¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

1. PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT & OVERSIGHT

Role of the Board and Management

The Board is elected by shareholders to represent all shareholders – its primary role being the protection and enhancement of long-term shareholder value. To fulfil this role, the Board is responsible for the overall corporate governance of the Group, selection and appointment of the Managing Director / Chief Executive Officer (“MD/CEO”) and senior executives, establishing goals for senior executives, monitoring the achievement of these goals, defining policies and monitoring the business of the controlled entity including risk management and internal control, and to ensure it is conducted appropriately and in the best interests of shareholders.

The Board has adopted a Board Charter that sets out the delegations and responsibilities that have been put in place for the Company’s executive team and the Board.

The Board of Directors (and, where relevant, any committees established by the Board) have delegated the carriage of the day to day operation and management of the Company’s business to the MD/CEO who is authorised, in turn, to delegate such of the powers conferred on him as is deemed appropriate to members of the executive team. The delegation of authority to the MD/CEO and other executives is subject to the limits and restrictions set out in the Delegations of Authority.

In addition to attending the scheduled Board and Board Committee meetings during the year, Directors also spend time regularly with the Company’s personnel in order to gain a detailed knowledge and understanding of the Company’s operations and associated risks and opportunities. The Board takes part in the Company’s strategic planning process, risk management reviews and approves the business plan and budgets of the Company. The Board also receives and reviews comprehensive monthly management, financial and operational reports in relation to the Company performance.

All Directors and senior executives of the Company have in place formal appointment letters describing their terms, duties, rights and responsibilities and entitlements. Upon joining the Company, all Directors also receive an induction pack containing information about the Company including policies and procedures and other necessary information for them to familiarise themselves with the operations of the Company.

Director appointments

The Board will identify suitable candidates with appropriate skills, experience, expertise and diversity to complement the existing Board, in order for the Board to discharge its duties and pursue its business objectives.

The Board will also undertake appropriate checks on any candidate and seek confirmation to ensure that the candidate has sufficient time to fulfil their responsibilities as a director. The Board will provide relevant information on board members seeking re-election to shareholders so as to enable shareholders to make informed decisions.

A written agreement together with a deed of access and indemnity is provided to each incoming director. The agreement sets out the terms of appointment, expectations and responsibilities of the role, remuneration, access to corporate resources and confidentiality requirements.

Company Secretary

The Company Secretary has a direct reporting line to the Chairman of the Board and is accountable to the Board on all governance matters. All Directors of the Board have access to the Company Secretary.

Diversity

The Company is committed to being an inclusive workplace that values and promotes diversity in the workplace and is committed to providing an inclusive workplace and organisational culture that embraces diversity and provides support for broad based equal opportunity programmes, multicultural awareness and representation, and a focus on women in senior management. The Company’s current

employment philosophy promotes a culture that values differences, and emphasises tolerance. The Company's workforce is gender, culturally and ethnically diverse.

Currently the Company has no women on the Board or executive team, with 18% women employed in the Company in total. However, as the Company grows and evolves, it will look to increase the participation of women on the Board, executive team, and the broader business in general.

The Company has a Diversity Policy and monitors its performance against its Diversity objectives. For further information please refer to the Company's Diversity Policy which can be found at www.hillgroveresources.com.au.

Assessing board performance

The Board formally evaluates its performance annually. This process is facilitated by the Nomination Committee via the Chairman of the Committee whereby Board members are evaluated by a questionnaire pertaining to the key skills, experience and level of participation required to understand the risks of the Company. Formal assessment of the Board was completed during the current period.

Assessing senior executive performance

The Board sets key performance indicators and targets for the MD/CEO and the other senior executives and review these and the performance against these targets throughout the year as well as formally at the end of the year.

Oversight of the assessment and performance of the MD/CEO and the senior executives is provided by the Remuneration Committee and the Chairman of the Board. Formal assessments of performance for the MD/CEO and the senior executives were completed during the current period.

Further details of how the Company assesses the performance of the MD/CEO and executive team are set out in the Remuneration Report included in the Annual Report.

2. PRINCIPLE 2: STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE

The Board endeavours to ensure it is comprised of a diverse selection of highly qualified and experienced individuals with the highest levels of integrity, suited to the needs of the Company. Each Director is bound by the Company's charters, policies, procedures and codes of conduct, including without limitation, the Company's Securities Trading Policy, Continuous Disclosure Policy and Directors Code of Conduct.

Independence

Best practice recommends that rigid rules regarding what 'does and does not' constitute independence is no longer appropriate. Rather, it is more appropriate to adopt a set of matters to which consideration should be given in order to determine whether or not a Director is independent.

At the time of a Director's appointment and thereafter, the Board considers independence by having regard to the answers to the following questions:

- Is the Director a substantial shareholder of the Company or an officer of, or otherwise associated directly with, a substantial shareholder of the Company?
- Has the Director, within the last three years, been employed in an executive capacity by the Company or by any related body corporate, or been a Director after ceasing to hold any such employment?
- Within the last three years has the Director been a Principal of a material professional adviser; a material consultant to the Company or a related body corporate, or an employee materially associated with the service provided by such adviser or consultant to the Company?
- Is the Director a material supplier or customer of the Company or any related body corporate or an officer of or otherwise associated directly or indirectly with a material supplier or customer?
- Does the Director have a material contractual relationship with the Company or related body corporate other than as a director of the Company?
- Has the Director served on the Board of Directors for a period that could, or reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Company?
- Is the Director free from any interest and any business or other relationship that could, or reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Company?

Based on the above considerations, Mr Derek Carter (Chairman), Mr Murray Boyte (Non-Executive Director), and Mr Roger Higgins (Non-Executive Director) are considered by the Company to be independent. Mr Lachlan Wallace (MD/CEO) is not considered to be independent.

Regular assessments

The Board regularly assesses the independence of its Non-Executive Directors. Each Director of the Company must provide to the Board of the Company all information regarding his or her interests relevant to his or her independence. Where the independence of a Director is lost, this must be immediately disclosed to the market.

Nomination committee

The Board has a Nomination Committee in place. The Chairman of the Nomination Committee is an independent Non-Executive Director and membership consists of the three Non-Executive Directors.

The duties of the Nomination Committee cover the composition and performance of the Board, appointments to the Board of Directors, evaluation of Board performance, appointment and re-election of Directors and succession planning. The Committee usually meets annually. The Committee has a

clear charter that sets out its roles, responsibilities and structure. This charter can be found on the Company's website at www.hillgroveresources.com.au.

Details of the number of Board and Committee meetings held during the year, and each Director's attendance at those meetings are set out in the Annual Report.
