Voting Restriction pursuant to Section 250BD of the Corporations Act – Resolution 3

As Resolution 3 is connected directly or indirectly with the remuneration of a member of Key Management Personnel (**KMP**) for the Company, pursuant to section 250BD of the Corporations Act, a person must not cast a vote, and the Company will disregard any votes cast on this Resolution by:

- (a) any member of the KMP of the Company (or, if the Company is part of a consolidated entity, of the entity); or

In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of the Placement Securities), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

1. Introduction

This Explanatory Memorandum is provided to shareholders of Change Financial Limited ACN 150 762 351 (**Company**) to explain the resolutions to be put to Shareholders at the Meeting to be held at the Office of Hopgood Ganim Lawyers, Level 8, Waterfront Place, 1 Eagle Street, Brisbane Queensland, Australia on **24 November 2022** at **10.30am** (Brisbane time).

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote on the Resolutions. The Company's Notice of Annual General Meeting and this Explanatory Memorandum should be read in their entirety and in conjunction with each other.

Subject to the abstentions noted below, the Directors unanimously recommend that Shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

The Directors recommend shareholders read the accompanying Notice of Meeting and this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Terms used in this Explanatory Memorandum are defined in Section 9.

2. Consider the Company's Annual Report

The Company's Annual Report comprising the Directors' Report and Auditors' Report, Directors' Declaration, Statement of Financial Performance, Balance Sheet, Statement of Cashflows and notes to and forming part of the financial statements for the Company and its controlled entities for the financial year ended 30 June 2022 was released to the ASX on 31 August 2022.

Shareholders can access a copy of the Company's Annual Report at www.changefinancial.com/investors/. The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so.

The Company's Annual Report is placed before the Shareholders for discussion.

No voting is required for this item.

3. Resolution 1 - Adoption of Remuneration Report

3.1 Remuneration Report

The Board has submitted its Remuneration Report to Shareholders for consideration and adoption by way of a non-binding advisory Resolution in accordance with section 250R of the Corporations Act.

The Remuneration Report is set out on pages 13 to 24 of the Company's Annual Report for the period ending 30 June 2022. The Annual Report is available to download on the Company's website.

Under the Corporations Act, if at least 25% of the votes cast on the Resolution are voted against adoption of the Remuneration Report at two consecutive Annual General Meetings, the Company will be required to put to shareholders a resolution at the second of those Annual

General Meeting's proposing the calling of an extraordinary General Meeting to consider the election of directors of the Company (**Spill Resolution**).

If more than 50% of shareholders vote in favour of the spill resolution, the Company must convene the extraordinary General Meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting. All of the directors who were in office when the second (consecutive) Remuneration Report was considered at the second (consecutive) Annual General Meeting, other than the Managing Director, will cease to hold office immediately before the end of the spill meeting but may stand for re-election at the spill meeting. Following the spill meeting those persons whose election or re-election as directors are approved will be the directors of the Company.

At the 2021 Annual General Meeting less than 25% of the votes cast were voted against adoption of the Remuneration Report included in the 2021 Annual Report.

The Remuneration Report:

- (a) explains the Board's policy for determining the nature and amount of remuneration of Key Management Personnel of the Company;
- (b) explains the relationship between the Board's remuneration policy and the Company's performance;
- (c) sets out remuneration details for each Key Management Personnel of the Company including details of performance related remuneration and options granted as part of remuneration; and
- (d) details and explains any performance conditions applicable to the remuneration of Key Management Personnel of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

3.2 Directors' Recommendation

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to Resolution 1. In accordance with the Corporations Act, a vote on this resolution is advisory only and does not bind the Directors or the Company.

3.3 Voting restrictions on Key Management Personnel and their Closely Related Parties and their proxies

As set out in the notes to Resolution 1, a voting restriction statement applies with respect to the voting on this Resolution by members of the Key Management Personnel and their Closely Related Parties and their proxies voting (in any capacity) (**Voting Restriction**). Key Management Personnel has the definition given in *Accounting Standards AASB 124 Related Party Disclosure* as those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

Details of the restrictions on members of KMP and their Closely Related Parties and their proxies voting (in any capacity) are set out in the voting restriction statement included in Resolution 1 of the Notice of Meeting.

However, the Voting Restriction does not apply where:

- (a) the member of the Key Management Personnel is appointed in writing (by a Shareholder who is not a member of the Key Management Personnel or a Closely Related Party of the Key Management Personnel) as a proxy (**Management Proxy**) with specific instructions on how to vote on the Resolution; or
- (b) the Chairman is appointed in writing (by a Shareholder who is not a member of the Key Management Personnel or a Closely Related Party of the Key Management Personnel) as a proxy with no specific instructions on how to vote on the Resolution and expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or, if the Company is part of a consolidated entity, for the entity.

4. Resolution 2 – Ratification of prior issue of Placement Shares

4.1 Background

On 3 August 2022, the Company announced a placement of 15,000,000 fully paid ordinary shares in the Company at a price of \$0.05 per Share (**Placement Shares**) to sophisticated and professional investors (**Placement**). The Placement Shares were subsequently issued on 10 August 2022.

4.2 Listing Rule 7.1

Under Listing Rule 7.1, the Company is generally not permitted to issue more than 15% of its issued share capital in any 12 month period unless the issue is approved by the Company's shareholders or an exemption applies (**15% Capacity**).

The Placement was undertaken in a single tranche within the Company's existing 15% Capacity. Accordingly, as the Placement does not fit within any of the exceptions to Listing Rule 7.1, the issue of the Placement Shares counted towards the Company's utilisation of its 15% Capacity for the next 12 months post the Placement, such that the Company's capacity to issue further securities without Shareholder approval under Listing Rule 7.1 is reduced by 15,000,000 Equity Securities until 10 August 2023.

