Charter Hall Long WALE REIT – Retail Entitlement Offer

Dear Securityholder,

On behalf of the board of Charter Hall WALE Limited, as the responsible entity of the Charter Hall Long WALE REIT, I am pleased to invite you to participate in a fully underwritten accelerated non-renounceable entitlement offer of new securities in the REIT at an issue price of \$4.15 per New Security.

Entitlement Offer

On 4 December 2017, the REIT announced its intention to raise approximately \$94.1 million by way of a fully underwritten 1 for 9.25 accelerated non-renounceable entitlement offer.

The Entitlement Offer comprises:

- An offer to Eligible Institutional Securityholders; and
- An offer to Eligible Retail Securityholders, to which this Retail Offer Booklet relates.

The Responsible Entity successfully conducted the Institutional Entitlement Offer to raise approximately \$47.6 million, at an issue price of \$4.15 per New Security. New Securities are expected to be issued under the Institutional Entitlement Offer on Monday, 18 December 2017.

The Entitlement Offer is fully underwritten by UBS AG, Australia Branch.

Use of proceeds

The proceeds from the Entitlement Offer will be used to fund the acquisition of a 100% interest in Virgin Australia's head office at 56 Edmondstone Road, Brisbane for \$90.8 million¹ and associated transaction costs. The acquisition price reflects a 6.9% initial passing yield and 6.8% capitalisation rate. The Acquisition is in line with the REIT's strategy to grow the portfolio across multiple real estate sectors for diversification benefits.

Key highlights of the Acquisition include:

- Long WALE asset fully leased to a high quality ASX-listed tenant with a WALE of 8.4 years²
- A significant 8,982sqm site located in the fast growing Brisbane Fringe – Urban Renewal Precinct
- Improves the sector, geographic and tenant diversification of the REIT's portfolio
- 3.5% annual fixed rent reviews improve the earnings growth profile of the REIT

Financial impact of the Acquisition and the Entitlement Offer

Following the Acquisition, Entitlement Offer and including the impact of the REIT's December 2017 revaluations, the REIT's pro-forma June 2017³:

- balance sheet gearing will reduce from 29.9% to 29.1%;
- look through gearing will reduce from 37.7% to 36.3%; and
- NTA is expected to increase from \$3.93 to \$4.02

Additional information on the transaction rationale, use of the proceeds of the Entitlement Offer, the REIT and its strategy is contained in the ASX Announcement and the Investor Presentation annexed to this Retail Offer Booklet.

1 Excluding transaction costs. The acquisition will occur by the REIT acquiring 100% of the units in Charter Hall Direct VA Trust, the sole asset of which is the Virgin Australia Head Office. The Acquisition terms imply an acquisition price for the Virgin Australia Head Office of \$90.8 million.

2 As at 31 December 2017 by gross passing income (REIT ownership interest).

3 Including post balance date acquisitions of Bunnings South Mackay as well as acquisition of Bridge Inn Hotel and divestment of Prestons Hotel which are both under contract.

Retail Entitlement Offer

This Retail Offer Booklet relates to the Retail Entitlement Offer, which will raise approximately \$46.5 million. Under the Retail Entitlement Offer, Eligible Retail Securityholders can subscribe for 1 New Security for every 9.25 Securities they hold as at the Record Date at an Issue Price of \$4.15 per New Security. The Issue Price under the Retail Entitlement Offer is the same Issue Price as for the Institutional Entitlement Offer, and represents:

- a discount of 1.6% to the 5 day volume-weighted average price of Securities to 1 December 2017;
- a discount of 3.2% to the theoretical ex-rights price (TERP)⁴;
- a FY18 Operating Earnings Yield of 6.4%⁵; and
- a FY18 Distribution Yield of 6.4%⁵.

New Securities issued under the Entitlement Offer will rank equally with existing Securities and will be fully entitled to the distribution for the quarter ending 31 December 2017.

The number of New Securities for which you are entitled to subscribe for under the Retail Entitlement Offer is set out in your personalised Entitlement and Acceptance Form that will accompany this Retail Offer Booklet when it is despatched to Eligible Retail Securityholders by Friday, 8 December 2017.

The Entitlement Offer is non-renounceable and therefore your Entitlements will not be tradeable on ASX or otherwise transferable. This means that Eligible Retail Securityholders who do not take up their full Entitlement will receive no value for those Entitlements and their percentage holding in the REIT will be reduced.

How to apply

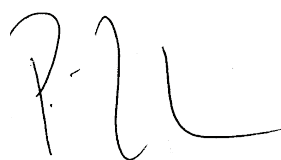

To participate in the Retail Entitlement Offer, please ensure that you validly accept it, before 5:00pm (AEDT) on Tuesday, 19 December 2017. You can accept by paying your Application Monies via BPAY®. If you choose to pay via BPAY® you are not required to submit the Entitlement and Acceptance Form but are taken to make the statements on that form and representations outlined below in Section 2.4 (implications of making an application) including the Eligible Retail Securityholder declarations set out in Section 5. Section 1 – What Should You Do?

1.1 Decide if you are eligible to participate in the Retail Entitlement Offer

The Retail Entitlement Offer is an offer only to Eligible Retail Securityholders, being Securityholders who:

1. are registered as a Securityholder on the Record Date;
2. have a registered address in Australia or New Zealand;
3. are not in the United States or acting for the account or benefit of a person in the United States;
4. are not an Institutional Securityholder; and
5. are eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer.

1.2 Read this Retail Offer Booklet and the accompanying Entitlement and Acceptance Form

This Retail Offer Booklet and the personalised Entitlement and Acceptance Form that accompanies it contain important information about the Retail Entitlement Offer. You should read both documents carefully and in their entirety before deciding whether or not to participate in the Retail Entitlement Offer.

This Retail Entitlement Offer is not being made under a product disclosure statement. This Retail Offer Booklet does not contain all of the information which would be required to be disclosed in a product disclosure statement. As a result, it is important for you to read and understand the publicly available information on the REIT and the Entitlement Offer (for example, the information available on Charter Hall Long WALE REIT's website www.charterhall.com.au/lwr or on the ASX's website www.asx.com.au) before deciding whether to accept your Entitlement and apply for New Securities.

If you are in doubt as to the course you should follow, you should seek appropriate professional advice before making an investment decision.

1.3 Consider the Retail Entitlement Offer in light of your particular investment objectives and circumstances

Please consult with your stockbroker, accountant or other independent professional adviser if you have any queries or are uncertain about any aspects of the Retail Entitlement Offer.

An investment in New Securities is subject to both known and unknown risks, some of which are beyond the control of the Responsible Entity. These risks include the possible loss of income and principal invested. The Responsible Entity does not guarantee any particular rate of return or the performance of the REIT, nor does it guarantee the repayment of capital from the REIT or any particular tax treatment. In considering an investment in New Securities, investors should have regard to (amongst other things) the Key Risks section of the Investor Presentation and the disclaimers outlined in this Retail Offer Booklet.

1.4 Decide what you want to do

If you are an Eligible Retail Securityholder, you may subscribe for all, some or none of your Entitlement.

Eligible Retail Securityholders who do not participate in the Retail Entitlement Offer, or participate for an amount less than their Entitlement will have their percentage holding in the REIT reduced. Eligible Retail Securityholders who participate in the Retail Entitlement Offer may, depending on the proportion of their Entitlement they subscribe for, maintain or reduce their percentage holding in the REIT.

The Entitlement Offer is non-renounceable, which means the Entitlements cannot be traded or otherwise transferred on the ASX or any other exchange or privately. If you do not take up your Entitlement, you will not receive any value for those Entitlements not taken up.

1.5 Apply for New Securities

To participate in the Retail Entitlement Offer, please complete and lodge a valid Entitlement and Acceptance Form and Applicable Monies for New Securities, or make a payment by BPAY®, by 5.00pm (AEDT) on Tuesday, 19 December 2017 pursuant to the instructions set out on the Entitlement and Acceptance Form. See Section 2 for more information.

