## About Site Group:

**Site Group International Ltd (ASX: SIT)** provides training services for the oil and gas, construction, mining, hospitality and industrial sectors. Having served global blue-chip clients such as ExxonMobil, GE, Shell and OceanaGold, the Site team have extensive experience in developing and upskilling international workforces at scale within a niche featuring high barrier to entry competencies. Following years of disruption due to Covid, the company is pursuing a number of growth opportunities, including developing and upskilling the workforce in Saudi Arabia in partnership with oil giant Saudi Aramco under the Kingdom's Vision 2030.

Site's balance sheet is bolstered by a significant investment in a large commercial land holding in Clark, the Philippines, representing an added tangible development-for-sale opportunity on the back of the Philippines government's efforts to decentralise the country away from Manila.
