Progress Master Security Trust Deed Amending Deed

General terms

1 Amendment of Master Security Trust Deed

1.1 Amendment of Master Security Trust Deed

The Trustee, the Security Trustee and the Trust Manager agree that the Master Security Trust Deed is amended by:

- (a) the deletion of the words marked as strike out; and
- (b) the addition of the words marked in underline,

as set out in Annexure A to this deed.

1.2 Amendments to apply to Offshore Security Trust

The amendments referred to in clause 1.1 ("Amendment of Master Security Trust Deed") only apply to Offshore Security Trusts constituted on or after the date of this deed.

2 Liability of Trustee and limited recourse

2.1 Limitation on Trustee's liability

This deed applies to the Trustee only in its capacity as trustee of each Trust and in no other capacity. A liability of the Trustee arising under or in connection with this deed or any other Transaction Document or the Trust is limited to and can be enforced against the Trustee only to the extent to which it can be satisfied out of property of the Trust out of which the Trustee is actually indemnified for that liability. This limitation of the Trustee's liability applies despite any other provision of this deed and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this deed or a Trust.

2.2 Claims against Trustee

No person may sue the Trustee in any capacity other than as trustee of the Trust or seek the appointment of a receiver (except in relation to property of the relevant Trust), a liquidator, administrator or any similar person to the Trustee or prove in any liquidation, administration or arrangement of, or affecting, the Trustee (except in relation to property of the relevant Trust).

2.3 Breach of Trust

The provisions of this clause shall not apply to any obligation or liability of the Trustee to the extent that it is not satisfied because, under this deed or any other Transaction Document, or by operation of law, there is a reduction in

the extent of the Trustee's indemnification out of the assets of the relevant Trust, as a result of the Trustee's fraud, negligence or breach of trust.

2.4 Acts or omissions

It is acknowledged that the Trust Manager and the Servicer are responsible under the Transaction Documents for performing a variety of obligations relating to each Trust. No act or omission of the Trustee (including any related failure to satisfy its obligations under this deed or any other Transaction Document or any related breach of any representation or warranty under or in connection with this deed or any other Transaction Document) will be considered fraud, negligence or breach of trust of the Trustee for the purposes of clauses 2.3 and 2.5 to the extent to which the act or omission was caused or contributed to by any failure by the Trust Manager or the Servicer or any other person who provides services in respect of the relevant Trust to fulfil its obligations relating to the relevant Trust or by any other act or omission of the Trust Manager or the Servicer or any other person who provides services in respect of the relevant Trust.

2.5 Breach of trust

It is also acknowledged that a breach of an obligation imposed on, or a representation or warranty given by, the Trustee under or in connection with this deed or any other Transaction Document will not be considered a breach of trust by the Trustee unless the Trustee has acted negligently, or without good faith, in relation to the breach.

2.6 Agents

No attorney, agent, receiver or receiver and manager appointed in accordance with this deed or any other Transaction Document has authority to act on behalf of the Trustee in a way that exposes the Trustee to any personal liability, and no act or omission of any such person will be considered fraud, negligence or breach of trust of the Trustee for the purpose of clauses 2.3 and 2.5.

2.7 Trust Assets

Without limiting any other paragraph of this clause 2, the liability of the Trustee to make any payment to a person in accordance with this deed or any other Transaction Document is limited to the funds available to the Trustee at that time from the Assets of the relevant Trust.

2.8 Acts or omissions

The Trustee is not required to do, or refrain from doing, anything under this deed unless its liability is limited in the manner set out in this clause.

3 Liability of Security Trustee and limited recourse

Notwithstanding any other provision of this deed, the Security Trustee will have no liability under or in connection with this deed or any other Transaction Document (whether to the Secured Creditors, the Trustee, the Trust Manager or any other person) other than to the extent to which the

liability is able to be satisfied in accordance with the Master Security Trust Deed or any other Transaction Document out of the property of the Trust Fund from which the Security Trustee is actually indemnified for the liability. This limitation will not apply to a liability of the Security Trustee to the extent that it is not satisfied because, under the Master Security Trust Deed or by operation of law, there is a reduction in the extent of the Security Trustee's indemnification as a result of the Security Trustee's fraud, negligence or breach of trust. Nothing in this clause 3 or any similar provision in any other Transaction Document limits or adversely affects the powers of the Security Trustee, any Receiver or attorney in respect of a Charge or any Secured Property.