Eligible Retail Securityholders have the opportunity to be allotted New Securities up to their Entitlement at the same time as Eligible Institutional Securityholders under the Institutional Entitlement Offer, on Monday, 18 December 2017 if they submit their Application and pay their relevant Application Monies by BPAY® so that cleared funds are received by 5.00pm (AEDT) on Thursday, 14 December 2017 in accordance with their Entitlement and Acceptance Form.

If you take no action your Entitlement under the Retail Entitlement Offer will lapse, you will receive no value for your lapsed Entitlement and your percentage holding in the REIT will reduce.

1.6 Questions

If you have any questions about the Retail Entitlement Offer, please do not hesitate to contact the Charter Hall Long WALE REIT Offer Information Line on +61 1300 303 063 between 8:30am and 5:30pm (AEDT), Monday to Friday during the Retail Offer Period (Friday, 8 December 2017 to Tuesday, 19 December 2017).

Section 2 – How to Apply – Eligible Retail Securityholders

2.1 Choices available to Eligible Retail Securityholders

Eligible Retail Securityholders may:

1. take up all of their Entitlement;
2. take up part of their Entitlement; or
3. do nothing and allow their Entitlement to lapse (refer to Section 2.3).

The Retail Entitlement Offer is a pro-rata offer to Eligible Retail Securityholders only.

2.2 Take up all, or part, of your Entitlement

If you wish to take up your Entitlement in full or in part, there are two different ways you can submit your Application and Application Monies.

2.2.1 Payment via BPAY®

To apply and pay via BPAY®, you should:

- read this Retail Offer Booklet and the Entitlement and Acceptance Form in their entirety (also available online at <https://events.miraqle.com/charterhallLWR-2017>) and seek appropriate professional advice if necessary;
- make your payment of the Application Monies via BPAY® for the number of New Securities you wish to subscribe for (being the Issue Price of \$4.15 per New Security multiplied by the number of New Securities you are applying for) so that it is received by no later than the Final Retail Closing Date, being 5:00 pm (AEDT) on Tuesday, 19 December 2017. You can only make a payment via BPAY® if you are the holder of an account with an Australian financial institution.

If you choose to pay via BPAY® you are not required to submit a completed Entitlement and Acceptance Form but are taken to make all of the statements on that form, including the representations and declarations outlined below in Sections 2.4 or online at <https://events.miraqle.com/charterhallLWR-2017>.

You will be taken to have applied for such whole number of New Securities which is covered in full by your Application Monies.

You can choose for your New Securities the subject of your Entitlement to be allotted at the same time as Eligible Institutional Securityholders under the Institutional Entitlement Offer on the Early Retail Entitlement Offer Allotment Date, being Monday, 18 December 2017. To do this you must pay your Application Monies via BPAY® in time to ensure that cleared funds are received no later than 5:00 pm (AEDT) on Thursday, 14 December 2017.

If your payment is received in cleared funds after 5.00pm (AEDT) on Thursday, 14 December 2017, but before the Final Retail Closing Date, New Securities will be allotted to you on the Final Allotment Date being Tuesday, 19 December 2017. Your Application Monies will not be accepted after the Final Retail Closing Date, being 5:00 pm (AEDT) on Tuesday, 19 December 2017, and no New Securities will be issued to you in respect of that Application.

If you have multiple holdings you will have multiple BPAY® reference numbers. To ensure you receive your Entitlement in respect of a holding, you must use the reference number shown on each personalised Entitlement and Acceptance Form when paying for any New Securities that you wish to apply for in respect of that holding.

Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment, and should therefore take this into consideration when making payment of Application Monies.

2.2.2 Submit your completed Entitlement and Acceptance Form together with cheque, bank draft or money order for all Application Monies

To apply and pay by cheque, bank draft or money order, you should:

- read this Retail Offer Booklet and the Entitlement and Acceptance Form in their entirety and seek appropriate professional advice if necessary;
- complete the personalised Entitlement and Acceptance Form accompanying this Retail Offer Booklet in accordance with the instructions set out on that form, and indicate the number of New Securities you wish to subscribe for; and
- return the form to the Registry (address details below) together with a cheque, bank draft or money order which must be:
 - in respect of the full Application Monies (being \$4.15 multiplied by the number of New Securities you wish to subscribe for);
 - in Australian currency drawn on an Australian branch of a financial institution; and
 - made payable to 'Charter Hall Long WALE REIT' and crossed 'Not Negotiable'.

You should ensure that sufficient funds are held in relevant account(s) to cover the full Application Monies.

Cash payments will not be accepted. Receipts for payment will not be issued.

You can only choose for your New Securities the subject of your Entitlement to be allotted at the same time as Eligible Institutional Securityholders on the Institutional Entitlement Offer on the Early Retail Entitlement Offer Allotment Date being Monday, 18 December 2017 if you pay your Application Monies by BPAY®.

If you apply and pay by cheque, bank draft or money order, your Entitlement and Acceptance Form and your Application Monies in cleared funds must be received by the Registry by no later than the Final Retail Closing Date being 5:00 pm (AEDT) on Tuesday, 19 December 2017 and New Securities will be allotted to you on the Final Allotment Date being Wednesday, 29 December 2017. Entitlement and Acceptance Forms (and payments for Application Monies) will not be accepted after the Final Retail Closing Date and no New Securities will be issued to you in respect of that Application.

You need to ensure that your completed Entitlement and Acceptance Form and cheque, bank draft or money order in respect of the full Application Monies reaches the Registry at the following address:

Postal Address

Charter Hall Long WALE REIT
C/- Link Market Services Limited
GPO Box 3560
Sydney South NSW 2001

+61 1300 303 063

Entitlement and Acceptance Forms (and payments for any Application Monies) will not be accepted at the Responsible Entity's registered or corporate offices.

For the convenience of Eligible Retail Securityholders, an Australian reply paid envelope addressed to the Registry has been enclosed with this Retail Offer Booklet.

Note that if you have more than one holding of Securities, you will be sent more than one personalised Entitlement and Acceptance Form and you will have separate Entitlements for each separate holding. A separate Entitlement and Acceptance Form and payment of Application Monies must be completed for each separate holding.

Refund of Application Monies

Any Application Monies received for more than your final allocation of New Securities or received after the Final Retail Closing Date will be refunded as soon as practicable after the Final Allotment Date. No interest will be paid to applicants on any Application Monies received or refunded.

2.3 If you take no action all of your Entitlement will lapse

If you are an Eligible Retail Securityholder and you do nothing, your Entitlements will lapse in respect of your Securities.

You should also note that, if you do not take up all of your Entitlement, then your percentage holding in the REIT will be reduced to the extent that New Securities are issued to other Eligible Securityholders.

2.4 Implications of making an Application

Returning a completed Entitlement and Acceptance Form or paying Application Monies for New Securities via BPAY® will be taken to constitute a representation by the Eligible Retail Securityholder that they:

- have received a copy of this Retail Offer Booklet and accompanying Entitlement and Acceptance Form, and read them in their entirety;
- make the Eligible Retail Securityholder declarations set out in Section 5; and
- acknowledge that once the Entitlement and Acceptance Form is returned, or a BPAY® payment instruction is given in relation to any Application Monies, the Application may not be varied or withdrawn except as required by law.

2.5 Enquiries

This Retail Offer Booklet and the Entitlement and Acceptance Form that accompanies it contain important information. You should read both documents in their entirety before deciding whether or not to participate in the Retail Entitlement Offer. If you:

- have questions in relation to the existing Securities upon which your Entitlement has been calculated;
- have questions on how to complete the Entitlement and Acceptance Form or take up your Entitlement; or
- you have lost your Entitlement and Acceptance Form and would like a replacement form,

please call the Charter Hall Long WALE REIT Offer Information Line on +61 1300 303 063 between 8:30am and 5:30pm (AEDT), Monday to Friday during the Retail Offer Period (Friday, 8 December 2017 to Tuesday, 19 December 2017). If you have further questions you should contact your professional adviser.

