EXPLANATORY STATEMENT

Receipt and consideration of Accounts & Reports

The *Corporations Act 2001 (Cth)* (**Corporations Act**) requires the Company's Annual Report for the financial period ending 30 June 2024 (which incorporates the Company's Financial Report, reports of the Directors (including the Remuneration Report) and the Auditor's Report) to be received and considered before the Annual General Meeting. The Annual Report is available at <https://www.rocketboots.com/investors>. Except for as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. Section 250R(3) of the Corporations Act requires that the vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

The Remuneration Report is available at <https://www.rocketboots.com/investors>.

In accordance with section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Directors' Recommendations

As set out in the Notice of Meeting, any member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, together with Closely Related Parties of those members, are excluded from casting a vote on Resolution 1.

Accordingly, the Board abstains from making a recommendation in relation to Resolution 1.

Resolutions 2 and 3: Re-election of Karl Medak and Professor Hugh Bradlow as Directors of the Company

The Company's Constitution requires there be an election of Directors at each Annual General Meeting, and that at least one Director must retire. The Company's Constitution also requires that a director is required to submit themselves for re-election if that director holds office for the longer of the following periods:

- 3 years from the date of their appointment; or
- beyond the third annual general meeting following the director's election as a director.

Karl Medak and Professor Hugh Bradlow were each appointed as directors on 19 November 2021 and their terms as Directors of the Company will expire on 19 November 2024.

Accordingly, Karl Medak and Professor Hugh Bradlow each submit themselves for re-election in accordance with the Company's Constitution.

Karl Medak

Karl Medak was appointed as a Non-Executive Director of the Company on 19 November 2021. He previously held roles in the Company as a director prior to its admission to the ASX since 2007.

Professor Bradlow is a member of the Nomination and Remuneration Committee and the Audit and Risk Committee.

Directors' Recommendations

The Directors (with Mr Medak and Professor Bradlow abstaining), unanimously recommend that Shareholders vote in favour of Resolutions 2 and 3. The Chair of the Meeting intends to vote undirected proxies in favour of Resolutions 2 and 3.

Resolution 4: Ratification of prior issue of 10,400,000 Shares under Listing Rule 7.4

On 20 May 2024, the Company announced it had raised \$832,000 (before costs) at \$0.08 per Share through a placement of 10,400,000 Shares (**Placement Shares**) to new and existing shareholders (**Placement**).

ASX Listing Rule 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 -month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Placement Shares did not fit within any of these exceptions and, as the issues have not yet been approved by Shareholders, utilise the Company's 15% limit in Listing Rule 7.1, thereby reducing the Company's capacity to issue further equity securities without Shareholder approval for the 12-month period following the issue dates.

Listing Rule 7.4 provides that where Shareholders subsequently approve an issue of securities, the issue will be treated as having been approved under Listing Rule 7.1, thereby replenishing the Company's 15% capacity, enabling it to issue further securities up to that limit.

By ratifying the issue of the Placement Shares, the Company will retain the flexibility to issue additional equity securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1.

Accordingly, the Company seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

If Resolution 4 is approved, the issue of Placement Shares will not utilise the Company's 15% capacity limit under Listing Rule 7.1 effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the issue dates.

If Resolution 4 is not approved by Shareholders, the Company's ability to issue further equity securities over the next 12 months without Shareholder approval will be restricted.

The Directors unanimously recommend that Shareholders vote in favour of each of Resolution 4. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 4.

Resolution 5: Approval of issue of 800,000 Advisor Options under Listing Rule 7.1

The Company has conditionally agreed to issue a total of 800,000 unlisted options (**Advisor Options**) to Twyford Hawk Australia Pty Ltd (or its nominee) (**Advisor**) as consideration for the provision of corporate advisory services for a 12 month period starting on 2 July 2024. The corporate advisory services may be terminated by the Company with two business days' notice with the Advisor Options not being refundable. The Advisor may terminate the corporate advisory services with two business days' notice with the Advisor Options not being refundable under several conditions only including: if there is a material adverse change in the Company, if any statements by the Company are found to be false or misleading, if there is a default of the Company with respect to its obligations under the corporate advisory mandate or if there are any (or threatened) issues with any Australian regulatory body at the Advisor's discretion. The Advisor has subsequently nominated JLO Enterprises Pty Ltd < Callanan Family A/C> to receive 400,000 of the Advisor Options and Twyford Hawk Limited to receive 400,000 of the Advisor Options.

