**About Oar Resources Limited**

*Oar Resources Limited (ASX: OAR) is an exploration and development company focused on building and developing a portfolio of battery and critical minerals assets to meet global demand for critical minerals used in the rising development of electric vehicles and the transition to green energy. OAR holds mineral assets in South Australia's Eyre Peninsula, which includes ultra-fine flake graphite at its Oar Graphite Project. The Company has recently expanded its critical minerals portfolio with strategic tenement acquisitions, targeting REE and Uranium mineralisation in the mining friendly states of Minas Gerais and Paraiba in Brazil and now the Erongo Region in Namibia, which hosts a number of world class uranium resources and operating mines.*