4.3 Listing Rule 7.4

Under Listing Rule 7.4, an issue of any Equity Securities made without approval under Listing Rule 7.1 may be treated as having been made with approval under Listing Rule 7.1 if each of the following apply:

- (a) the issue was not in breach of that rule; and
- (b) the holders of ordinary shares in the Company subsequently approve the issue.

Although Shareholder approval is not required for the Company to issue the Placement Shares (as they were issued under the Company's 15% Capacity discussed above), the Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues, as required under Listing Rule 7.1.

Accordingly, the Company is seeking ratification by Shareholders of the prior issue of the Placement Shares under this Resolution 2, pursuant to Listing Rule 7.4.

Approval of Resolution 2 will refresh the Company's ability, to the extent of the Placement Shares, to issue further capital during the next 12 months under Listing Rule 7.1 (if required) without the need to obtain further Shareholder approval, therefore providing the Company with greater flexibility in managing its future capital requirements.

4.4 Effect of Shareholder approval

If Resolution 2 is passed, the Placement Shares will be excluded in calculating the Company's utilisation of its 15% Capacity under Listing Rule 7.1, which will provide the Company with flexibility to issue Shares in the future without obtaining Shareholder approval, if required.

If Resolution 2 is not passed, the Shares issued under the Placement will be included in calculating the Company's utilisation of its 15% Capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date which will impact on the Company's flexibility for future capital raisings.

The passing of Resolution 2 will not affect the Company's Additional Capacity under Listing Rule 7.1A which has been fully utilised.

4.5 Requirements of Listing Rule 7.5

It is a requirement of Listing Rule 7.5, that a listed entity seeking subsequent Shareholder approval under Listing Rule 7.4 provides the Shareholders with the following information:

(a) **Listing Rule 7.5.1 – The names of the persons to whom the entity issued or agreed to issue the securities or the basis on which those persons were identified or selected.**

The Placement Shares were issued and allotted to unrelated professional, sophisticated and other investors that fall within one or more of the classes of exemptions specified in section 708 of the Corporations Act determined by the Board (**Placement Participants**).

Henslow Pty Ltd and MST Financial Services Pty Ltd (**Joint Lead Managers**) were appointed as the joint lead managers to the Placement and the entitlement offer announced on 3 August 2022 (Entitlement Offer). Under one mandate covering both the Placement and the Entitlement Offer, the Joint Lead Managers were entitled to receive:

- Selling fee: 4% of the Placement proceeds (excluding GST)
- Management fee equal to 2% of the Placement proceeds (excluding GST)

None of the Placement Participants are:

- a related party of the Company;
- members of the Company's key management personnel;
- a substantial holder in the Company;
- an adviser to the Company; or
- an associate of any of the above,

and therefore the individual identities of each of the Placement Participants is not material to a decision to approval the issue: ASX Guidance Note 21, paragraph 7.2 and paragraph 7.4.

(b) **Listing Rule 7.5.2 – The number and class of securities the entity issued or agreed to issue**

The total number of securities that were issued under the Placement was 15,000,000 fully paid ordinary shares.

(c) **Listing Rule 7.5.3 – If the securities are not fully paid ordinary securities, a summary of the material terms of the securities**

The Placement Shares were issued on terms identical to the Company's existing quoted Shares.

(d) **Listing Rule 7.5.4 – The date or dates on which the securities were or will be issued**

The Placement Shares were issued on 10 August 2022.

(e) **Listing Rule 7.5.5 – The price or other consideration the entity has received or will receive for the issue**

The Placement Shares were issued at a price of \$0.05 per Share.

(f) **Listing Rule 7.5.6 – The purpose of the issue, including the use (or intended use) of any funds raised by the issue**

Funds raised from the issue of the Placement Shares are intended to be used to accelerate the enhancement of the Company's products, meet other working capital requirements and to cover the costs of the Placement and Entitlement Offer.

(g) **Listing Rule 7.5.7 – If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Placement Shares were not issued under an agreement.

(h) **Listing Rule 7.5.8 – A voting exclusion statement**

A voting exclusion statement is set out under Resolution 2 of the Notice of Meeting.

4.6 Directors' Recommendation

All of the Directors unanimously recommend that Shareholders vote in favour of Resolution 2, for the reasons set out above.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of the resolutions the subject of this Meeting, including this Resolution 2, subject to compliance with the Corporations Act. In exceptional circumstances, the Chairman may change their voting intention on any resolution, in which case an ASX announcement will be made.

5. Resolution 3 – Approval of the Employee Share and Option Plan

Background

- 5.1** The Company has established an employee incentive plan, known as the Change Financial Limited Employee Share and Option Plan (**Plan**), under which certain employees will be provided with securities in the Company.
- 5.2** The purpose of the Plan is to:
- i. reward employees for their contributions to the Company's success;
 - ii. align the interests of employees with the long-term interests of the Company and its shareholders; and
 - iii. help employees build an ownership stake in the Company.
- 5.3** The Directors have resolved to adopt the Plan and it is intended that certain employees will be offered the opportunity to participate in the Plan during the course of this financial year and prior to the Annual General Meeting. By this Resolution 3, the Company is seeking Shareholder approval to adopt the Plan, and for the issue of Equity Securities under that Plan, in accordance with Listing Rule 7.2 (Exception 13(b)).

Why is shareholder approval being sought?