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 -month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

One of the exceptions to Listing Rule 7.1 is Listing Rule 7.2 (Exception 17), which provides that Listing Rule 7.1 does not apply to an agreement to issue equity securities that is conditional on shareholders approving the issues under Listing Rule 7.1 before the issue is made.

If this Resolution is approved, the Company will be able to issue the Advisor Options, without using the Company's 15% rolling 12-month placement capacity.

Technical information required by Listing Rule 7.3

In accordance with the requirements of Listing Rule 7.3, the following information is provided to Shareholders for the purpose of Listing Rule 7.3 in relation to:

Voting exclusion	A voting exclusion statement applies to this resolution, as set out in this Notice.

Directors' Recommendations

The Directors unanimously recommend that Shareholders vote in favour of each of Resolution 5. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 5.

Resolution 6: Renewal of approval of Equity Incentive Plan

Background

The Company has previously adopted the Equity Incentive Plan (**EIP**) in order to assist in the motivation and retention of selected Company employees. The EIP is designed to align the interests of eligible employees more closely with the interests of the Company by providing an opportunity for eligible employees to receive an equity interest in the Company.

Under the EIP, incentives may be provided to any employee, officer, Director or consultant of the Company or any of its subsidiaries (**Eligible Participants**), at the discretion of the Board. Eligible Participants may be offered performance rights, options, loan shares, deferred share awards or exempt share awards which may be subject to vesting conditions set by the Board.

At the same time, the Company desires to maintain maximum ability to raise capital in accordance with Listing Rule 7.1 without seeking prior shareholder approval. Accordingly, the Board seeks further shareholder approval of the Company's existing Equity Incentive Plan for the purposes of Listing Rule 7.2 Exception 13(b).

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 -month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

One of the exceptions to Listing Rule 7.1 is Listing Rule 7.2 (Exception 13(b)), which provides that Listing Rule 7.1 does not apply to an issue under an employee incentive scheme if, within the 3 years before the date of issue, shareholders have approved the issue of securities under the scheme as an exception to Listing Rule 7.1.

If this Resolution is approved, the Company will be able to issue performance rights, options, loan shares, deferred share awards or exempt share awards to Eligible Participants (in the case of Directors which will require separate Shareholder approval in accordance with Listing Rule 10.14 at the relevant time), pursuant to the EIP during the period of 3 years after the Meeting (or a longer period, if allowed by ASX), and to issue Shares to those persons if they achieve the vesting conditions of the performance rights, options, loan shares, deferred share awards or exempt share awards issued, without using the Company's 15% rolling 12 month placement capacity.

Technical information required for Listing Rule 7.2 Exception 13(b)

Listing Rule 7.2 Exception 13(b) requires the information detailed in sections (a) to (d) below to be provided to members for approval under this resolution:

Summary of the terms of the scheme

(a) Employee Rights

Under the Equity Incentive Plan, the Company may offer or issue to eligible employees, the following employee rights (**Employee Rights**):

- performance rights: a right to be issued or provided with a Share at nil issue price on specific vesting conditions being achieved;
- options: a right to be issued or provided with a Share on payment of an exercise price and which can only be exercised if specific vesting conditions are achieved;
- loan shares: Shares issued subject to a limited recourse loan and at nil interest rate, subject to specific vesting conditions;

- deferred share awards: Shares issued to employees:
 - » who elect to receive Shares in lieu of any wages, salary, director's fees, or other remuneration; or
 - » by the Company in its discretion, in addition to their wages, salary and remuneration, or in lieu of any discretionary cash bonus or other incentive payment; or
- exempt share awards: Shares issued for no consideration or at an issue price which is a discount to the market price with the intention that up to \$1,000 (or such other amount which is exempted from tax under the *Income Tax Assessment Act 1936* (Cth) or the *Income Tax Assessment Act 1997* (Cth) from time to time) of the total value or discount received by each employee will be exempt from tax.

