

## Change of Auditor

HeraMED Limited (ASX:HMD) ('HeraMED' or the 'Company'), a medical data and technology company leading the digital transformation of maternity care, today announced that in accordance with Listing Rule 3.16.3, BDO Audit Pty Ltd (BDO Audit) has been appointed as auditor of the Company. The appointment follows the resignation of BDO Audit (WA) Pty Ltd (BDO WA) and ASIC's consent to the resignation in accordance with s329(5) of the Corporations Act 2001 (the Act).

The change of auditor arose as a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA.

In accordance with s327C of the Act, a resolution will be proposed at the Company's next Annual General Meeting to confirm the appointment of the Company's auditor.

-ENDS-

This announcement has been authorised by the Company Secretary of HeraMED Limited.

### About HeraMED Limited (ASX:HMD):

HeraMED is an innovative medical data and technology company leading the digital transformation of maternity care by revolutionising the prenatal and postpartum experience with its hybrid maternity care platform. HeraMED offers a proprietary platform that utilises hardware and software to reshape the Doctor/Patient relationship using its clinically validated in-home foetal and maternal heart rate monitor, HeraBEAT, cloud computing, artificial intelligence, and big data. The Company's proprietary offering, HeraCARE, has been engineered to offer a fully integrated maternal health ecosystem designed to deliver better care at a lower cost, ensure expectant mothers are engaged, informed and well-supported, allow healthcare professionals to provide the highest quality care and enable early detection and prevention of potential risks.