- 5.4** Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.
- 5.5** Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of Equity Securities under the employee incentive scheme as exception to the relevant Listing Rules.
- 5.6** Accordingly, the Company is seeking to have the Plan approved by Shareholders such that any Equity Securities issued under the Plan over the next 3 years will be disregarded when determining the Company's capacity to issue Equity Securities under Listing Rule 7.1 and 7.1A (as applicable).

Information required for Listing Rule 7.2 (Exception 13)

- 5.7** Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 3:

Exception 13(b)	Information

A voting exclusion statement	The Notice of Meeting contains a: <ul style="list-style-type: none"> • Voting Exclusion Statement pursuant to Listing Rule 14.11; and • Voting Restriction pursuant to section 250BD of the Corporations Act.

5.8 Exception 13(b) is only available if and to the extent that the number of Equity Securities issued under the Plan does not exceed the maximum number set out above.

5.9 Exception 13(b) also ceases to be available if there is a material change to the terms of the Plan from those set out in Annexure A.

Effect of Resolution 3

5.10 If Resolution 3 is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of 3 years.

5.11 The issue of any securities to eligible participants under the Plan (up to the maximum number of securities stated in section 5.7 above) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

5.12 For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

5.13 If Resolution 3 is not passed, the Company will be able to proceed with the issue of securities under the Plan to eligible participants, but any issues of securities will reduce, to that extent,

the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the securities.

- 5.14** The Company considers that it will derive a significant benefit by incentivising its senior management and key employees through the issue of Options under the Plan. Additionally, the Company believes it to be in the best interests of the Company to preserve the maximum commercial flexibility to issue Equity Securities that is afforded to it by Listing Rule 7.1.

Directors' Recommendation

- 5.15** The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to Resolution.

6. Resolution 4 – Re-election of Mr. Ian Leijer as a Director

6.1 Background

Mr Ian Leijer retires by rotation in accordance with Rule 40.1 of the Company's Constitution and Listing Rule 14.4 and, being eligible, offers himself for re-election as a Director.

6.3 Directors' Recommendation

The Directors believe that Mr. Leijer's experience and skills can continue to make a valuable contribution to the Company, and all of the Directors (with Mr Leijer abstaining) unanimously recommend that shareholders vote **in favour** of this Ordinary Resolution 4.

7. Resolution 5 – Election of Mr. Tom Russell as a Director

7.1 Background

Pursuant to the announcement released to the ASX on 20 October 2022, Mr. Ben Harrison has announced his retirement as Director at the Meeting and, as he has chosen not to stand for re-election, he will cease to be a Director at the closure of the Meeting.

This Resolution seeks Shareholder approval for the appointment of Mr Tom Russell as a Director of the Company in accordance with Rule 38.3(b) of the Company's Constitution, which allows the Company to appoint a qualified person as a Director at a Meeting by resolution. Mr. Russell was appointed as an alternate Director to Mr. Ben Harrison on 11 November 2021.

Mr. Russell has made a substantial contribution to Company in an executive capacity prior to his appointment as Director and has continued to add significant value to the Company as a Director. The Directors wish to retain Mr. Russell as Director and are recommending his appointment to shareholders at the Meeting.

7.2 Mr. Tom Russell's qualifications and experience

8. Resolution 6 - Approval to issue an additional 10% of the issued capital of the Company over a 12 month period pursuant to Listing Rule 7.1A

8.1 Introduction

Pursuant to Resolution 6, the Company is seeking Shareholder approval to issue an additional 10% of its issued capital over a 12 month period pursuant to Listing Rule 7.1A. If passed, this Resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Placement Securities**) each at an issue price of at least 75% of the volume weighted average price (**VWAP**) for the Company's Equity Securities in that class (calculated over the last 15 days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Placement Securities are to be issued is agreed, or if the Placement Securities are not issued within ten trading days of that date, the date on which the Placement Securities are issued).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A, small and mid-cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by Special Resolution at the Annual General Meeting, are permitted to issue an additional 10% of issued capital over a 12 month period from the date of the Annual General Meeting (**Additional 10% Capacity**). The Additional 10% Capacity under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without shareholder approval over a 12 month period pursuant to Listing Rule 7.1.

If Resolution 6 is not passed then the Company will not be permitted to issue up to an additional 10% of its issued capital over a 12 month period from the date of the Annual General Meeting pursuant to Listing Rule 7.1A.

Funds raised from the issue of Placement Securities, if undertaken, would be applied towards the continued growth of the Company's business operations (including client growth) and general working capital.

8.2 Listing Rule 7.1A

(a) General

(1) Eligibility

An entity is eligible to seek shareholder approval for an Additional 10% Capacity if at the time of its Annual General Meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index.

As required by the Listing Rules, the Company's market capitalisation will be based on the closing price on the Trading Day before the AGM. The calculation of market capitalisation will be based on the Closing Price of Shares on the last Trading Day on which trades in the Shares were recorded before the date of the AGM, multiplied by the number of Shares on issue (in that main class, but excluding restricted securities and securities quoted on a deferred settlement basis).

For illustrative purposes only, on 13 September 2022 the Company's market capitalisation was approximately \$34 million based on the closing trading price on that date. The Company is not included in the S&P/ASX300 Index as at the time of issue of this Notice of Meeting and the Company does not expect that it will be included in the S&P/ASX300 Index at the date of the AGM.

The Company is therefore an eligible entity and able to seek shareholder approval for an Additional 10% Capacity under Listing Rule 7.1A. Assuming Resolution 6 is approved, in the event that the Company is no longer an eligible entity to issue Equity Securities under its Additional 10% Capacity after the Company has already obtained Shareholder approval, the approval obtained will not lapse and the Company will still

be entitled to issue Equity Securities under the Additional 10% Capacity until the approval period ends.