(b) Eligible employees

Employee Rights may be granted at the discretion of the Board to any person who is an employee, officer, director or consultant of a member of the Group.

(c) Price

The Board has discretion to determine the issue price and/or exercise price for the Employee Rights.

(d) Vesting and exercise of Employee Rights

The Employee Rights held by a participant will vest in and become exercisable by that participant upon the satisfaction of any vesting conditions specified in the offer and in accordance with the rules of the Equity Incentive Plan. Vesting conditions may be waived at the discretion of the Board.

(e) Change of control

In the event a takeover bid is made to acquire all of the Shares on issue, or a scheme of arrangement, selective capital reduction or other transaction is initiated which has an effect similar to a full takeover bid, the Board may waive unsatisfied vesting conditions in relation to some or all Employee Rights. Further, if a takeover bid is made to acquire all of the Shares on issue, participants may accept the takeover bid in respect of any Employee Rights (other than exempt share awards) which they hold notwithstanding the restriction period in respect of those Employee Rights has not expired.

(f) Claw-back

If any vesting conditions of an Employee Right are mistakenly waived or deemed satisfied when in fact they were not satisfied, then in accordance with the terms of the Equity Incentive Plan, the Board may determine that the relevant Employee Rights expire (if not yet exercised), or it may otherwise recover from the participant some or all Shares issued upon exercise of the Employee Rights or any proceeds received from the sale of those shares.

(g) Variation of Share capital

If prior to the exercise of an Employee Right, Company undergoes a reorganisation of capital or bonus issue, the terms of the Employee Right will be changed to the extent necessary to comply with the Listing Rules.

Securities issued under the scheme

The Company has issued 813,250 Performance Rights (30 August 2022) pursuant to the EIP since listing on the ASX, with 24,750 of those Performance Rights lapsing (1 August 2023). The remaining 788,500 Performance Rights converted to ordinary equity on 1 August 2023.

Maximum number of equity securities proposed to be issued under the EIP following approval

The maximum number of additional securities which may be issued under the EIP from time to time is 5,009,677 securities, being an amount equal to approximately 5% of the issued capital of the Company as at the date of this Notice.

Security over loan shares under EIP

Section 259B(2) of the Corporations Act permits a Company to take security over its own shares issued pursuant to an employee share scheme under certain conditions, including where prior shareholder approval of the employee share scheme has been obtained. Accordingly, the Company is seeking shareholder approval under Resolution 6 in respect of the operation of section 259B(2) of the Corporations Act, for circumstances where the Company elects to provide an employee assistance in the acquisition of shares in itself, such as providing a loan for the payment of the purchase price of a Share to be issued under the EIP.

Section 260A of the Corporations Act allows only limited circumstances under which a company may provide financial assistance for the acquisition of shares in itself without obtaining prior shareholder approval, including the giving of the assistance which does not materially prejudice (i) the interests of the company or its shareholders, or (ii) the company's ability to pay its creditors. The Board is of the view that this exemption is applicable, and at the relevant times will be applicable, to any loans that may be granted for the acquisition of Shares under the EIP. Accordingly, the Company will not be seeking shareholder approval with respect to Section 260A of the Corporations Act.

Directors' Recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 6. The Chairman of the Meeting intends to vote all undirected proxies in favour of Resolution 6.

Resolution 7: Approval of Additional Placement Capacity

General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (subject to some limitations described below).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index, and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 7 seeks Shareholder approval by way of special resolution for the Company to have the additional placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**Additional Placement Capacity**). Accordingly, at least 75% of votes cast by shareholders present and eligible to vote (in person or by proxy) at the meeting must be in favour of this resolution for it to be passed. By this resolution the Company is seeking shareholder approval to increase its capacity to issue shares under Listing Rule 7.1A. There is no guarantee that the Company will issue any shares under its Additional Placement Capacity.

