

ASX ANNOUNCEMENT

Q1 FY23 Quarterly Activities Report and Appendix 4C Cash Flow Statement

Milton, 31 October 2022: Health and Plant Protein Group Limited (ASX:HPP) (Company) presents its Activities Report and Appendix 4C for the quarter ended 30 September 2022.

Business Update

As outlined in the announcement on 22 August 2022, the current macroeconomic conditions in the United States continue to present a challenging environment for premium snack nuts including macadamias, leading to a trading performance in the new financial year which is below budgeted expectation and prior year. Net sales for the quarter were 27% (\$3.1m) lower compared to pcp.

Despite ongoing cost pressures throughout the supply chain, retail gross margins remain consistent with pcp following implementation of price increases and disciplined management of trade spend.

The Company ended the quarter with closing cash on hand of \$2.6m and unused finance facilities of \$3.6m.

Strategic Review of Kapua Orchard

The Company continues to engage with potential interested parties and anticipates providing a further update at the upcoming Annual General Meeting.

Other items

The amount of \$29,000 under item 6.1 is in relation to remuneration of non-executive directors.

This announcement has been authorised for release to ASX by the Board.