4 Counterparts

This deed may be executed in any number of counterparts. All counterparts together will be taken to constitute one instrument.

5 Governing law and submission to jurisdiction

5.1 Governing Law

This deed is governed by the law in force in the Australian Capital Territory and the rights, liabilities and obligations of the parties to it are governed by the laws in force in the Australian Capital Territory.

5.2 Submission to jurisdiction

Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of the Australian Capital Territory and courts of appeal from them. Each party waives any right it has to object to an action being brought in those courts including, without limitation, by claiming that the action has been brought in an inconvenient forum or that those courts do not have jurisdiction.

No liability as mortgagee in possession

- 12.2 If either the Security Trustee or a Receiver exercises its rights under this deed (including without limitation, under clause 6 or clause 11), exercises its rights conferred by law or takes possession of the Secured Property pursuant to this deed, then neither of them is liable to account as mortgagee in possession.

Give up possession of Secured Property

- 12.3 The Security Trustee may give up possession of the Secured Property of a Trust at any time if the Security Trustee:

 - (b) reasonably considers that it will, by retaining possession of that Secured Property, incur a liability which is not limited in a manner satisfactory to the Security Trustee.

Exclusion of notices

- 12.4 The Security Trustee or a Receiver need not give notice or a demand to the Trustee or allow time to elapse before exercising a right, power or remedy under this deed or conferred by law, unless notice or demand or a lapse of time is required by a law which cannot be excluded. 13 Costs, charges, expenses and indemnities

Indemnity by Trustee

- 13.1 Subject to this deed and without prejudice to any right of indemnity given by law, the Security Trustee will be indemnified by the Trustee against all costs and expenses, and all loss and liability, properly incurred by the Security Trustee and the Receiver (as the case may be) in performing any of their duties or exercising any of their powers under this deed.

Extent of Indemnity

- 13.2 Without limiting clause 13.1, the Security Trustee in respect of each Trust is entitled to be indemnified by the Trustee of the relevant Trust for:
 - (a) the costs, charges and expenses (including legal costs and expenses payable on the trustee basis as described in Part 52 Rule 31 of the New South Wales Supreme Court Rules as at the date of this deed and, in the case of solicitors' costs, calculated at the solicitors' usual charge out rate) of the Security Trustee in connection with the negotiation, preparation, execution, stamping, registration and completion of this deed, any deed amending this deed and the Deed of Charge for that Trust; and
 - (b) the costs, charges and expenses (including legal costs and expenses payable on the trustee basis as described in Part 52 Rule 31 of the New South Wales Supreme Court Rules as at the date of this deed and, in the case of solicitors' costs, calculated at the solicitors' usual charge out rate) of the

Security Trustee in connection with any consent, exercise or non-exercise of rights or powers or performance of obligations (including, without limitation, in connection with the contemplated or actual enforcement or preservation of any rights or powers or performance of obligations under this deed), production of title documents, waiver, variation, release or discharge in connection with the Deed of Charge for that Trust or the Secured Property of that Trust; and

- (c) Taxes and fees (including, without limitation, registration fees) and fines and penalties in respect of Taxes and fees, which may be payable or determined to be payable in connection with this deed or a payment or receipt or any other transaction contemplated by this deed; and
- (d) without limiting the generality of clause 13.2(b), all legal costs and disbursements (payable on the trustee basis as described in Part 52 Rule 31 of the New South Wales Supreme Court Rules as at the date of this deed, and, in the case of solicitors' costs, calculated at the solicitors' usual charge out rate) and all other costs, disbursements, outgoings and expenses of the Security Trustee in connection with the initiation, carriage and settlement of any court proceedings (including, without limitation, proceedings against the Trustee arising from any neglect, breach or default by the Trustee under this deed) in respect of this deed.

Costs of experts

- 13.3 The costs, charges and expenses referred to in clause 13.2 include, without limitation, those payable to any independent consultant or other person appointed to evaluate any matter of concern (including any person consulted by the Security Trustee pursuant to clause 6.10), any agent of the Security Trustee, any Receiver or any attorney appointed under this deed, and, in the case of the Security Trustee, its administration costs in connection with any event referred to in clause 13.2.

