## **MONEYME Tenders External Audit Services and Confirms Profitable 1Q24**

MONEYME Limited (“MONEYME” or “Group”) is announcing today that it has completed a tender process for its external audit services. The decision to complete this process reflects best practice for audit firm rotation. MONEYME’s external auditor, Deloitte, were appointed by shareholders in Financial Year 2016.

The Board was pleased with the strong tender proposals received from a range of highly regarded external audit firms and has endorsed one firm for formal appointment as MONEYME’s external auditor from Financial Year 2024. The Group expects to be able to confirm the appointed firm following completion of the formal process that involves ASIC, Deloitte and the selected new external audit firm.

MONEYME confirms performance in 1Q24 had a positive Statutory and Cash Profit result<sup>1</sup> and expects to continue to post positive profit results in 1H24 and FY24.

We look forward to providing a full set of comprehensive results to the market for the half year 2024.