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the 15% limit under Listing Rule 7.1 plus an additional 10% under Listing Rule 7.1A, both without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the Additional Placement Capacity and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Any Equity Securities issued under the Additional Placement Capacity must be in the same class as an existing class of quoted Equity Securities, must be only for cash consideration and is subject to the below described minimum price restriction (where the 15% limitation under Listing Rule 7.1 is not subject to this cash only limitation or price restriction). The Company currently has one class of quoted Equity Security on issue, being Shares (ASX Code: ROC).

The Directors currently have no intention to issue any securities under the Additional Placement Capacity and therefore the allottees under the Additional Placement Capacity have not yet been determined. If Directors decide to issue securities under the Additional Placement Capacity, allottees may include existing Shareholders, existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

A is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

1. plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
2. plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (a) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (b) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4,
3. plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4,
4. plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4, including fully paid ordinary securities issued in the relevant period under a conditional agreement within rule 7.2 exception 17 where the issue was subsequently approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;

5. plus the number of partly paid ordinary securities that became fully paid in the relevant period;
6. less the number of ordinary securities cancelled in the relevant period.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under Listing Rule 7.4.

Technical information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 6:

Minimum Price

Pursuant to ASX Listing Rule 7.1A.3, the minimum price at which the Equity Securities may be issued under the Additional Placement Capacity is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

Purposes of Issue under Additional Placement Capacity

The Company may only issue Equity Securities under the Additional Placement Capacity for cash consideration. In general terms, the Company could issue equity securities under its Additional Placement Capacity to raise cash for product research and development and general working capital and administration.

Applicable Period for the Approval

The Equity Securities may be issued under the Additional Placement Capacity commencing on the date of the annual general meeting at which the approval is obtained and expiring on the first to occur of the following:

- (i) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (ii) The time and date of the entity's next annual general meeting.
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or Listing Rule 11.2 (disposal of the Company's main undertaking) after which date an approval under Listing Rule 7.1A ceases to be valid.

Risk of voting dilution

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in Table 1, below). There is also the risk that:

- » the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Meeting; and
- » the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1, below, shows the dilution of Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable “A” calculated in accordance with the formula in Listing Rule 7.1A2.

The table also shows:

- two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue as at the date of the Notice.

The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and

- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Table 1

<u>Variable ‘A’ in Listing Rule 7.1A.2</u>		<u>50% Decrease in issue price (\$0.047)</u>	<u>Issue price (\$0.093)</u>	<u>100% increase in issue Price (\$0.186)</u>
Current Variable A 100,193,532 Shares	10% Voting Dilution	10,019,353	10,019,353	10,019,353
	Funds Raised	\$465,900	\$931,800	\$1,863,600
50% increase in Variable A 150,290,298 Shares	10% Voting Dilution	15,029,030	15,029,030	15,029,030
	Funds Raised	\$698,850	\$1,397,700	\$2,795,400
100% increase in Variable A 200,387,064 Shares	10% Voting Dilution	20,038,706	20,038,706	20,038,706
	Funds Raised	\$931,800	\$1,863,600	\$3,727,199

Table 1 has been prepared based on the following assumptions:

- Variable A is based on the number of Shares on issue on the date of the Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The issue price of \$0.093 was the price as at 25 July 2024 when the Notice of Meeting was finalised. This price may fluctuate between the time of preparing this Notice and the date of the Meeting.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the additional placement capacity includes only shares.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were issued under an exception in ASX Listing Rule 7.2 or with approval under Listing Rule 7.1.

- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer), or that are issued with Shareholder approval under Listing Rule 7.1.

Risk of economic and voting dilution

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of approval of this Resolution; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Allocation policy under the Additional Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the Additional Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities which may be issued under the Additional Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the Additional Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Voting exclusion statement

A voting exclusion statement is provided in this Notice of Meeting. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, the Company does not expect any existing Shareholders will be excluded from voting on Resolution 7.

Directors' recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7. The Chair of the Meeting intends to vote undirected proxies in favour of this resolution.

Further information

The Directors are not aware of any other information which is relevant to the consideration by members of the proposed resolutions set out in this Notice of Meeting.

The Directors recommend members read this Explanatory Statement in full and, if desired, seek advice from their own independent financial or legal adviser as to the effect of the proposed resolutions before making any decision in relation to the proposed resolutions.

