### About LGI (ASX: LGI)

LGI Limited (ABN: 49 138 085 551) is an established domestic leader in the recovery of biogas from landfill, and the subsequent conversion into renewable electricity and saleable environmental products. LGI's vertically integrated operations cover the engineering and management of landfill gas infrastructure, whilst providing solutions to create opportunities for the generation of renewable electricity and carbon abatement. LGI is addressing an inherent environmental issue for waste disposal sites.

LGI operates a portfolio of 25 projects across Queensland, New South Wales and the Australian Capital Territory, generating dispatchable, renewable energy and abating carbon to generate revenue through electricity sales, LGCs and ACCUs. These projects contribute towards LGI's vision of engineering a zero carbon, clean energy future.
