### About NobleOak (ASX: NOL)

NobleOak is an independent, multi award-winning, APRA-regulated Australian life insurance provider which has a 146-year history, dating back to one of the first benevolent societies in Australia, the United Ancient Order of Druids Friendly Society of NSW. NobleOak's core values: nobility, simplicity, adaptability and delivery, are grounded in the values of the Druids and are embedded deeply in its culture. Following its demutualisation in 2011, NobleOak repositioned its business model, launching direct-to-consumer life insurance products through its modern and intuitive digital platform. Since then, NobleOak has diversified its business by manufacturing white-labelled tailored products for strategic partners which are mostly offered to customers through advisers. NobleOak's strategy is underpinned by a commitment to offer customers high value, easy to understand and competitive life risk insurance products.