- acquired your Securities in respect of which your Entitlements are issued under any employee equity scheme or where you are issued with any New Securities pursuant to any employee equity scheme; or
- are subject to special tax rules such as insurance companies, partnerships, tax exempt organisations, trusts (except where expressly stated), superannuation funds (except where expressly stated) or temporary residents.

The taxation implications of the Retail Entitlement Offer will vary depending upon your particular circumstances. Accordingly, you should seek and rely upon your own professional advice before concluding on the particular taxation treatment that will apply to you.

The Responsible Entity and its officers, employees, taxation or other advisers do not accept any liability or responsibility in respect of any statement concerning taxation consequences, or in respect of the taxation consequences.

This taxation summary is necessarily general in nature and is not exhaustive of all Australian tax consequences that could apply in all circumstances for Eligible Retail Securityholders. It is strongly recommended that each Eligible Retail Securityholder seek their own independent professional tax advice applicable to their particular circumstances.

This summary does not constitute financial product advice as defined in the Corporations Act. This summary is confined to certain taxation matters, based on the relevant Australian tax laws in force, established interpretations of that law and understanding of the practice of the relevant tax authority at the date of this summary. This summary does not take into account the tax laws of countries other than Australia.

3.2 Issue of Entitlements

The issue of the Entitlements should not, of itself, result in any amount being included in your assessable income.

3.3 Acquiring New Securities

Eligible Retail Securityholders who exercise their Entitlements will acquire New Securities.

For the purposes of CGT, each New Security will:

- have an initial cost base (and reduced cost base) that is equal to the Issue Price for the New Securities plus certain non-deductible incidental costs incurred in acquiring the New Security; and
- be taken to be acquired on the day that the Entitlement in respect of the New Security is exercised.

No income tax will arise on the exercise of the Entitlements.

3.4 Distributions on New Securities

Future distributions made in respect of New Securities will be subject to the same income taxation treatment as distributions made on existing Securities held in the same circumstances.

The Responsible Entity has made an irrevocable election to adopt the Attribution Managed Investment Trust (AMIT) regime. The Responsible Entity intends to attribute the taxable income of the REIT to its Securitiesholders on a fair and reasonable basis each year. On this basis and the basis that the REIT undertakes only eligible investment business activities (i.e. passive investment activities such as investing in land for the purpose/primarily for the purpose of deriving rent). On this basis, the REIT should not have any liability for Australian income tax.

In respect of each income tax year, an Eligible Retail Securityholder will be required to include their share of the taxable income of the REIT (as advised by Responsible Entity) in their assessable income for tax purposes. An Eligible Retail Securityholder's share of the taxable income of the REIT will be included in their assessable income for the income year to which that taxable income relates and not the year in which the relevant distribution is paid to the Eligible Retail Securityholder.

If the REIT makes any non-assessable distributions to an Eligible Retail Securityholder, the cost base and reduced cost base of the Security would be reduced by the amount of the non-assessable payment.

In the event that the non-assessable distribution exceeds an Eligible Retail Securityholder's cost base in their Security, a capital gain will arise (such a gain may potentially be eligible for the CGT discount – see below). Where this happens, the cost base and reduced cost base of the Security are reduced to nil.

3.5 Disposal of New Securities

On disposal of a New Security, you will make a capital gain if the capital proceeds exceed the total cost base of the New Security. You will make a capital loss if the capital proceeds are less than the total reduced cost base of the New Security.

Individuals, complying superannuation entities or trustees that have held New Securities for at least 12 months (not including the dates of acquisition and disposal of the New Securities) should be entitled to discount the amount of any net capital gain resulting from the disposal of the New Securities (after the application of any current year or carry forward capital losses).

The CGT discount applicable is one-half for individuals and trustees and one-third for complying superannuation entities. The CGT discount is not available for companies that are not trustees.

If a capital loss arises on disposal of the New Securities, the capital loss can only be used to offset capital gains; the capital loss cannot be used to offset ordinary income. However, the capital loss can be carried forward to use in future income years if the loss cannot be used in a particular income year it, providing certain tests are satisfied.

3.6 Entitlements not taken up

As described in Section 2.3 above, any Entitlement not taken up under the Retail Entitlement Offer will lapse and the Eligible Retail Securityholder will not receive any consideration for those Entitlements. In these circumstances, there should not be any tax implications for the Eligible Retail Securityholder.

3.7 Tax file number

If an Eligible Retail Securityholder has quoted their Australian business number (ABN) (in certain circumstances), tax file number (TFN) or provided notice of an exemption from quoting their tax file number in respect of an existing Security, this quotation or exemption will also apply in respect of any New Securities acquired by that Eligible Retail Securityholder.

Tax may be required to be deducted by Responsible Entity from any distributions at the highest marginal tax rate if a TFN has not been not quoted, or an appropriate TFN exemption has not been provided. Where the Eligible Retail Securityholder acquires Securities in the course of an enterprise it carries on, the Eligible Retail Securityholder may quote its ABN rather than a TFN.

3.8 Other Australian taxes

No Australian GST or stamp duty will be payable by Eligible Retail Securityholders in respect of the issue or exercise of the Entitlements or the acquisition of New Securities pursuant to the Retail Entitlement Offer.

Section 4 – Important Information for Securityholders

Eligible Retail Securityholders can access their BPAY® details online when the Retail Entitlement Offer opens on Friday, 8 December 2017.

It is important to note that you will only be able to accept the Retail Entitlement Offer by either:

1. paying your Application Monies via BPAY® using the information contained on your personalised Entitlement and Acceptance Form or online at <https://events.miraql.com/charterhallLWR-2017>; or
2. completing your personalised Entitlement and Acceptance Form which accompanies this Retail Offer Booklet and returning it to the Registry together with your Application Monies by the Final Retail Closing Date, (see Section 2.2.2 for further information). Please carefully read the instructions on the accompanying Entitlement and Acceptance Form.

Securityholders in foreign jurisdictions should refer to Section 4.16 below.

4.2 Ranking of New Securities

New Securities will rank equally with existing Securities and will be fully entitled to the December 2017 quarterly distribution.

4.3 Reconciliation and fractional entitlements

In any entitlement offer investors may believe that they own more or fewer existing Securities on the Record Date than they ultimately do. This could potentially result in the requirement for reconciliation to ensure all Eligible Retail Securityholders have the opportunity to receive their full Entitlement. If this is required, it is possible that the Responsible Entity may need to issue a small quantity of additional New Securities to ensure all Eligible Institutional Securityholders and Eligible Retail Securityholders have the opportunity to receive their full Entitlement. The price at which these Securities will be issued will be the same as the Issue Price (\$4.15). The Responsible Entity also reserves the right to reduce the number of New Securities allocated to Eligible Securityholders or persons claiming to be Eligible Securityholders, if their Entitlement claims prove to be overstated, or if they or their nominees fail to provide information requested to substantiate their Entitlement claims, or if they are indeed not Eligible Securityholders.

To the extent that application of the offer ratio of 1 New Security for every 9.25 existing Securities held on the Record Date results in a fractional entitlement to New Securities for a particular Securityholder, that Securityholder's Entitlement shall be rounded up to the next higher whole number of New Securities.

4.4 Quotation and trading

The Responsible Entity will apply to ASX for official quotation of the New Securities in accordance with ASX Listing Rule requirements. Subject to approval being granted, it is expected that:

- normal trading of New Securities allotted under the Institutional Entitlement Offer and Early Retail Entitlement Offer will commence on Monday, 18 December 2017; and
- normal trading of New Securities allotted under the Retail Entitlement Offer will commence on Thursday, 28 December 2017.

