Acusensus Files Proceedings for Patent Infringement

Acusensus Limited (ASX:ACE) (**Acusensus**) deployed the world's first ongoing enforcement camera program to detect drivers illegally using phones whilst driving in New South Wales in 2019.

Acusensus IP Pty Ltd (**Acusensus IP**), a subsidiary of Acusensus, is the owner of a certified innovation patent relating to a system for detecting and providing prosecutable evidence of drivers illegally using mobile phones whilst driving, as well as seatbelt offences.

Acusensus IP has filed proceedings in the Federal Court of Australia against One Task Pty Ltd (**One Task**) alleging that One Task infringes Acusensus IP's certified innovation patent.
