About Decimal

Decimal is an Australian company with the purpose of making financial advice more available to all Australians via digital advice solutions. We partner with banks, superannuation funds and fund administrators already entrusted with customers’ funds and investments to deliver advice to the community as a whole. To achieve this, we have developed the world’s first enterprise focused digital advice platform. Our software provides fully compliant, transparent digital advice to the customers of our client organisations across numerous topics such as savings, superannuation, insurance and retirement, as well as investments. Decimal is headquartered in Australia and listed on the Australian Securities Exchange under the code DSX. See www.decimal.com.au.