4.5 Holding Statements

Holding statements are expected to be dispatched to Eligible Retail Securityholders:

- on Monday, 18 December 2017 in respect of New Securities allotted under the Institutional Entitlement Offer and Early Retail Entitlement Offer; and
- on Thursday, 28 December 2017 in respect of New Securities allotted under the Retail Entitlement Offer.

It is the responsibility of each applicant to confirm their holding before trading in New Securities. Any applicant who sells New Securities before receiving confirmation of their holding in the form of their holding statement will do so at their own risk. The Responsible Entity and the Underwriter disclaim all liability whether in negligence or otherwise (and to the maximum extent permitted by law) to persons who trade New Securities before receiving their holding statements, whether on the basis of confirmation of the allocation provided by Responsible Entity, the Registry or the Underwriter.

4.6 No Entitlement Trading

The Entitlement Offer is non-renounceable and therefore your Entitlements will not be tradeable on ASX or otherwise transferable. If you do not participate in the Retail Entitlement Offer, your Entitlement will lapse and you will receive no value for those your lapsed Entitlements and their percentage holding in the REIT will be reduced.

4.7 Participation of Director

The Directors (and their representatives) may acquire New Securities under the Entitlement Offer to the extent they are Eligible Securityholders.

- All Directors of the Responsible Entity (Charter Hall WALE Limited) have committed to take up their full Entitlements under the Entitlement Offer
- Charter Hall Group is the REIT's largest Securityholder with approximately 20.4% of securities on issue and has committed to take up its full Entitlements under the Entitlement Offer
- Charter Hall Group may sub-underwrite a portion of the Retail Entitlement Offer. On completion of the Entitlement Offer, Charter Hall Group's holding in the REIT will not exceed 21.5%.

Details of Directors' holdings of Securities and substantial holders' interests in the REIT are disclosed to, and available from, ASX at www.asx.com.au.

4.8 Withdrawal of the Entitlement Offer

The Responsible Entity reserves the right to withdraw the Entitlement Offer at any time, in which case Responsible Entity will refund any Application Monies already received in accordance with the Corporations Act and will do so without interest.

4.9 Continuous disclosure requirements

Under the Corporations Act, the REIT is a disclosing entity and is subject to ongoing reporting and disclosure obligations under the Corporations Act and the ASX Listing Rules, including the preparation of annual reports and half yearly reports.

Under the ASX Listing Rules, the Responsible Entity has an obligation (subject to certain exceptions) to notify the ASX immediately of any information that a reasonable person would expect to have a material effect on the price or value of the Securities. Such information is available to the public from the ASX.

The Responsible Entity is also required to lodge certain documents with ASIC. Such documents can be inspected and obtained from an ASIC office.

4.10 Retail Offer Booklet does not constitute investment advice

Securityholders must note that the information provided in this Retail Offer Booklet and the accompanying Entitlement and Acceptance Form, does not constitute financial product advice. This Retail Offer Booklet is not a prospectus, product disclosure statement or other form of disclosure document under the Corporations Act. All information has been prepared without taking into account your individual investment objectives, financial circumstances or particular needs. The information contained in this Retail Offer Booklet and the accompanying Entitlement and Acceptance Form should not be considered as comprehensive or to comprise all the information which a Securityholder may require in order to determine whether or not to subscribe for New Securities. Before making an investment decision, Eligible Retail Securityholders should consider the appropriateness of the information having regard to their own objectives, financial situation and needs, make their own assessment of the information and seek advice appropriate to their jurisdiction in relation to the information and any action taken on the basis of the information. Any reference to, or explanations of legislation, regulatory issues or any other legal commentary (if any) are indicative only, and do not summarise all relevant issues and are not intended to be a full explanation of a particular matter.

If, after reading this Retail Offer Booklet, you have any questions about whether you should invest in the Retail Entitlement Offer, please consult your professional adviser.

4.11 Risk factors

An investment in the REIT is subject to known and unknown risks, some of which are beyond the control of the REIT. The Investor Presentation contains a non-exhaustive summary of important factors and risks that could affect the financial and operating performance of the REIT. Please refer to the Key Risks section of the Investor Presentation for further details. When making an investment decision in connection with this Retail Entitlement Offer, it is essential that you consider these risk factors carefully in light of your individual personal circumstances, including financial and taxation issues (some of which have been outlined in Section 3 of this Retail Offer Booklet).

4.12 No authorisation beyond information contained within this Retail Offer Booklet

Any information or representation not contained in this Retail Offer Booklet may not be relied on as having been authorised by the Responsible Entity in connection with the Entitlement Offer. No person is authorised to give any information or make any representation in connection with the Entitlement Offer, which is not contained in this Retail Offer Booklet.

Except as required by law, and only to the extent so required, none of the Responsible Entity or the REIT or any of their respective directors, officers or employees or any other person, warrants or guarantees the future performance of the REIT or any return on any investment made pursuant to this Retail Information Booklet.

4.13 No cooling-off rights

Cooling-off rights do not apply to a subscription for New Securities under the Entitlement Offer. This means that you cannot withdraw your Application once it has been accepted.

4.14 Forward-looking statements

No representation or warranty is given as to the accuracy or likelihood of achievement of any forward-looking statement in this Retail Offer Booklet, or any events or results expressed or implied in any forward-looking statement. These statements can generally be identified by the use of words such as “anticipate”, “believe”, “expect”, “project”, “forecast”, “estimate”, “likely”, “intend”, “should”, “could”, “may”, “target”, “predict”, “guidance”, “plan” and other similar expressions. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements. Any forward-looking statements are provided as a general guide only, they are not guarantees of future performance and are, by their nature, subject to significant uncertainties, risks and contingencies, known and unknown.

Actual results, performance or events may differ materially from any expressed or implied in any forward-looking statement and deviations are normal and to be expected. Neither the Responsible Entity or the REIT, nor any other person, gives any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statement will actually occur.

Please refer to the Key Risks section of the Investor Presentation for a non-exhaustive summary of certain general and company-specific risk factors that may affect the REIT. Eligible Retail Securityholders should consider any forward-looking statements contained in this Retail Offer Booklet in light of those risks and disclosures. Any forward-looking statements are based on information available to the REIT as at the date of this Retail Offer Booklet and may involve significant elements of subjective judgement and assumptions as to future events which may or may not be proven to be correct. Except as required by law or regulation (including the ASX Listing Rules), the Responsible Entity disclaims any obligation and makes no undertaking to provide any additional or updated information whether as a result of new information, future events or results or otherwise, or to reflect any change in expectations or assumptions.

4.15 Past performance

Past performance is not a reliable indicator of future performance.

4.16 Offer jurisdictions – restrictions and limitations

The Retail Entitlement Offer will not be made to Securityholders with registered addresses outside Australia and New Zealand. This document does not constitute an offer or invitation in any place in which, or to any person to whom, it would not be lawful to make such an offer or invitation. Return of the Entitlement and Acceptance Form or payment by BPAY® of Application Monies shall be taken by Responsible Entity to constitute a representation by you that there has been no breach of any such laws.

This document may not be released or distributed in the United States. This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States or to US Persons (as defined in Regulation S under the US Securities Act). Any Securities described in this document have not been, and will not be, registered under the US Securities Act and may not be offered or sold in the United States or to US Persons absent registration or an exemption from registration under the US Securities Act.

The New Securities are not being offered to the public within New Zealand other than to existing Securityholders with registered addresses in New Zealand to whom the offer of these securities is being made in reliance on the Financial Markets Conduct Act 2013 and the Financial Markets Conduct (Incidental Offers) Exemption Notice 2016.

This document has been prepared in compliance with Australian law and has not been registered, filed with or approved by any New Zealand regulatory authority. This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

The distribution of this document outside Australia and New Zealand may be restricted by law. If you come into possession of this document you should observe any such restrictions and should seek your own advice on those restrictions. A failure to comply with such restrictions may contravene applicable securities laws.