(2) Special Resolution

Listing Rule 7.1A requires this Resolution 6 to be passed as a Special Resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Pursuant to Listing Rule 7.1A, no Placement Securities will be issued until and unless this Special Resolution is passed at the Meeting.

(3) Shareholder Approval

The ability to issue the Placement Securities is conditional upon the Company obtaining Shareholder approval by way of a Special Resolution at the Meeting.

(b) 10% Capacity Period - Listing Rule 7.1A.1

Assuming Resolution 6 is passed, Shareholder approval of the Additional 10% Capacity under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

- a. the date that is 12 months after the date of the AGM;
- b. the time and date of the Company's next AGM; or
- c. the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**Approval Period**).

If Resolution 6 is passed by Shareholders, then the approval will expire, on 24 November 2022 unless the Company holds its next Meeting or Shareholder approval is granted pursuant to Listing Rules 11.1.2 or 11.2 prior to that date.

(c) Formula for calculating Additional 10% Capacity

Listing Rule 7.1A.2 provides that Eligible Entities that have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of ordinary securities on issue 12 months before the date of issue or agreement:

1. plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
2. plus the number of partly paid ordinary securities that became fully paid in the 12 months;

3. plus the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under Listing Rules 7.1 or 7.4 (but note that this does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without shareholder approval); and
4. less the number of fully paid ordinary securities cancelled in the 12 months.

Note that "A" has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

(d) Listing Rule 7.1A.3

(1) Equity Securities

Any Equity Securities issued under the Additional 10% Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this notice of meeting, the only class of Equity Securities in the Company quoted on the ASX are ordinary shares. The Company presently has 513,361,385 shares on issue at the date of this Notice of Meeting.

(2) Minimum Issue Price

The issue price for the Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- a. the date on which the price at which the relevant Placement Securities are to be issued is agreed by the Company and the recipient of the Placement Securities; or
- b. if the relevant Placement Securities are not issued within ten trading days of the date in paragraph (A) above, the date on which the relevant Placement Securities are issued.

(e) Information to be given to ASX – Listing Rule 7.1A.4

If Resolution 6 is passed and the Company issues any Placement Securities under Listing Rule 7.1A, the Company will comply with the requirements of 7.1A.4.

(f) Listing Rules 7.1 and 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 513,361,385 Shares, and therefore has the capacity to issue:

- i. 77,004,207 Equity Securities under Listing Rule 7.1; and

- ii. 51,336,138 Equity Securities under Listing Rule 7.1A.

The actual number of Placement Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Placement Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described above).

8.3 Specific information required by Listing Rule 7.3A

(a) A statement of the period for which the approval will be valid (as set out in Listing Rule 7.1A.1) – Listing Rule 7.3A.1

Subject to Resolution 6 being approved by Shareholders the Company will only issue and allot the Placement Securities during the Approval Period (described above), which will commence on the date of the Meeting and expire on the first to occur of:

1. the date that is 12 months after the date of this Meeting;
2. the time and date of the Company's next annual general meeting; and
3. the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities of the Company) or Listing Rule 11.2 (disposal of the main undertaking of the Company).

(b) Minimum price of Equity Securities issued under Listing Rule 7.1A - Listing Rule 7.3A.2

Pursuant to and in accordance with Listing Rule 7.1A.3, the Placement Securities issued under the Additional 10% Capacity must:

1. be in an existing quoted class of Equity Securities;
2. be issued for cash consideration; and
3. have an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 trading days immediately before:
 - a. the date on which the price at which the Placement Securities are to be issued is agreed; or
 - b. if the Placement Securities are not issued within ten trading days of the date in paragraph (a) above, the date on which the Placement Securities are issued.

The Company will disclose to the ASX the issue price on the date of issue of the Placement Securities.

(c) A statement of the purposes for which the funds raised by an issue of Equity Securities under Listing Rule 7.1A.2 may be used – Listing Rule 7.3A.3

As noted above, the purpose for which the Placement Securities may be issued include to be applied towards the continued growth of the Company's business operations (including client growth) and general working capital.

(d) Risk of economic and voting dilution - Listing Rule 7.3A.4

If Resolution 6 is passed and the Company issues the Placement Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 513,361,385 Shares and 10,550,000 Options. On this basis, following approval of the Additional 10% Capacity, the Company will have approval to issue an additional 51,336,138 Equity Securities. The exact number of Placement Securities to be issued under the Additional 10% Capacity will be calculated in accordance with the formula contained in Listing Rule 7.1A.2 and set out above. Any issue of Placement Securities will have a dilutive effect on existing Shareholders.

There is a specific risk that:

1. the Market Price for the Company's Equity Securities may be significantly lower on the date of the issue of any Placement Securities than it is on the date of the Meeting; and
2. the Placement Securities may be issued at a price that is at a discount to the Market Price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue or the value of the Placement Securities.

As required by Listing Rule 7.3A.4, Table 1 below shows the potential economic and voting dilution effect, in circumstances where the issued share capital has doubled and the Market Price of the shares has halved. Table 1 also shows additional scenarios in which the issued share capital has increased (by both 50% and 100%) and the Market Price of the shares has:

1. decreased by 50%; and
2. increased by 100%.

