About EZZ Life Science Holdings Limited

EZZ Life Science Holding Limited (ASX:EZZ) is a genomic life science company with a mission to improve quality of life and human health. EZZ has a focus on research and development in gene technology to address four key human health challenges: genetic longevity, human papillomavirus (HPV), helicobacter pylori, and weight management. EZZ Life is passionate about investing in the future of consumer health through the development and distribution of high-quality health and wellness products including functional foods via an expansive range of distributor and stockist relationships and direct to consumers online across Australia, New Zealand, China and the rest of the world. www.ezzlife.com.au