4.17 Ineligible Securityholders

The Responsible Entity has decided that it is unreasonable to make offers under the Retail Entitlement Offer to retail investors who are holders of Securities and who are resident outside Australia and New Zealand, having regard to the number of such holders in those places and the number and value of the New Securities that they would be offered and the cost of complying with the relevant legal and regulatory requirements in those places.

4.18 Nominees

The Retail Entitlement Offer is being made to all Eligible Retail Securityholders. Nominees with registered addresses in the eligible jurisdictions, irrespective of whether they participate under the Institutional Entitlement Offer, may also be able to participate in the Retail Entitlement Offer in respect of some or all of the beneficiaries on whose behalf they hold Securities, provided that the applicable beneficiary would satisfy the criteria for an Eligible Retail Securityholder.

Nominees and custodians which hold Securities as nominees or custodians will have received, or will shortly receive, a letter from the Responsible Entity. Nominees and custodians should consider carefully the contents of that letter and note in particular that the Retail Entitlement Offer is not available to:

- beneficiaries on whose behalf they hold Securities who would not satisfy the criteria for an Eligible Retail Securityholder;
- Eligible Institutional Securityholders who received an offer to participate in the Institutional Entitlement Offer (whether they accepted their Entitlement or not);
- Ineligible Securityholders who were ineligible to participate in the Institutional Entitlement Offer or Retail Entitlement Offer; or
- Securityholders who are not eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer.

Due to legal restrictions, nominees and custodians may not send copies of this Retail Offer Booklet or participate in the Retail Entitlement Offer on behalf of any person in the United States or other jurisdiction outside Australia or New Zealand.

The Responsible Entity is not required to determine whether or not any registered Securityholder is acting as a nominee or the identity or residence of any beneficial owners of existing Securities. Where any Securityholder is acting as a nominee for a foreign person, that Securityholder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary in the Retail Entitlement Offer is compatible with applicable foreign laws. Nominees and custodians are advised to seek independent legal advice as to how to proceed in this regard and please note that neither the Responsible Entity, the REIT nor the Underwriter are able to advise on foreign laws.

4.19 Underwriting arrangements and fees

UBS AG, Australia Branch will be acting as lead managers, bookrunner and underwriter on the Entitlement Offer (**Underwriter**). The Responsible Entity has entered into an Underwriting Agreement with the Underwriter in respect of the Entitlement Offer.

The Responsible Entity must pay the Underwriter an underwriting fee of 2.0% of the proceeds of the Entitlement Offer and a management fee of 0.5% of the proceeds of the Entitlement Offer. For the avoidance of doubt, the underwriting fee is not payable in respect of the proceeds of the Entitlement Offer attributable to participation by Charter Hall Group. The Responsible Entity must also reimburse the Underwriter for its reasonably incurred costs in connection with the Entitlement Offer, including reasonable out of pocket expenses such as travel expenses and distribution of presentation materials, and stamp duty or similar taxes payable in respect of the Underwriting Agreement.

The Underwriting Agreement contains representations and warranties and indemnities in favour of the Underwriter. Each Underwriter may also, in certain circumstances, terminate their obligations under the Underwriting Agreement on the occurrence of certain termination events including where:

- a material statement in this Retail Offer Booklet or other Entitlement Offer documents is or becomes misleading or deceptive or is likely to mislead or deceive in a material respect (including by omission);
- CLW withdraws the Entitlement Offer;
- there are certain delays in the timetable for the Entitlement Offer which causes completion of the Underwriting Agreement to be delayed by more than 1 Business Day;
- certain ASIC action is taken in respect of the Offer or Offer Documents;
- suspension or delisting of CLW's securities; or
- the Responsible Entity ceases to be the responsible entity of CLW.

If the Underwriter terminates the Underwriting Agreement, the Underwriter will not be obliged to perform any of their obligations which remain to be performed.

The Underwriter nor any of their respective related bodies corporate and affiliates, nor any of their respective directors, officers, partners, employees, representatives, agents or advisers (the **Limited Parties**) have authorised or caused the issue of this Retail Offer Booklet and they do not take responsibility for any statements made in this Retail Offer Booklet or any action taken by you on the basis of such information. To the maximum extent permitted by law, each Limited Party disclaims all liability for any expenses, losses, damages or costs incurred by you as a result of your participation in the Entitlement Offer and this information being inaccurate or incomplete in any way for any reason, whether by negligence or otherwise. None of the Limited Parties make any recommendations as to whether you or your related parties should participate in the Entitlement Offer, nor do they make any representations or warranties to you concerning this Entitlement Offer or any such information and you represent, warrant and agree that you have not relied on any statements made by the Underwriter or any of their respective related bodies corporate and affiliates or any of their respective directors, officers, partners, employees, representatives or agents in relation to the New Securities or the Entitlement Offer generally.

4.20 Governing law

This Retail Offer Booklet, the Entitlement Offer and the contracts formed on acceptance of the Entitlement and Acceptance Forms are governed by the law applicable in New South Wales, Australia. Each Securityholder who applies for New Securities submits to the jurisdiction of the courts of New South Wales, Australia.

Charter Hall WALE Limited (**Responsible Entity**), as responsible entity of Charter Hall Long WALE REIT (ASX:CLW) (**CLW** or the **REIT**) today announced that:

- the REIT has undertaken independent revaluations of properties representing 39% of the portfolio's value as at December 2017, with these revaluations indicating a \$19.6 million uplift
- the REIT has entered into an agreement to acquire Virgin Australia's Head Office in Brisbane for \$90.8 million¹
- the REIT is conducting a \$94.1 million fully underwritten accelerated non-renounceable entitlement offer to fund the Virgin Australia Head Office acquisition

Independent valuations

46 of the REIT's 80 properties (c.39% of the portfolio by value) were independently valued as at December 2017. The revaluations show an increase of \$19.6 million, reflecting a 1.4% increase in portfolio value from June 2017 valuations. The portfolio's weighted average capitalisation rate compressed by 7 bps to 6.1%.

Acquisition

The REIT has entered into an agreement to acquire a 100% interest in Virgin Australia's head office located within the Brisbane Fringe – Urban Renewal Precinct at 56 Edmonstone Road, Bowen Hills (**Virgin Australia Head Office**) for \$90.8 million (**Acquisition**).

The A-Grade freehold asset comprises 12,427sqm of net lettable area across three low rise office buildings and is fully leased to Virgin Australia with an 8.4 year WALE².

The acquisition price reflects a 6.9% initial passing yield and 6.8% capitalisation rate. Key highlights of the Acquisition include:

- Long WALE asset fully leased to a high quality ASX-listed tenant with a WALE of 8.4 years²
- Significant 8,982sqm site located in the fast growing Brisbane Fringe – Urban Renewal Precinct
- Improves the sector, geographic and tenant diversification of the REIT's portfolio
- 3.5% fixed annual rent reviews improve the earnings growth profile of the REIT

¹ Before transaction costs. The acquisition will occur by the REIT acquiring 100% of the units in Charter Hall Direct VA Trust, the sole asset of which is the Virgin Australia Head Office. The Acquisition terms imply an acquisition price for the Virgin Australia Head Office of \$90.8 million.

² As at 31 December 2017 by gross passing income (REIT ownership interest).

"The acquisition of Virgin Australia Head Office improves the sector, geographic, tenant and tenant industry diversification of the REIT's portfolio and improves the earnings growth profile of the REIT as a result of the fixed rent reviews of 3.5% per annum from this property. Virgin Australia Head Office is leased to Virgin Australia, an ASX listed entity with a A\$2.5 billion market capitalisation and has major global shareholders including Etihad Airways, Singapore Airlines, HNA Group and Virgin Group" Mr Anger added.