TABLE 1

Issued Share Capital (Variable A in Listing Rule 7.1A.2)		Issued Share Capital: 10% Voting Dilution	Issue Price		
			50% decrease in Market Price \$0.0295	Current Market Price \$0.059	100% Increase in Market Price \$0.118
			Funds Raised		
Current	513,361,385 Shares	51,336,139	\$1,514,416	\$3,028,832	\$6,057,664
50% Increase	770,042,078 Shares	77,004,208	\$2,271,624	\$4,543,248	\$9,086,497
100% Increase	1,026,722,770 Shares	102,672,277	\$3,028,832	\$6,057,664	\$12,115,329

Assumptions and explanations

- As at 11 October 2022, the date of preparation of this Notice, there were 513,361,385 Shares on issue.
- The Market Price is \$0.059, based on the closing price of the shares on ASX on 11 October 2022.
- The above table only shows the dilutionary effect based on the issue of the Placement Securities (assuming only Shares are issued), and not any Shares issued

under the 15% capacity under Listing Rule 7.1. This is why the voting dilution is shown in each example as 10%.

- Assumes that no Options are exercised into Shares before the date of issue of the Placement Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- The Company issues the maximum number of Equity Securities available under the Additional 10% Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A2 as at 13 September 2022.
- The issue price of the Placement Securities used in the table is the same as the Market Price and does not take into account the discount to the Market Price (if any).

(e) Company's allocation policy - Listing Rule 7.3A.5

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Placement Securities. The identity of the allottees of Placement Securities will be determined on a case-by-case basis having regard to a number of factors including but not limited to the following:

1. the methods of raising funds that are available to the Company including, but not limited to, a rights issue, share purchase plan, placement or other issue in which existing shareholders can participate;
2. the effect of the issue of the Placement Securities on the control of the Company;
3. the purpose of the issue;
4. the circumstances of the Company, including but not limited to the financial position and solvency of the Company;
5. prevailing market conditions; and
6. advice from corporate, financial and broking advisers (if applicable).

The allottees of the Placement Securities have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(f) Previous issues under Shareholder Approval previously obtained under Listing Rule 7.1A –Listing Rule 7.3A.6

The Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

(g) Voting Exclusion Statement – Listing rule 7.3A.7

The Company is not proposing to make an issue of equity securities under 7.1A.2 as at the date of this Notice of Meeting. Accordingly, no voting exclusion statement is included in this Notice.

A notice given under clause 31.1 to a person being a natural person, is duly given even if the person is then deceased (and whether or not the Company has notice of his or her death), unless the legal personal representative of the person has established title to the satisfaction of the Company and supplied to the Company an address to which documents should be sent.

31.5 Treatment of notice

A notice sent in accordance with clause 31.1 is treated as given and received in the case of:

32.2 Contravention of Law

Notwithstanding clause 32.1 of the Plan, no Participant Share or Participant Option may be offered, issued, vested or exercised if to do so:

- (a) would contravene the Corporations Act or the Listing Rules; or
- (b) would contravene the local laws or customs of an Eligible Person or Eligible Associate's country of residence or in the opinion of the Board would require actions to comply with those local laws or customs which are impractical.

32.3 Governing Law

This Plan is governed by the laws in force in Queensland and the Commonwealth of Australia.

33. USA Participants

33.1 Incorporation of USA Requirements

Where a Participant is a USA Participant, the Terms of Allotment will include the USA Requirements to the extent applicable to the issue of the Participant Shares or Participant Options.

33.2 Inconsistency with Terms of Allotment

- (a) Except as provided for under sub-clause (b), the USA Requirements will apply, to the extent applicable, in addition to the terms and conditions of the Plan which the issue of Participant Options or Participant Shares to a USA Participant is governed by.
- (b) If there is any inconsistency between the Plan, any Terms of Allotment and the USA Requirements, then the USA Requirements will prevail to the extent necessary to comply with USA federal and/or state laws, subject to clause 33.3.

33.3 Corporations Act and Listing Rules not displaced

The USA Requirements do not displace the requirements of the Plan or the Terms of Allotment with respect to the operation of the Corporations Act (including ASIC CO 14/1000) or the Listing Rules and any Offer made to a USA Participant must be made on such terms so that the Offer is capable of compliance with each of the Corporations Act, the Listing Rules and the USA Requirements.

Explanatory Memorandum

CHANGE FINANCIAL LIMITED EMPLOYEE SHARE AND OPTION PLAN ("PLAN")

APPENDIX A – Adopted by Board on 4 April, 2016

Additional Terms of Awards Issued to USA Participants

This Appendix A is a sub-plan to the Plan (the "USA Sub-Plan") and has been adopted by the Board. All terms not otherwise defined in this USA Sub-Plan shall have the meaning provided to them in the Plan.

If a Participant Option (referred to in this USA Sub-Plan as an "USA Option") or a Participant Share (referred to in this USA Sub-Plan as an "USA Share" and together with USA Options are referred to in this Appendix A as "USA Awards") is issued under the Plan to a Participant who is a resident or citizen of the United States of America ("USA") or the Participant's USA Award is otherwise subject to USA federal or state laws (any such Participant is referred to in this USA Sub-Plan as an "USA Participant"), then, in addition to the Plan's terms and conditions which the USA Award is governed by, the provisions in this USA Sub-Plan shall also apply to such USA Awards to the extent applicable.

Notwithstanding anything to the contrary, to the extent necessary to comply with USA federal and/or state laws, the terms of this USA Sub-Plan shall prevail and govern if there is a conflict with any other terms in the Plan. Additionally, Plan provisions incorporating non-USA laws and regulations which do not apply to USA Participants shall not be applicable to USA Awards. Any Shares acquired pursuant to an USA Award shall be subject to all Company policies, Company or underwriter restrictions on transfer, exercise or resale, Company rights of first refusal or repurchase, and compliance with applicable laws, in each case as determined by the Company.

