Chief Executive Officer – Resignation

The Board of Advance Metals Limited (ASX: AVM) (Advance or the Company) wishes to advise that the Company's US Based CEO, Mr Frank Bennett, has resigned, to focus on other professional and personal interests.

The Board thanks Mr. Bennett for his commitment to the Company during his time as CEO and wishes him well with his future endeavors.

Mr. Bennett is committed to a smooth transition during the handover period and has made himself readily available to allow for a suitable handover.

This announcement has been authorised for release by the Board of Advance Metals Limited.

About Advance Metals Limited

Advance Metals Limited (ASX: AVM) is a copper-focused exploration company with a world-class portfolio of copper growth projects in mining-friendly jurisdictions of the United States. We seek to maximise shareholder value through the acquisition, discovery, and advancement of high-quality metals projects. The Company utilises the expertise of our exploration team to identify underexplored and undervalued high-grade copper projects with significant geological potential. The Company has 100% ownership of the Garnet Skarn Deposit, the Augustus Project, and the Anderson Creek Gold Project. More information can be seen on the AVM website, www.advancemetals.com.au