Portfolio impact

	Dec-17 ³	Virgin Australia Head Office	Dec-17 (pro forma)

Entitlement Offer

The REIT will undertake a fully underwritten accelerated non-renounceable entitlement offer to raise approximately \$94.1 million (**Entitlement Offer**) to fund the Acquisition and associated transaction costs. The Entitlement Offer is underwritten by UBS AG, Australia Branch.

Eligible securityholders will be offered 1 new security in the REIT for 9.25 existing securities at a fixed issue price of \$4.15 per security (**Issue Price**).

The Issue Price represents a:

- 1.6% discount to the 5 day VWAP of \$4.22 on 1 December 2017
- 3.2% discount to the theoretical ex-rights price (TERP) of \$4.29

Securities issued under the Entitlement Offer will rank equally with existing CLW Securities and will be entitled to the distribution for the three months to 31 December 2017.

Intentions of Directors and Charter Hall Group

All Directors of the Responsible Entity have committed to take up their full entitlements under the Entitlement Offer.

Charter Hall Group is the REIT's largest securityholder with approximately 20.4% of securities on issue and has committed to take up its full entitlements under the Entitlement Offer. Charter Hall Group may sub-underwrite a portion of the retail component of the Entitlement Offer⁴.

³ Includes the acquisition Bridge Inn Hotel and divestment of Preston Hotel which are both under contract.

⁴ On completion of the Entitlement Offer, Charter Hall Group's holding in the REIT will not exceed 21.5%.

Financial impact

The REIT confirms that barring any unforeseen events and no material change in current market conditions, CLW's guidance for FY18 Operating EPS will remain unchanged at 26.4 cents per unit.

Summary of key risks

Rental Income

Distributions made by the REIT are largely dependent on the rents received from tenants across the portfolio and expenses incurred during operations, which may be affected by a number of factors, including:

- overall economic conditions;
- the financial circumstances of tenants (on the date the units are allotted under the Institutional Entitlement Offer or the Retail Entitlement Offer in accordance with the Timetable, and in the future);
- the ability to negotiate lease extensions or replace outgoing tenants with new tenants;
- the occurrence of rental arrears or any vacancy periods;
- reliance on a tenant which leases a material portion of the REIT's portfolio;
- an increase in unrecoverable outgoings; and
- supply and demand in the property market.

Any negative impact on rental income (including as a result of a failure of existing tenants to perform existing leases in accordance with their terms) has the potential to decrease the value of the REIT and have an adverse impact on distributions or the value of securities or both.

Re-leasing and vacancy risk

Although the REIT's portfolio is currently fully leased and has no major forecast lease expiries prior to FY21, in the longer term, the REIT's portfolio's leases will come up for renewal on a periodic basis. There is a risk that the REIT may not be able to negotiate suitable lease renewals with existing tenants, maintain existing lease terms, or replace outgoing tenants with new tenants. This may result in a reduction in the REIT's Operating Earnings and distributions and a reduction in the value of the assets of the REIT.

Property valuation risk

The value of each property held by the REIT, and those it may hold in the future, may fluctuate due to a number of factors affecting both the property market generally or the REIT's properties in particular. These factors include, but are not limited to:

- changes in market rental rates;
- changes in property yields;
- fluctuating occupancy levels;
- tenants defaulting;
- supply and demand in the relevant property market;
- increased competition from new or existing properties;
- a downturn in the property market generally;
- pricing or competition policies of any competing properties or tenants; and
- general economic conditions, such as interest rates.

These factors may change for a variety of reasons including those set out above in respect of these particular risks. A reduction in the value of any property may adversely affect the value of securities in the REIT. It may also impact the REIT's financing arrangements (refer to Funding risk).

Property valuation risk (cont.)

Property values may fall if the underlying assumptions on which the property valuations outlined in this Presentation are based, change in the future. As changes in valuations of investment properties are recorded in the statutory income statement, any decreases in value will have a negative impact on the statutory income of the REIT.

As property values fluctuate, so too may returns from property assets. Rental and occupancy levels may change as a result of changes in the property market and this may affect the distributions paid by the REIT and the market price of securities.

The REIT will have its properties independently revalued regularly in accordance with its valuation policy. The independent valuations of the properties are the best estimates of the independent valuers at the time of undertaking the valuation and may not reflect the actual price a property would realise if sold. The independent valuations are subject to a number of assumptions which may prove to be inaccurate.

Property liquidity

By their nature, investments in real property assets are illiquid investments, and there is a risk that should the REIT be required to realise property assets, it may not be able to do so in a short period of time, or may not be able to realise a property asset for the amount at which it has been valued. This may adversely affect the REIT's net tangible assets and the value of securities in the REIT.

Tenant concentration

The majority of the properties comprising the REIT's portfolio are single tenanted. This exposes the value and performance of each property to the ability of those tenants to continue to meet their obligations under the respective lease agreements. There is a risk that if one or more of the major tenants cease to be a tenant, the REIT may not be able to find replacement tenants on lease terms that are at least as favourable as the current terms. Should replacement tenants lease the property on less favourable terms this will adversely impact the returns and the overall performance of the REIT and value of the properties. The Responsible Entity of the REIT actively manages the tenant selection process to manage this risk. Currently, the majority of income of the REIT is derived from entities related to Wesfarmers¹, Woolworths² and The Commonwealth of Australia³.

Development risk

The REIT will focus on sustainable income returns and minimising development risk. The REIT will not undertake speculative development. Any development risk will be substantially mitigated through fixed price construction contracts, and undertaking pre-leasing activities relating to the development, both prior to and during, construction. The REIT will endeavour to achieve a level of pre-commitment appropriate to the project prior to commencing development activities.

No guarantee of distribution or capital return

No guarantee can be given as to the amount of any income or capital return from the securities or the performance of the REIT, nor can the repayment of capital from the REIT be guaranteed.

1. Assets leased to Coles Group Limited, a wholly owned subsidiary of Wesfarmers Limited.
2. Assets leased to ALH Group and Woolworths Limited (including as guarantor to Shellbitt Pty Ltd).
3. Assets leased to Commonwealth of Australia (Australian Taxation Office) and Australian Postal Corporation.

Summary of key risks

Management performance

The REIT will be reliant on the expertise, experience, and strategies of its executive directors and management of Charter Hall Group. As a result, the loss or unavailability of key personnel at Charter Hall Group could have an adverse impact on the management and financial performance of the REIT and therefore returns to securityholders.

Capital expenditure

The REIT will be responsible for capital expenditure that may arise.

There is a risk that the actual required capital expenditure may exceed currently expected expenditure which could lead to increased funding costs and impact distributions. Additionally, any requirement for unforeseen material capital expenditure on the properties could impact the performance of the REIT.

Acquisition risk

Whilst the REIT expects the Acquisition to proceed as advised in this Presentation, if the Acquisition in fact fails to complete or completion is delayed, the expected financial performance of the Fund could be adversely affected. If the Acquisition does not complete and the REIT has raised funds under this Offer, the REIT will need to consider alternative uses for, or ways to return, those funds.

Acquisitions

In addition to acquiring the assets in connection with the REIT's Portfolio, the REIT will continue to identify new investment opportunities for potential acquisition. The REIT will endeavour to conduct all reasonable and appropriate due diligence on potential investment opportunities.

There is a risk that the REIT will be unable to identify suitable investment opportunities that meet the REIT's investment objectives. Even if such opportunities are identified, they may not be able to be secured on appropriate terms. These factors may restrict the REIT's ability to add investments to its portfolio and this may adversely impact growth and returns to securityholders.

Reliance on third parties

The Responsible Entity may engage third party service providers in respect of a part or the whole of the REIT's portfolio, being Charter Hall Group Limited or third parties outside the Charter Hall Group. These services will be subject to contractual arrangements between the Responsible Entity and the relevant third parties.