1. Share Limits and Adjustments, Fair Market Value, Term, Amendment, Clawback Policy, Non-Transferability, Legends, Change in Control, Unfunded Plan, Reformation, Dissolution.

- a. Subject to adjustment as provided below in Section 1(b), the maximum aggregate number of Shares that are issued pursuant to USA Awards under this USA Sub-Plan shall not exceed the Plan Limit as defined in clause 4.2 of the Plan (the "USA Sub-Plan Share Limit"). Subject to adjustment as provided below in Section 1(b), the maximum aggregate number of Shares that are issued under this USA Sub-Plan pursuant to the exercise of ISOs (as defined below) granted under the USA Sub-Plan shall not exceed the Plan Limit as defined in clause 4.2 of the Plan Shares (the "ISO Limit").
- b. In the event of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification or other distribution of the Shares without the receipt of consideration by the Company, then there shall be a proportionate adjustment to (i) the number (and kind) of Securities purchasable or issuable under the USA Awards and (ii) the Exercise Prices of the USA Options and (iii) the USA Sub-Plan Share Limit and ISO Limit. Under no circumstances shall the Company be required to authorize or issue fractional shares as a result of the previous sentence. If USA Awards are forfeited or are terminated for any reason (including the Company's repurchase of unvested Shares), then the forfeited/terminated/repurchased Shares underlying such USA Awards shall not be counted toward the USA Sub-Plan Share Limit. When USA Awards are settled in Shares, only the number of Shares actually issued in settlement of such USA Awards shall be counted against the USA Sub-Plan Share Limit. If an USA Participant pays the Exercise Price of an USA Option by Net Exercise or by surrendering previously owned Shares (or by stock attestation) and/or pays any withholding tax obligation with respect to an USA Award by Net Exercise or by electing to have Shares withheld or surrendering previously owned Shares (or by stock attestation), the surrendered Shares and the Shares withheld to pay taxes shall not be counted toward the USA Sub-Plan Share Limit.
- c. The determination of "fair market value" as such term is used in this USA Sub-Plan shall be determined by the Board. An USA Award must be granted within ten years after the earlier of the date of adoption of this USA Sub-Plan by the Board or approval of this USA Sub-Plan by Company shareholders. The Board may amend or terminate the USA Sub-Plan at any time and for any reason. No USA Awards shall be granted under the USA Sub-Plan after its termination. An amendment of the USA Sub-Plan shall be subject to the approval of the Company's shareholders only to the extent required by applicable laws, regulations or rules. In addition, no

Explanatory Memorandum

such amendment or termination of this USA Sub-Plan shall be made which would materially impair the rights of any USA Participant, without such USA Participant's written consent, under any then-outstanding USA Award provided, however, that this sentence is subject to the provisions of Plan Clause 29 and such Clause 29 shall prevail in the event of any conflict in terms.

- d. The Company may (i) cause the cancellation of any USA Award, (ii) require reimbursement of any USA Award by an USA Participant and (iii) effect any other right of recoupment of equity or other compensation provided under this USA Sub-Plan or otherwise in accordance with Company policies and/or applicable law (each, a "Clawback Policy"). In addition, an USA Participant may be required to repay to the Company certain previously paid compensation, whether provided under this USA Sub-Plan or an USA Award agreement or otherwise, in accordance with the Clawback Policy.
- e. Prior to an USA Participant's death, only such USA Participant may exercise an USA Option. An USA Participant cannot gift, transfer, assign, alienate, pledge, hypothecate, attach, sell, or encumber an USA Award or subject it to any short position. If an USA Participant attempts to do any of these things, his/her USA Award will immediately become invalid. An USA Participant may, however, dispose of his/her USA Award in USA Participant's will or it may be transferred by the laws of descent and distribution. Regardless of any marital property settlement agreement, the Company is not obligated to honor an exercise notice for an USA Option provided by an USA Participant's spouse, nor is the Company obligated to recognize an USA Participant's spouse's interest in any USA Award in any other way.
- f. Any certificates representing Shares issued under any USA Award may, where applicable, have endorsed thereon any legends the Company determines are appropriate.
- g. Insofar as it provides for USA Awards, the USA Sub-Plan shall be unfunded. Although bookkeeping accounts may be established with respect to USA Participants who are granted USA Awards under this USA Sub-Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets which may at any time be represented by USA Awards, nor shall this USA Sub-Plan be construed as providing for such segregation, nor shall the Company or the Board be deemed to be a trustee of stock or cash to be awarded under the USA Sub-Plan.
- h. In the event any provision of this USA Sub-Plan shall be held illegal or invalid for any reason, such provisions will be reformed by the Board if possible and to the extent needed in order to be held legal and valid. If it is not possible to reform the illegal or invalid provisions then the illegality or invalidity shall not affect the remaining parts of this USA Sub-Plan, and this USA Sub-Plan shall be construed and enforced as if the illegal or invalid provision had not been included.
- i. To the extent not previously exercised or settled, all USA Awards shall terminate immediately prior to the dissolution or liquidation of the Company and shall be forfeited to the Company without consideration (except for repayment of any amounts an USA Participant had paid to the Company to acquire unvested Shares underlying the forfeited USA Awards).
- j. If the issuance of Shares under the USA Sub-Plan is not registered under the USA Securities Act of 1933 as amended, but an exemption is available which requires an investment or other representation, an USA Participant shall represent and agree at the time of issuance of the Shares being acquired that such Shares are being acquired for investment, and not with a view to the sale or distribution thereof, and shall make such other representations as are deemed necessary or appropriate by the Company and its counsel.

