Dear Salvador

Far East Gold Ltd – Request for Voluntary Suspension

Pursuant to ASX Listing Rule 17.2, Far East Gold Ltd (ASX:FEG) (the **Company** or **FEG**) requests that ASX grant a voluntary suspension in the trading of the Company's fully paid ordinary shares on the ASX effective prior to the commencement of trade today, 18 November 2022.

As the Company is still undergoing its capital raising, the Company is requesting a voluntary suspension from trading to allow it further time to complete that process.

FEG provides the following information for the purposes of ASX Listing Rule 17.2:

1. The voluntary suspension is requested to allow the Company further time to complete the capital raising as set out in the trading halt request dated 16 November 2022, and to allow the capital raising to take place in an orderly fashion.
2. FEG requests that the trading halt remain in place until the earlier of:
 - a. FEG making an announcement to the market regarding the outcome of the capital raising; or
 - b. The commencement of trading on Monday 21 November 2022.
3. FEG anticipates that the voluntary suspension will cease upon it announcing the outcome of the capital raising, which is expected to occur on or about 21 November 2022.
4. FEG is not aware of any reason why the voluntary suspension should not be granted, or of any other information necessary to inform the market about the voluntary suspension.

Yours sincerely