A failure of third parties to discharge their agreed responsibilities may adversely affect the management and financial performance of the REIT and therefore also adversely impact returns to investors.

Conflicts

The REIT may engage Charter Hall Holdings Pty Limited, a wholly owned subsidiary of Charter Hall Group Limited, to provide property management and facilities management services in respect of various properties in the REIT. The Responsible Entity and Charter Hall Holdings Pty Limited also have two common Executive Directors.

Conflicts (cont.)

This may create a conflict of interest. Related party transactions also carry a risk that they could be assessed and monitored less rigorously than transactions with unrelated third parties. The REIT will mitigate these risks through the conflicts of interest and related party policy that governs the way the REIT manages such conflicts or transactions.

Funding

The Responsible Entity may fund future refinancing, capital expenditure and acquisitions from either debt or equity markets. The REIT's ability to raise funds from either market on favourable terms is dependent on a number of factors including:

- the general economic and political climate;
- the state of debt and equity capital markets;
- the performance, reputation and financial strength of the REIT; and
- the value of the properties.

Changes to any of these or other factors could lead to an increased cost of funding, limited access to capital, increased refinancing risk for the REIT and / or an inability to expand operations or purchase assets in a manner that may benefit the REIT and its securityholders.

Extension and refinancing

The REIT's ability to refinance or repay its debts as they fall due will be impacted by market conditions, the financial status of the REIT, the value of the REIT's properties, and prevailing economic conditions, including interest rates, at the time of maturity or refinancing. There is a risk that the REIT may not be able to extend or refinance its debts before maturity. Possible increases in the interest rate, the cost of interest rate hedges and the level of financial covenants required by lenders may also adversely impact the operating and financial performance of the REIT, the distributions of the REIT and the REIT's ability to raise equity and / or enter into new debt facilities.

In these circumstances, the REIT may need to raise further equity, dispose of assets for a lower market value than could otherwise have been realised, or enter into new debt facilities on less favourable terms.

There is also a risk that the REIT may be unable to hedge future borrowings to mitigate future interest rate risk, or that the terms of such hedging are less favourable than the existing terms.

Debt facility undertakings and covenants

The REIT is subject to a number of undertakings and covenants under existing debt facilities, including in relation to gearing ratio and interest cover ratios. An event of default would occur if the REIT fails to maintain these financial covenants. This may be caused by amongst other factors, unfavourable movements in interest rates (to that extent interest rates are not hedged) or deterioration in the income or the value of the REIT's portfolio. In the event that an event of default occurs, the lender may require immediate repayment of a debt facility. The REIT may need to dispose of some or all of its properties for less than their book value, raise additional equity, or reduce or suspend distributions in order to repay a debt facility.

Summary of key risks

Gearing

The level of gearing exposes the REIT to any changes in interest rates and increases the REIT's exposure to movements in the value of the REIT's portfolio or performance measures. Higher gearing will increase the effect. If the level of gearing increases over the term of the REIT's debt financing, this may create refinancing risk on the REIT's debts as it approaches expiry.

Interest rates

To the extent that interest rates are not hedged, unfavourable movements in interest rates relating to existing debt facilities could lead to increased interest expense. This could impact the level of distributions available to securityholders.

Derivatives

The REIT will use derivative instruments to hedge the REIT's exposure to interest rates. The mark-to-market valuation of derivative instruments could change quickly and significantly. Such movements may have an adverse effect on the financial performance and financial position of the REIT.

In entering into derivative contracts, the REIT will be exposed to the risk that a party to the contract become insolvent or otherwise default on its contractual obligations. The Responsible Entity will seek to manage this risk by only entering into hedging arrangements with reputable counterparties.

Insurance

Insurance coverage is maintained in respect of each property (including insurance for destruction or damage to the property and public risk liability) where that coverage is available on commercial terms. Insurance coverage will include differing levels of cover for material loss or damage items such as accidental damage, flood and demolition and removal of debris. Some risks are not able to be insured at acceptable premiums. Examples of losses that are generally not insured against include war or acts of terrorism and natural phenomena such as earthquakes or hurricanes.

Any losses incurred due to uninsured risks, or loss in excess of the insured amounts, may adversely affect the performance of the REIT, and could lead to a loss of some of the capital invested by the REIT. Increases in insurance premiums may affect the performance of the REIT to the extent they are not recoverable from the tenant under their leases. Any failure by the company or companies providing insurance (or any reinsurance) may adversely affect the REIT's right of recovery under its insurance.

Insolvency

In the event of any liquidation or winding up of the REIT, the claims of the REIT's creditors, including any counterparty under any hedging or other derivative arrangements, will rank ahead of those of its securityholders. Under such circumstances the REIT will first repay or discharge all claims of its creditors. Any surplus assets will then be distributed to the REIT's securityholders. All securityholders will rank equally in their claim and will be entitled to an equal share per security.

Compliance

The REIT is a managed investment scheme which means that the Responsible Entity is subject to strict regulatory and compliance arrangements under the Corporations Act 2001 (Cth) and its Australian Financial Services Licence. If the Responsible Entity fails to comply with the conditions of its Australian Financial Services Licence, then ASIC may take action to suspend or revoke the licence, which in turn could adversely impact the REIT.

Forecast Financial Information

The forward looking statements, opinions and estimates provided in the Presentation, including any forecast financial information provided, rely on various contingencies and assumptions. Various factors and risks, both known and unknown, many of which are outside the control of the REIT, may impact upon the performance of the REIT and cause actual performance to vary significantly from expected results. There can be no guarantee that the REIT will achieve its stated objectives or that forward looking statements or forecasts will eventuate.

Disposal of assets and capital gains tax implications

Inherent capital gains exist in the REIT's existing portfolio. The REIT will acquire an interest in an existing trust, Charter Hall Direct VA Trust. Through the Transaction the REIT will inherit the CGT cost base of the property asset held by this trust which is below the purchase price of the units in Charter Hall Direct VA Trust under the Proposed Transaction. That is, an inherent capital gain exist on the acquired asset which may adversely impact the after-tax returns of Securityholders. The cost base of the property held by Charter Hall Direct VA Trust will be approximately \$63.0 million, compared to the purchase price under the Proposed Transaction of \$90.8 million. If the REIT disposes of this property asset that is currently held by Charter Hall Direct VA Trust, the taxable gain or loss will be calculated with reference to the difference between the sale price of that property asset and the relevant vendor's CGT cost base in that property asset as adjusted for additions and reductions to cost base from Completion.

Underwriting

The REIT has entered into an underwriting agreement under which the underwriter of the Offer has agreed to fully underwrite the Offer, subject to the terms and conditions of the underwriting agreement between the REIT and the underwriter ('Underwriting Agreement'). The underwriter's obligation to underwrite the Offer is conditional on certain customary matters. Further, if certain events occur, the underwriter may terminate the Underwriting Agreement. Termination of the Underwriting Agreement is likely to have an adverse impact on the amount of proceeds raised under the Offer, and the REIT's ability to complete the Acquisition as currently planned and fund transaction costs, and could materially adversely affect the REIT's business, cash flow, financial performance, financial conditions and share price.

21

Summary of key risks

Environmental

As with any property, there is a risk that one or more of the properties in the REIT's portfolio may be contaminated now or in the future. Government environmental authorities may require such contamination be remediated. There is always a residual risk that the REIT may be required to undertake any such remediation at its own cost. Such an event would adversely impact the REIT's financial performance. Environmental laws impose penalties for environmental damage and contamination which can be material in size.

In addition, if any remediation required to be undertaken on a property is not completed properly, this may adversely affect the REIT's ability to sell the relevant property or to use it as collateral for future borrowings. Should new or more stringent environmental laws or regulations be introduced in the future, any remediation costs required to be incurred by the REIT may increase materially in order to comply with the new laws or regulations.