2. **Incentive Stock Options.** An USA Option shall be intended to constitute an incentive stock option ("ISO") within the meaning of Section 422 of the USA Internal Revenue Code of 1986 as amended (the "Code") if, and only if, (i) the granting resolutions and applicable documentation affirmatively state that such USA Option is intended to be an ISO and (ii) all ISO legal requirements are satisfied at all times. In all other instances, each USA Option that is an Option shall be (or shall become after grant) a nonstatutory stock option under USA tax laws.

Explanatory Memorandum

The Plan, including the USA Sub-Plan Share Limit, ISO Limit and this USA Sub-Plan, must be approved by Company shareholders in accordance with Code Section 422 within twelve months of the Board's adoption of the Plan and this USA Sub-Plan or else no USA Options will be eligible to qualify as ISOs.

The following provisions of this Section 2 are applicable to an USA Option only if such USA Option is an Option that is intended to be an ISO:

- a. An USA Option must be granted within ten years from the earlier of the date that this USA Sub-Plan was adopted by the Board or approved by Company shareholders. An USA Option may not be exercised after the expiration of ten years from its Issue Date and its Exercise Price must not be less than the fair market value of a Share on the Issue Date of such USA Option. An USA Option may not be transferable except to the extent permitted by will or by the laws of descent and distribution and the USA Option may only be exercised during the lifetime of the USA Participant by such USA Participant. In addition, to the extent that all or part of an USA Option exceeds the annual \$100,000 limitation rule of section 422(d) of the Code, such USA Option or the lesser excess part will be treated as a nonstatutory stock option.
- b. An USA Participant must be a common-law employee of the Company (or of its parent corporation or subsidiary corporation within the meaning of Code Sections 424(e) and 424(f), respectively) on the USA Option's Issue Date. If an USA Participant owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company (and its parent corporation and subsidiary corporations) then the USA Option shall not qualify as an ISO unless the requirements set forth in Code Section 422(c)(5), providing for a minimum USA Option Exercise Price of at least 110% of the Share fair market value on the Issue Date and a maximum Option Period of five years after the Issue Date, are all satisfied. If the USA Participant ceases to be an Employee of the Company (or a subsidiary corporation or parent corporation of Company), the USA Option (even if it was an ISO as of the date of the USA Participant's termination of employment) will be treated as a nonstatutory stock option on the day after the date that is three (3) months after the USA Participant ceased to be an Employee of the Company (and any subsidiary corporation or any parent corporation) including without limitation even if the USA Participant continues to provide service in a non-employee capacity to any one or more of such entities after his/her employment has terminated. For USA income tax purposes, if an USA Participant goes on a leave of absence from work and such leave period exceeds three (3) months and the USA Participant's right to reemployment is not provided either by statute or by contract, then any USA Option then held by such USA Participant will be treated as a nonstatutory stock option if the exercise of such USA Option occurs after the expiration of six (6) months from the commencement of such leave of absence. The Company determines which leaves count for this purpose (along with determining the effect of a leave of absence on vesting of USA Options), and when employment and service terminates for all purposes under USA Options.
- c. If an USA Participant sells or otherwise disposes of any of the Shares acquired pursuant to the exercise of an USA Option that is an ISO on or before the later of (i) the date that is two years after the USA Option's Issue Date or (ii) the date that is one year after the applicable exercise of the USA Option, then the USA Participant shall within ten days of any and all such sales or dispositions provide the Company with written notice of such transactions including without limitation the date of each disposition, the number of Shares that the USA Participant disposed of in each transaction and their USA Option Issue Date, and the amount of proceeds the USA Participant received from each disposition. Certain decisions, amendments, interpretations and actions by the Company and certain actions by an USA Participant may cause an USA Option to cease to qualify as an ISO and by accepting an USA Option, each USA Participant agrees in advance to any such disqualifying action taken by either the USA Participant or the Company.

3. Taxes.

- a. Each USA Participant shall make arrangements satisfactory to the Company for the fulfillment of any tax withholding obligations that arise in connection with his/her USA Award. The Company shall not be required to issue any Shares or make any payment to an USA Participant until such obligations are satisfied and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to an USA Participant. Each USA Participant shall be solely liable and responsible for any taxes that are imposed on USA

Explanatory Memorandum

Participant as a result of any USA Award grant, exercise, settlement, and/or disposition of Shares acquired pursuant to such USA Award.

- b. Unless otherwise expressly acknowledged by the Board when it approves the grant of an USA Award, each USA Award is intended to be exempt from the requirements of Code Section 409A and shall be interpreted and administered in a manner consistent with such intention. Therefore, among other things, the per Share Exercise Price of an USA Option shall not be less than the fair market value of a Share on the USA Option's Issue Date. In the event that any USA Award is determined by the Company to be subject to the requirements of Code Section 409A, the Board shall have the discretionary authority (but not the affirmative obligation) to take such actions and to make such changes to the USA Award or this USA Sub-Plan as the Board deems necessary (and without needing to obtain any USA Participant consent) to comply with such requirements (including without limitation, after the Issue Date, increasing the per Share Exercise Price of an Option to equal what was the fair market value of a Share on the Option's Issue Date). However, in no event whatsoever shall the Company or Board be liable for any additional tax, interest or penalties that may be imposed on USA Participant by Code Section 409A or for any damages for failing to comply with Code Section 409A.
- c. Unless otherwise expressly provided by the Board, any grant, vesting (or acceleration of vesting), exercise, or settlement of an USA Award shall not constitute a parachute payment within the meaning of Code Section 280G such that there would be an imposition of golden parachute excise taxes under Code Section 4999 and/or the loss of a tax deduction for the Company under Code Section 280G. The Board and the Company shall have the authority to ensure that this requirement is satisfied including without limitation by reducing the amount of compensation otherwise to be provided with respect to an USA Award and/or other compensation that would otherwise be provided to an USA Participant so that there are no Code Section 280G parachute payments.

