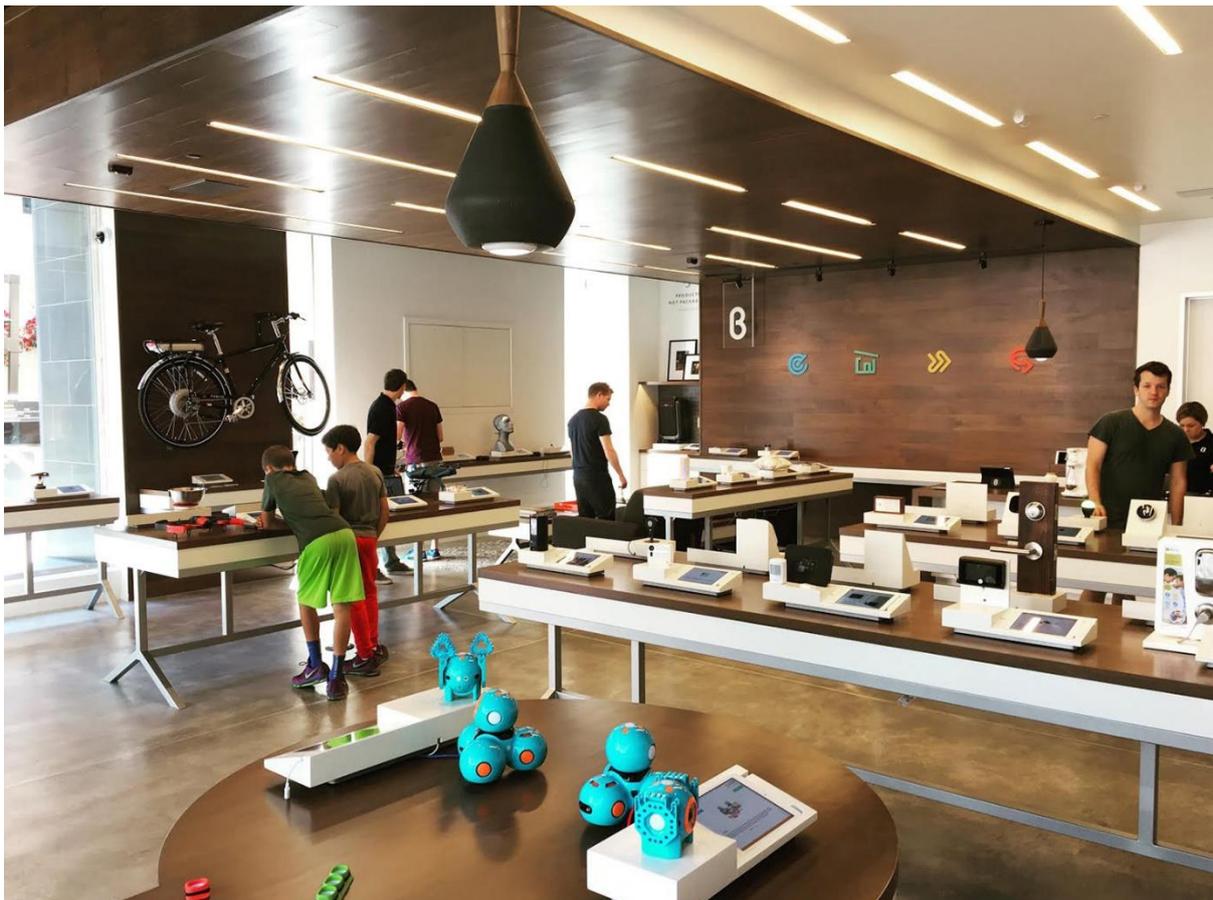

The IOT Group Limited (ASX: IOT) (“IOT Group” or “the Company”) is pleased to advise of the following major highlights:

- Purchase Orders have been received and AirSelfies have been dispatched to “b8ta” Stores across the US. www.b8ta.com - The AirSelfie is planned to be in all “b8ta” stores by November.

b8ta is a new concept in retailing featuring new innovative products which generates excitement about shopping in traditional retail stores again. They are extremely selective about products in their range and only accept around 20% of the products offered to them. b8ta was founded in 2015 by Nest alums Vibhu Norby, William Mintun and Phillip Raub, and has outlets in San Francisco, Palo Alto, Santa Monica, Seattle, and Austin, among others.

- IOT is also pleased to announce that IOT has signed with First Delta Group www.firstdeltagroup.com First Delta Group will work with Spring/Cities as a Consultancy firm headquartered in Chicago, IL, with offices in Baltimore, MD, New York City, & Deerfield Beach, FL. First Delta Group assure successful sell through to the end user. First Delta Group has been in business for over 30 years and have represented some of the biggest and best brands in the industry. Some of our manufacturing partners have included MakerBot 3D Printing, iHome, Beats by Dre, Ring Video Doorbell, Yamaha, Casio, Samsung, TDK, Sony, Kodak and GE. First Delta Group pride ourselves on owning long term vendor relationships, some of which span over 20 + years.

- IOT is also pleased to announce that B&H Photo have listed the AirSelfie and Amazon are in the process of listing the ROVA colours and AirSelfie. Best Buy US will add the AirSelfie to their online business in November with a view to extending it throughout their stores.
- Telstra has taken delivery of the AirSelfie which will be in stores throughout Australia over this week and will be included in their main Catalogue next week for Christmas.
- South America / LATAM sales introductions have been very encouraging and Purchase Orders will result from Mexico and Colombia within the first 14 days of November for immediately listing prior to Christmas.
- London, Ireland and Benelux will begin to order within the first 14 days of November for immediate delivery prior to Christmas
- In the EU, UK and South America/LATAM, our sales accelerators are targeting on-line retailers for Christmas as they plan for wider distribution for 2018 and 2019. This will mean immediate sales for November and December and programmed sales for 2018.
- Retailers in all areas of IOT distribution are willing to list the AirSelfie and ROVA for their 2018 sales planograms.

Commentary

Executive Director of IOT Group, Mr. Sean Neylon comments:

"IOT is increasing its reach in the US with listing the AirSelfie in the new "b8ta" stores across the US. Telstra, Best Buy, Amazon, B&H and many more now listing and stocking the AirSelfie and ROVA. With agreements being signed with more sales accelerators and distributors around the world – including South America and Europe. IOT is growing fast and anticipates good results to complete the year."

About IOT Group Limited

EVERYTHING IS CONNECTED

Website: www.theiotgroup.com

IoT Group has tapped into global niche markets by adapting and enhancing existing trend products and making them more affordable, useful and innovative for consumers, in particular, the IOT Group is designing and developing a range of drones that looks to create a new category in the retail drones space.