Exposure to hazardous substance at a property within the REIT's portfolio could result in personal injury claims. Such a claim could prove greater than the value of the contaminated property. An environmental issue may also result in interruptions to the operations of a property, including the closure or re-lease of the property.

Occupational health and safety

There is a risk that liability arising from occupational health and safety matters at a property may be attributable to the REIT as the landlord instead of, or as well as, the tenant. To the extent that any liabilities may be borne by the REIT, this may impact the financial performance of the REIT (to the extent not covered by insurance). In addition, penalties may be imposed upon the REIT which may have an adverse impact on the REIT.

Disputes and litigation

The REIT may in the ordinary course of business be involved in possible litigation and disputes (for example, tenancy disputes, occupational health and safety claims or third party claims). Whilst the extent of any disputes and litigation cannot be ascertained at this time, any dispute or litigation may be costly and may adversely affect the operational and financial results of the REIT.

Pre-emptive rights and other risks associated with joint-ownership agreements

The joint-ownership agreements to which the REIT (or a sub-trust of the REIT) is a party, contain pre-emptive rights which restrict the REIT's dealings in respect of its interest in the co-owned trust or the co-owned property. In particular, where the REIT wishes to deal with its interests in a co-owned trust or property, each other co-owner will have a pre-emptive right over the REIT's interests, other than in limited circumstances (for example, by way of a permitted transfer to a member of the REIT's unitholder or owner group).

Pre-emptive rights and other risks associated with joint-ownership agreements (cont.)

A number of joint-ownership agreements also contain:

- tag-along options, pursuant to which the REIT may be required to take reasonable steps, if it wishes to sell its interest in a co-owned trust or co-owned property, to cause one or more of the other co-owners' interests to be acquired on substantively the same terms;
- drag along rights, pursuant to which a co-owner may require the REIT to sell its interests in a co-owned trust if the co-owner wishes to sell its interest and the REIT has not exercised its pre-emptive; and
- provisions under which a default sale process may be triggered on a change of control event, including where the Responsible Entity is replaced with an entity that is not a related body corporate of the Responsible Entity, with the default sale process giving the other co-owners a right to acquire the REIT's interests at the relevant default interest value.
- Additionally, disputes may arise between co-owners and where a dispute cannot be resolved, a number of joint-ownership agreements provide for the sale of the relevant property in circumstances where a co-owner does not acquire the other co-owners' interests.

Operator risk

While the REIT is not an operator of any retail assets, the valuation and yield of the REIT's retail assets could be materially adversely affected by a number of operational risks of the tenants of those properties. In particular, the REIT may be affected by:

- Competition – increased competition in the pub, gaming, retail liquor markets and other speciality stores in the regions of Australia in which its tenants operate. The REIT's tenants compete for customers with a wide variety of other retail assets, hotel operator companies, retail liquor outlets, gaming companies and other speciality stores, some of which could be, or could become, better equipped and could have access to greater financial resources than the REIT's tenants. Competitor actions could be difficult to predict and may adversely impact on the profitability of the tenants;
- Regulation of operators – changes in legislation and government policies that regulate liquor and gaming venues or gaming laws may adversely impact the profitability of the tenants. By way of example, reductions in the number of gaming machines, restrictions on trading hours, increases in taxes and levies imposed on gaming machines, smoking restrictions and advertising restrictions may negatively impact the profitability of venues. Conversely, the reduction or removal of regulatory barriers to entry into the industry may also negatively impact the profitability of the pubs through increased competition. As the retail assets in the REIT's portfolio are used as pubs and gaming venues, changes in liquor and gaming laws or their interpretation may affect the trading and performance of the operators and thereby the value of the hotel assets, the ability of such tenants to perform their obligations and therefore the value of, and returns from, an investment in securities.

Summary of key risks

There are risks associated with any stock market investment. These include, but are not limited to:

- **Dilution risk** – as the REIT issues securities to new investors, existing securityholders' proportional beneficial ownership in the underlying assets of the REIT may be reduced. For example, if you do not participate in a future entitlement offer or choose not to reinvest your distributions pursuant to any future distribution reinvestment plan, then your beneficial ownership in the REIT may be diluted. The Responsible Entity will only raise equity if it believes that the benefit of acquiring the relevant assets or reducing gearing is in the interests of the securityholders
- **Pricing risk** – securities may trade on the ASX at, above or below the offer price or net tangible asset amount per security. The price of the securities can fall as well as rise and, as the securities have not previously been listed, there is no trading history for the securities and therefore no indication of how the securities will perform on the ASX. The price at which securities trade on the ASX may be affected by a range of factors including: movements and volatility in international and local share markets; general economic conditions in Australia and offshore including inflation, interest rates and exchange rates; recommendations by brokers; changes in government, fiscal, monetary and regulatory policies; changes to laws (particularly taxation laws); inclusion or removal from market indices; and changes in the supply and demand of listed property securities. Changes in the stock market rating of securities relative to other listed securities, especially other listed property trusts, may also affect prices at which securities trade
- **Liquidity risk** – there can be no assurance that an active trading market will develop for the securities. Liquidity of the securities will be dependent on the relative volume of the buyers and sellers in the market at any given time. Changes in liquidity may affect the price at which securityholders are able to sell their securities. Significant blocks of securities held by individual investors may reduce liquidity in the trading of securities.

Risks associated with not taking up new securities under the Offer

Investors who do not participate in the Offer, or who do not take up all of their entitlement under the Offer, will have their investment in the REIT diluted and receive no value for their entitlement. Before deciding whether to take up new securities under the Offer, you should seek independent tax advice.

Macro-economic

Changes in the general economic outlook both in Australia and globally may impact the performance of the REIT and its portfolio.

Examples include (whether individually or in combination):

- changes in economic conditions and outlook in Australia and internationally;
- changes in Australian government, industrial, fiscal, monetary, regulatory policies or changes to laws (e.g. taxation laws);
- changes in interest rates, exchange rates or rates of inflation;
- investor sentiment for particular sectors and real estate sectors over the economic cycle;
- the impact of international conflicts or acts of terrorism;
- performance of comparable listed entities and projects;

Macro-economic (cont.)

Examples include (whether individually or in combination):

- changes in the general level of prices in local and international share markets and general investor sentiment in these markets; and
- significant industrial, contractual or political disturbances impacting the REIT or the continuity of its business.

Consequently the trading price of securities may be influenced by factors non-specific to the REIT and out of the REIT's ability to control.

No assurances can be made that the performance of the securities will not be adversely affected by such market fluctuations or factors. Neither the REIT or the Directors or any other person guarantees the performance of the securities.

Changes in laws, regulation and policy

Changes in laws, regulations and government policy may affect the REIT or the tenants and the attractiveness of an investment in the REIT. Further, the impact of actions by governments may affect the REIT's activities including such matters as compliance with environmental regulations and taxation.

Tax

The REIT's Operating Earnings may be affected by changes in taxation law, including changes in income tax, GST or stamp duty legislation, particularly if they relate to property investment. Taxation law may change as a result of legislation, case law in Australia, rulings and determinations issued by the Australian Commissioner of Taxation or other practices of tax authorities. The tax treatment of distributions in the hands of the REIT's securityholders may also be affected by changes to the tax regime applicable to the REIT, or the REIT's ability to make tax deferred distributions. Tax considerations may differ between investors, therefore prospective investors are encouraged to seek professional tax advice in connection with any investment in securities.

Offshore investors in managed investment trusts are governed by particular taxation rules. An offshore investor should obtain their own taxation advice in relation to those rules.

Accounting standards

The Australian Accounting Standards to which the REIT adheres are set by the Australian Accounting Standards Board ("AASB") and are consequently out of the control of the REIT and the Directors. Changes to accounting standards issued by AASB or changes to the commonly held views on the application of those standards could materially adversely affect the financial performance and position reported in the REIT's financial statements.