4. Cashless Exercise, Net Exercise, Share Withholding, Other. One or more of the following provisions may be applicable to an USA Award to the extent affirmatively provided by the Board in the Board's sole discretion.

- a. Payment for all or a part of the Exercise Price of an USA Option may be made through "Cashless Exercise". "Cashless Exercise" means, to the extent permitted by applicable law and in accordance with any procedures established by the Board, an arrangement whereby payment of some or all of the aggregate Exercise Price may be made all or in part by delivery of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company. Cashless Exercise may also be utilized to satisfy the USA Participant's tax withholding obligations as provided below. No fractional Shares will be created as a result of a Cashless Exercise and the USA Participant must contemporaneously pay cash for any portion of the aggregate Exercise Price and/or tax withholding that is not covered by the Cashless Exercise.
- b. Payment for all or a part of the Exercise Price of an USA Option may be made through "Net Exercise". "Net Exercise" means, to the extent permitted by applicable law and in accordance with any procedures established by the Board, an arrangement pursuant to which the number of Shares issued to the USA Participant in connection with the USA Participant's exercise of an USA Option will be reduced by the Company's retention of a portion of such Shares. Upon such a net exercise of an USA Option, the USA Participant will receive a net number of Shares that is equal to (i) the number of Shares as to which the USA Option is being exercised minus (ii) the quotient (rounded down to the nearest whole number) of the aggregate Exercise Price of the Shares being exercised divided by the fair market value of a Share on the USA Option's exercise date. The number of Shares covered by clause (ii) will be retained by the Company and not delivered to the USA Participant. The number of Shares delivered to the USA Participant may be further reduced if Net Exercise is utilized to satisfy applicable tax withholding obligations as provided below. No fractional Shares will be created as a result of a Net Exercise and the USA Participant must contemporaneously pay cash for any portion of the aggregate Exercise Price and/or tax withholding that is not covered by the Net Exercise.
- c. The Board may also, in its discretion, permit or require USA Participant to satisfy withholding tax payment obligations related to an USA Award through (as applicable) Net Exercise or Cashless

Explanatory Memorandum

Exercise or Share withholding by the Company. The number of Shares that are withheld from the USA Award pursuant to this section 4(c) may also be limited by the Board, to the extent necessary, to avoid liability-classification of the USA Award (or other adverse accounting treatment) under applicable USA financial accounting rules including without limitation by requiring that no amount may be withheld which is in excess of minimum statutory withholding rates. No fractional Shares will be created as a result of the foregoing and the USA Participant must contemporaneously pay cash for any portion of the tax withholding amount owed that is not covered by the Share withholding.

- d. To the extent approved by the Board in its discretion and with all terms and conditions determined by the Board, payment of USA Option Exercise Prices and/or USA Award withholding taxes may be made in another form of legal consideration acceptable to the Board. Such other forms may include, without limitation, surrender of Shares previously owned by the USA Participant, a Company provided loan, stock attestation, or withholding from other compensation paid to the USA Participant by the Company.

5. California Securities Laws. To the extent necessary to comply with the state of California Corporate Securities Law of 1968 as amended, the following terms listed in this Section 5 below shall apply if an USA Participant is also a “California Participant”. For purposes of this Section 5, an USA Participant is a California Participant if the applicable USA Award was granted in reliance on California Corporations Code section 25102(o).

- a. The maximum Option Period for an USA Option may not exceed 120 months from the USA Option’s Issue Date. An USA Award may not be transferable except to the extent permitted by will, by the laws of descent and distribution or as permitted by Rule 701 of the USA Securities Act of 1933, as amended.
- b. If termination of the USA Participant’s employment was for reasons other than due to death or disability, the USA Participant shall have at least 30 days after the date of such termination to exercise any of the then-vested and exercisable portion of his/her USA Options (but in no event later than the expiration of the term of the USA Option established by the Board as of the Issue Date). If termination of the USA Participant’s employment was due to his/her death or disability, the USA Participant shall have at least six months after the date of such termination to exercise any then-vested and exercisable portion of his/her USA Options (but in no event later than the expiration of the term of the USA Option established by the Board as of the Issue Date). For purposes of this USA Sub-Plan, “disability” shall mean a Total and Permanent Disability as defined by Code Section 22(e)(3).
- c. The Plan and this USA Sub-Plan must be approved by Company shareholders in accordance with California Code of Regulations Title 10 Sections 260.140.41(g) and Section 260.140.42(e) within twelve months of the initial granting of any USA Award in the state of California or else all such USA Awards granted to California Participants must be rescinded. Notwithstanding the foregoing, for so long as the Company is a “foreign private issuer” as defined by Rule 3b-4 of the USA Securities Exchange Act of 1934 and the aggregate number of persons in California granted USA Awards (or other Company options or securities) does not exceed 35, then the foregoing shareholder approval requirement is not applicable as permitted by California Code of Regulations Title 10 Sections 260.140.41(g) and Section 260.140.42(e).
- d. Grants of USA Awards must be issued in compliance with Rule 701 of the USA Securities Act of 1933 as amended.

To record the adoption of the USA Sub-Plan by the Board, the Company has caused its duly authorized officer to execute this USA Sub-Plan on behalf of the Company.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.