Costs of Trustee

- 13.4 The Security Trustee must (at the request of the Trustee and subject to the order of application in clause 14.1) apply any money received in connection with this deed towards satisfaction of all outstanding fees payable to the Trustee and expenses in respect of which the Trustee has not been reimbursed and any other amounts in respect of which the Trustee is entitled to be indemnified under the Master Trust Deed.

14 Application of money

Application

- 14.1 To the extent permitted by law, money received in connection with this deed or the Deed of Charge in respect of a Trust is to be applied (after satisfaction of claims taking priority over the Charge of which

Crediting

- 14.2 In an application of money in accordance with clause 14.1 the parties entitled to payments under that clause are to be credited only with so much of that money as is actually received by the Security Trustee. The credit dates from the time of receipt. This provision applies even if in exercising a power of sale the Security Trustee or a Receiver transfers the Secured Property and takes a Security Interest to secure the unpaid balance of purchase money.

Suspense account

- 14.3 If the Security Trustee receives money in connection with this deed and a Security Trust when part of the Secured Money is contingently owing or falls within paragraph (f) of the definition of Secured Money, then the Security Trustee may deposit an amount not exceeding that part in an interest bearing deposit account on terms which the Security Trustee thinks fit with any person until that part becomes actually payable or no longer falls within the definition of Secured Money. At that time, the Security Trustee may retain for its own account the amount which is then actually payable to it. The balance is to be paid in accordance with clause 14.1.

15 Remuneration and retirement of security trustee and dealings with trust

 - (i) an Insolvency Event occurs in respect of the Security Trustee; or
 - (ii) an Extraordinary Resolution requiring the removal of the Security Trustee of any Trust is passed at a meeting of Secured Creditors convened under clauses 8.7, 8.8 or 8.9; ~~or~~ or a written direction to that effect is given in accordance with clause 8.2; or

Removal by Trust Manager

- 15.3 If the Security Trustee refuses to retire the Trust Manager is entitled to remove the Security Trustee from office immediately by notice in writing if an event referred to in clause 15.2 has occurred. On the retirement or removal of the Security Trustee under the provisions of clause 15.2 or this clause 15.3 the Trustee, subject to any approval required by law, is entitled to and must use its best endeavours to appoint in writing some other person whose appointment will not have an Adverse Rating Effect. If the Security Trustee does not propose a replacement, or if the Trust Manager does not approve of the replacement security trustee by the date which is 1 month prior to the date of the Security Trustee's proposed retirement, the Trust Manager or the Security Trustee (as the case may be) is entitled to appoint a new security trustee as of the date of the proposed retirement.

The Trust Manager and the Trustee may settle with the Security Trustee the amount of any sums payable by the Security Trustee to the Trust Manager or the Trustee or by the Trust Manager or the Trustee to the Security Trustee and may give to or accept from the Security Trustee a discharge in respect of those sums which will be conclusive and binding as between the Trust Manager, the Trustee and the Security Trustee but not as between the Security Trustee and the Secured Creditors. The removal, retirement or discharge of the Security Trustee will not affect the rights or indemnities available to it under this deed or at law in relation to the performance and exercise by the Security Trustee of its obligations and powers as Security Trustee.

Vesting of Trust Fund in new Security Trustee

- 15.7 The Security Trustee, on its retirement or removal, must vest the Trust Fund of the relevant Security Trusts or cause it (or them) to be vested in the new security trustee and must deliver and assign to such new security trustee as appropriate all books, documents, records and other property whatsoever relating to the Trust Fund or Trust Funds. The Security Trustee may make it a condition of vesting property in the new security trustee that all liabilities of the retiring security trustee for which it is entitled to be indemnified and for which the retiring security trustee considers it is personally liable are first satisfied or provided for to the reasonable satisfaction of the retiring security trustee.

New Security Trustee to Execute Deed

- 15.8 Each new security trustee must upon its appointment execute a deed in such form as the Trust Manager may require whereby such new security trustee must undertake to the relevant Secured Creditors jointly and severally to be bound by all the covenants on the part of the Security Trustee under this deed from the date of such appointment.