PROXY AND VOTING INSTRUCTIONS

1. For the purposes of the Corporations Act, the Company has determined that all securities of the Company recorded on the Company's register as at 2.00 pm (Sydney time) on 24 August 2024 (being the date 2 days before the date of the Annual General Meeting) will be taken, for the purposes of the Annual General Meeting, to be held by the persons who held them at that time.
2. The details of the Resolutions contained in the Explanatory Statement accompanying this Notice of Meeting should be read together with, and forms part of this Notice of Meeting.
3. Shareholders may vote by participating in person at the Meeting or by appointing an attorney or corporate representative to participate in person at the Meeting and vote on their behalf. Alternatively, Shareholders who are entitled to vote at the Meeting may vote by appointing a proxy to participate and vote on their behalf, using the Proxy Form accompanying this Notice.
4. If more than one Shareholder votes in respect of jointly held Shares, only the vote of the Shareholder whose name appears first in the share register will be counted whether the vote is given personally, by attorney or proxy.

Voting at the Meeting

5. Shareholders wishing to vote in person, or their attorneys or in the case of a Shareholder or proxy which is a corporation, corporate representatives, must be in attendance at Level 1, 6-10 O'Connell Street, Sydney at 2:00pm (Sydney time) on Friday 26 August 2024.

Voting by proxy

6. A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the Shareholder's voting rights. If the Shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes. A proxy need not be a Shareholder of the Company.
7. If a proxy is not directed how to vote on an item of business, the proxy may vote or abstain from voting on that Resolution as they think fit.
8. If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
9. Shareholders who return their Proxy Forms with a direction on how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf.
10. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, or does not vote on the Resolution, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions.
11. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction on how to vote will be used where possible to support each of the Resolutions proposed in this Notice.
12. Where a voting exclusion applies, the Company need not disregard a vote if it is cast by a person excluded from voting as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form, or where it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form

to vote as the proxy decides.

13. A Proxy Form is attached. If required it should be completed, signed and returned to the Company's registered office in accordance with the instructions set out in the Proxy Form by no later than 2:00pm (Sydney time) on 24 August 2024.

Voting by attorney

14. If a Shareholder wishes to appoint an attorney to vote at the Meeting, the original or a certified copy of the power of attorney under which the attorney has been appointed must be received by the Company no later than 2:00pm (Sydney time) on 24 August 2024 (or if the Meeting is adjourned or postponed, no later than 48 hours before the resumption of the Meeting in relation to the resumed part of the Meeting).
15. Any power of attorney granted by a Shareholder will, as between the Company and that Shareholder, continue in force and may be acted on, unless express notice in writing of its revocation or the death of the relevant Shareholder is lodged with the Company.
16. The appointment of an attorney is not revoked merely by a Shareholder's participation and taking part in the Meeting, but if a Shareholder votes on a resolution, the attorney is not entitled to vote, and must not vote, as the Shareholder's attorney on that resolution.

Voting by corporate representative

17. To vote by corporate representative at the Meeting, a Shareholder or proxy who is a corporation should obtain a Certificate of Appointment of Corporate Representative from the Company, complete and sign the form in accordance with the instructions on it. The completed appointment form should be lodged with the Company before 2:00pm (Sydney time) on 24 August 2024.
18. The appointment of a representative may set out restrictions on the representative's powers. The appointment must comply with section 250D of the Corporations Act.
19. The original Certificate of Appointment of Corporate Representative, a certified copy of the Certificate of Appointment of Corporate Representative, or a certificate of the body corporate evidencing the appointment of a representative is prima facie evidence of a representative having been appointed.

1. Subject to clause 2 and any restrictions imposed by the ASX Limited (**ASX**), each Advisor Option is exercisable at any time after the date it is issued (**Issue Date**), until and including their expiry date, being 24 months after the Issue Date (**Expiry Date**). Any Advisor Options not exercised by the Expiry Date will automatically lapse at 5pm on the Expiry Date.

3. On receipt by the Company of the Notice of Exercise and payment of the Exercise Price, the Company must, within 4 business days and if the Shares are listed on the ASX within the time period prescribed by the Listing Rules of the ASX (**Listing Rules**):
